Konoha Magnolia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and

the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Konoha Magnolia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Konoha Magnolia, Iana Magnolia, Shiori Oumi, Miko Yashiro, and Hinako Yaotose with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Scoots for good.

Lincoln: And we also met the Gothic counterparts of Mickey and his friends.

Nico: I was stunned to find out there was a world of Disney that's based on the Bram Stoker novel, Dracula, so awesome.

Me: As an added bonus, we also got new members for The Goths of Darkness. But, I wonder if Michael and Emily Munroe are the

Defenders of Disney, does that mean that Gothic world version of Disney also has its defenders as well?

Michael Munroe: That's a good question.

Emily Munroe: I agree, and if that's true, that also means in addition to the same powers that we have, they're also vampires as well and have the same dark power as Count Mickey Dragul, but how we find them, that's something we'll have to find out for another time.

After Lincoln and all of us met Count Mickey Dragul and his friends and took down Scooter Demon, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Carol Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carol Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carol, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carol Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Carol Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Rebecca Michaelson got out a tape.

Rebecca Michaelson: Alright, guys, now brace yourself, this tape I have here is from a week after Alexander got rid of Mom's gang after bringing him back home which of course merged Cape Suzette with New York, but I got to warn you: you're gonna see how pissed off my brother really gets when a certain Air Pirate accidentally destroyed the last remnant of our ties to Dad.

Rebecca Michaelson put the tape in and it played on the big screen, and it shows New York a week after her elder brother, Alexander, got rid of Ravenna Michaelson and her gang after Rebecca brought him back home which of course merged Cape Suzette with New York.

Alexander Michaelson was walking home from high school along with his sister, Rebecca.

Past Alexander Michaelson: It's been a week after my whole adventure and getting rid of Mom and her gang forever, but it still feels like only yesterday that everything happened: going to Cape Suzette, meeting Baloo, Kit Cloudkicker, Louie, Rebecca Cunningham, Molly, and Wildcat, and also fighting those Air Pirates and Don Karnage to get back home.

Past Rebecca Michaelson: And stopping that heartless old witch and restoring order to the city, and you also found out the truth as to who I really am.

But, then, Kit Cloudkicker came to them in a panic!

Past Kit Cloudkicker: Guys, we got trouble! Karnage's goons, they came into your apartment, and they took something!

Past Rebecca Michaelson: Kit, what did they take?

Past Kit Cloudkicker: A gold necklace with a pendant that looked like it had something inside.

Past Alexander Michaelson: (Thinking) Dad's necklace and his locket! The last piece I have of him, the one thing that keeps his memory alive! (Out Loud) I'll be right back!

Alexander Michaelson headed to Pirate Island, and as soon as he got there, he saw the Air Pirates celebrating.

Past Dumptruck: That was an easy score for us.

Past Don Karnage: Easy for us to sneak in while that silly Alexander was in school along with his little sister, and in addition to that silly little necklace, I also grabbed a journal and it might lead us to a very priceless treasure! (LAUGHS)

Past Alexander Michaelson: (GROWLS) That's my Dad's journal they also stole along with the gold necklace! They're not getting away with this. If they have them onboard The Iron Vulture, I'll need to head in there at once to Karnage's quarters and get them back!

Alexander Michaelson headed for The Iron Vulture and went to the Captain's quarters, and once he got in, he began looking all over for the journal and the necklace. Suddenly, he found it, his father's journal and his gold necklace.

Past Alexander Michaelson: Got them. But, what was Dad hiding in his journal, I'm certain this isn't about treasure, but I know he's written down the grievances he's had to deal with because of that old hag.

Suddenly, Alexander Michaelson's curiosity got to him and he opened the book and began reading: in it, he found out about the grievances of Ravenna's cruelty towards him and his kids and of all the many affairs that old hag had and her plots to murder him and his own kids in cold blood. But, then, he found one particular page which describes a connection between their family and Don Karnage's family.

Past Alexander Michaelson: (Reading) August 21st, I'd been speaking with my father about his tales from the old days, but then, (Transitions to Nathaniel Michaelson's voice)

Past Nathaniel Michaelson: (Narrating) Then, Dad started telling me of an adventure he had when he was a young man in his early twenties, at first, I didn't believe it, but he traveled to Cape Suzette, and there, he had the adventure of a lifetime. But, that didn't go well as he found out the city had been attacked by Air Pirates and my Dad had to fight them off, they were dangerous, but he saw they were also incompetent. But, there was one who was more cunning than them, his name was Don Karnage, the feared leader of The Air Pirates, and he was someone my father fought against in the big battle to defend the city. A young kid named Kit Cloudkicker turned against them, and he'd helped end their attack, but before Dad could be hailed as a hero, he was forced to come back home. Yet, Dad could never forget Baloo, Kit, Rebecca, Molly, Louie, and Wildcat, they were the only friends he'd made and showed him a truly amazing time. But, he would never forget the name Don Karnage nor would he, and he feared one day he would get his revenge on my Dad. (Transitions to Alexander Michaelson's voice)

Past Alexander Michaelson: (Reading) But, that wouldn't worry him one bit since we lived in a world that's separate from Cape Suzette, and inside the locket is the electrical stone when he first met Baloo, Kit, Rebecca, and Molly, and he kept it inside ever since, and he'd passed it unto me along with my journal when I was fifteen. But, I know that heartless old hag, Ravenna, is gonna one day kill me, so we had come up with the plan to adopt Alexander and Rebecca and give them the life they deserved with all the money I'd saved up, and the divorce papers were already drawn up by a lawyer Dad knew and sent to the court, so I planned to announce my divorce at our next dinner. But, once it happens and she realizes she won't get anything, she would react in the same way I expect of her. But, the journal and my locket will be passed down to Alexander. And I knew he and my daughter, Rebecca, are immortal and invincible, I was always so proud of both of them, they are destined to do great things, and even if it costs me my life, I will always keep them safe.

Alexander Michaelson closed the journal, but he had tears in his eyes.

Past Alexander Michaelson: This journal and the locket are the last ties of Dad, he'd passed them down to me, at first, I didn't know anything about them, but I do now, and that Grandpa went to Cape Suzette when he was in his twenties, but he didn't say anything to Grandma about it when they first met. Now, this shows I was destined to one day go to Cape Suzette and embark on the same adventure Grandpa set out on when he was a young man, but for me, it also ended fifteen years of nightmares and trauma when that old hag was killed. Now, I've got to get out of here and with the journal and necklace in hand.

?: And where do you think you are going?

Suddenly, Alexander turned around and saw Don Karnage and the other Air Pirates.

Past Don Karnage: Stealing what I have stolen, that to me is what I consider a crime, yes, no?

Past Alexander Michaelson: It's a crime since you stole from me! Stealing is one thing, but to steal the last mementos of my Dad is crossing a line! Plus, I know it was my Grandfather who defeated you long ago when he himself was a young man when he came to Cape Suzette, does the name Danny "Air Pirate Thrasher"

Michaelson mean anything to you?!

THEY GASPED!

Past Don Karnage: That man who trashed us long ago, that was your grandpa?! I hated being beaten by that bear, Baloo, but being beaten by that man who may be a man of honor had also proven to be quite the menace. I swore to take revenge on him one day!

Past Alexander Michaelson: Too bad for you, our worlds were separate back then before Rebecca brought me back home to New York and that also merged Cape Suzette with New York, and by the time I turned eighteen, my grandfather, the man who defeated you bastards had already passed away due to old age and illness along with my grandmother, and they are reunited with their son in Heaven, my father. Now, I'm taking back my family's necklace and our journal, and I'm going to the authorities in Cape Suzette and see to it that you pay the price for your crimes!

Alexander Michaelson prepared to run

Past Mad Dog: Captain, we can't let him run!

Past Don Karnage: Men, seize him!

The Air Pirates ran at him, but Alexander dodged them, and he ran out of the quarters to escape Pirate Island. But, then, Don Karnage fired a bullet at his necklace, and that destroyed the amulet and exposed the electrical gem!

Past Dumptruck: (GASPS) Captain! The electrical gem! It was...!

Past Don Karnage: (Smirks) Yes, it was in the amulet this whole time.

Alexander Michaelson saw the shattered remains of his family's necklace.

Past Alexander Michaelson: No...! No...!

Past Don Karnage: (To Alexander Michaelson) Do you think I was stupid to take the necklace without knowing what was in it? I knew that man took the gem and put it in that necklace to keep it safe, but nothing is safe from us. Now, not only shall I retake that gem, but I shall also exact my revenge on the man who humiliated us...by doing away with his grandson. Today, Cape Suzette shall belong to me!

But, suddenly, Alexander Michaelson grabbed the shattered remains of his father's necklace and he got back up, but his hair blocked his eyes. But, we knew what that meant: he was pissed!

Past Alexander Michaelson: (Deathly Low Voice) How dare you do this? Committing the atrocious act of desecrating the memory of the dead?!

Past Don Karnage: That puny little necklace was nothing compared to the real treasure inside. Now, hand over the gem, and I promise you a quick and painless...!

Past Alexander Michaelson: YOU SHUT YOUR FISH BREATH MOUTH, BASTARD!

Past Don Karnage: (GASPS) Bad language? Someone needs to be...!

Past Alexander Michaelson: That necklace was the last thing I have of my father, the only memento I have to remember him by, and you destroyed it all for a damn gem!

Alexander Michaelson looked at the electrical gem as it came to life once again, and then, it started electrocuting him as his screams of pain echoed throughout Pirate Island, but finally, he let out an angry scream of rage and hatred as a black and red aura of hellish darkness surrounded him.

Past Alexander Michaelson: I am going to kill you all! This island will be dyed red with your blood!

Alexander Michaelson went at them and he fired blasts of darkness, dark fire, dark magic, black magic, and Satanic Magic at them, and with the gem in hand, he also fired blasts of lightning at them, but when combined with his darkness powers, he also fired dark lightning at them which really electrocuted them! But, the electrical surges of the gem were also hurting Alexander as his screams of anger mixed with screams of pain!

Lincoln: I can't believe Alexander would continue holding the gem even though it's causing him a lot of pain!

Rebecca Michaelson: That gem couldn't get into Karnage's hand, and after what you saw, Alex was out for blood.

Past Don Karnage: Mad Dog, Dumptruck, grab that gem!

Past Alexander Michaelson: TOO SLOW, BLOCKHEADS!

Suddenly, Alexander Michaelson crushed the gem in his bare hand, and its shattered shards sank deep into Alexander's palm as he screamed in agonizing pain, and the gem unleashed a massive charge of lightning that electrocuted and knocked the pirates out, but Alexander screamed even more in pain!

Then, Rebecca Michaelson, Baloo, Kit, and Rebecca Cunningham arrived and got him out, and back to the apartment, and he told them everything.

Past Baloo: Oh man! So, you're Danny's grandson?!

Past Kit Cloudkicker: And all this time, he had the electric gem inside his necklace. That was smart of him and reckless of you to break it in your hands, now you got shards in your palm.

Rebecca Michaelson removed the shards and bandaged Alexander's hand.

Past Rebecca Michaelson: All the better though, but still, Alexander was furious because of what'd happened. That necklace was not only the last memento of Grandpa, it was also our last memory of Dad who was murdered by Mom fifteen years ago along with the journal.

Past Alexander Michaelson: That was the last memory of Dad and Grandpa, and those Air Pirates destroyed it to get the gem. I will never forget this act of desecration, may they be haunted by their crimes for all eternity!

It was as if Alexander's words had uttered a curse upon them as darkness surrounded Pirate Island and Don Karnage and the Air Pirates as the video ends!

Me: Oh man, so that aura of darkness around Pirate Island that we felt years ago, that was...!

Rebecca Michaelson: My elder brother's curse. That day they destroyed the necklace and Alex destroyed the gem, that was the night he unleashed a curse on them all those years ago.

Nico: And a day later, we came to Pirate Island and destroyed it, but didn't that spread the curse further?

Rebecca Michaelson: Nope. It actually ended it for good after what you guys did to them.

Lincoln: I did remember feeling a presence lifting after that, I had no idea that was your brother's curse.

We got a shower, and then, Lincoln, Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) are heading to Seaside Hill, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Arcee (Transformers 2007 Rewrite): Wow, we're here in Seaside Hill, it's so beautiful.

Lincoln: You said it, Isla, and it's perfect for our first date. Shall we?

Lincoln, Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed.

Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw En Dwi Gast A.K.A. The Grandmaster from Marvel comics coming after them.

Anna Anyanova: Oh no, En Dwi Gast A.K.A. The Grandmaster.

Lincoln: What the?! I got him.

Lincoln went after En Dwi Gast A.K.A. The Grandmaster and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Grandmaster and he began absorbing him and he assimilated The Grandmaster's Superhuman strength, Superhuman durability, Superhuman speed, Superhuman reflexes, Superhuman agility, Vast psionic powers, Incredible manipulations, Master tactician, Master strategist, Master combatant, Immortality, Mastery of all games, Supreme intelligence, Energy control, Size and matter manipulation, and the Ability to "will" the death and resurrection of another, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold

rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of his energy and he sent The Grandmaster to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the

Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) and the rest of his harem.

Lincoln slowly unlatched his fangs from the right trapeziuses of his harem as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers

Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Arcee (Transformers 2007 Rewrite), Charlie Waston (Transformers 2007 Rewrite), Alice (Transformers Revenge of the Fallen Rewrite), Sari Sumdac (Transformers Revenge of the Fallen Rewrite), Moonracer (Transformers Revenge of the Fallen Rewrite), Sunstreaker (Transformers Revenge of the Fallen Rewrite), Dina (Transformers Dark of the Moon Rewrite), Fem Topspin (Transformers Dark of the Moon Rewrite), Alexis Thi Dang (Transformers Dark of the Moon Rewrite), and Airachnid (Transformers Dark of the Moon Rewrite) are in your harem, Linky.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. En Dwi Gast A.K.A. The Grandmaster came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next Skylanders Adventure.

Nico: So who is next?

Me: Persephone, Gaz, Princess Luna, Snowdrop, Blackout, Knight Mare, Dark Man, Shadow Man and Shield Shelldon. And we're going after Tae Kwon Krow.

Qin: Sweet!

Nico: Yep.

Nicole: You guys will love the next adventure for this one.

We went into the simulator and it activated and we were at Cinnabar Island.

Me: Whoa! So this must be Cinnabar Island.

Qin: Wow!

Ash: Yep this is it.

Nico: It's really hot

Me: Pretty place though.

Qin: Yeah it sure is.

I saw a poster.

Me: What's this? (Reading) "Join the Fire Pokemon Battle Spree. One On One with the Great Fire Pokemon Champion." I got to sign up for that.

Nico: Go for it!

Me: Okay.

Ash: You can do it!

We went to the Cinnabar Island Stadium.

I was standing in the stadium on the arena.

Announcer: And welcome to The Cinnabar Island Great Fire Pokemon Championship! Today we have a great challenge today! The winner who beats the champ will receive this Trophy, a Fire Evolution Stone and a 5 Year Supply of Super Spicy Noodle Soup!

Me: Ooh that's a Cool prize!

Nico and everyone was in the stands watching.

Xenia: Awesome prize there.

Nico: Yep.

Announcer: And here is our challenger! J.D. Knudson - 2nd In Command of Team Loud Phoenix Storm!

Everyone cheered wildly for me!

Me: Thank you everyone! Glad to be here!

Nico: Ash, I know J.D.'s the one battling but bring your Charizard out anyway

Ash: I want to see everyone's reaction first.

Nico: Okay then.

Announcer: And here is the champion!

Out came a hooded figure!

Announcer: It's DAMIAN!

He took off his hood and it was DAMIAN!

EVERYONE BOOED THE HELL OUT OF HIM!

Damian: My fans love me!

Me: So you're Damian! I heard how much of a jerk you are. Also do you remember a kid named Ash Ketchum?

Damian: Who is that?

Ash: (INSULTED) WHY YOU!? I REMEMBER YOU!

Me: Come on Damian! He's right there!

I pointed to him in the stands.

Me: Remember? He battled you and Charmander burned you good?

Damian then had a memory flashback and sure enough it was him!

Damian: YOU! You made a fool of me!

Ash: Now you remember! CHARIZARD!

Charizard came out and he growled seeing him!

Ash: Charizard I promise you will have your payback. But Let J.D. have his fun first.

Charizard nodded but decided to settle for roaring in Damien's face

ROOOOOOOAAAARRRR!

He flew back to Ash!

Me: Sorry sir. Ash's Charizard and Damian have a personal history.

Referee: Oh I see what you mean. Okay Each trainer will only use one Pokemon! Same Rules as Pokemon Battling! Whoever knocks out their opponents pokemon wins!

Me: This will be fun!

Referee: Begin!

Damian: Magmar!

He called out his Magmar!

Me: Cool Magmar!

Damian: Thank you.

Me: Trying to live up to Blaine's level by using his Pokemon style?

Damian: I sure am.

Me: Nice. Now watch this. I only need this one and it's going to be a Legend.

I pulled out my Valor Ball.

Me: Rise from the Flames and Burn with Valor! MOLTRES!

In a massive burst of fire came the LEGENDARY POKEMON - MOLTRES!

Moltres called!

EVERYONE WAS AWESTRUCK!

Announcer: WOW! This is an amazing sight! J.D. has the Legendary Pokemon Moltres!

Me: What do you think Damian? Magmar is going to have a good time battling a Legendary Pokemon isn't he?

Damian: How did you manage to capture the legendary Moltres!?

Me: Oh it's easy. I hatched Moltres from an egg.

Everyone gasped!

Me: It's not just Moltres. I have Articuno and Zapdos too. I hatched them as well.

Damian: You are a true legend!

Me: I get that a lot.

Ash: So that's one of his Pokemon

Nico: He hatched him earlier this morning Ash. Remember?

Ash: Oh yeah.

Abigail Ketchum: That is so cool!

Damian: Well it won't stop us! Magmar use FLAME PUNCH!

Magmar went at Moltres!

Me: Moltres dodge and lets Mega Evolve!

He flew into the air.

I channelled my energy and Moltres Mega Evolved! HE TURNED INTO MEGA MOLTRES!

Damian gasped! HE WAS SHAKING IN FEAR!

Announcer: WOW! Now we are witnessing Mega Evolution! This is a sight!

Damian: What is Mega Evolution!?

Me: You never learned about that did you? Neither have you heard of Z-Moves! Check this out!

I flared up my fire aura!

Nico: He's in for it now!

Qin: This is gonna be intense!

Magmar decided not to go down without a fight

Me: (FLARES UP FIRE AURA!) BURNING WITH THE INTENSE FLAMES OF THE PHOENIX! FLAMES OF JUSTICE! FLAMES OF VALOR! RAINING DOWN WITH THE FIREBALLS OF THE REKINDLING FIRE! FEEL THE BURNING POWER OF MY Z-POWER! BURN WITH THE FIRES OF RENEWAL! USE INFERNO FIRESTORM SKYSTRIKER!

MOLTRES SPUN AROUND AND FORMED A MASSIVE BALL OF FIRE AND THEN 10 TORNADOES OF PURE FIRE SPUN DOWN AND THEY SMASHED ONTO MAGMAR AND THEN...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A MASSIVE AND POWERFUL FIERY EXPLOSION BLASTED OUT AND THE POWER FROM IT WAS PHENOMENAL!

Nico: HOLY SHIT!

Eli: UNBELIEVABLE!

Qin: THAT WAS INTENSE!

When the smoke cleared, Magmar was really mangled up!

Announcer: WOW! THAT WAS ABSOLUTELY PHENOMENAL FOLKS! J.D. DEMOSTRATED A FANTASTIC DISPLAY OF AN EPIC ALOLA REGION Z-MOVE! But Magmar is...

Then he fainted!

FWOMP!

Referee: MAGMAR IS UNABLE TO BATTLE! J.D. AND HIS MOLTRES WIN!

EVERYONE CHEERED WILDLY FOR ME!

Eli: WAY TO GO BRO!

Xenia: WOW!

Announcer: THAT WAS A FANTASTIC BATTLE! J.D. WINS! J.D. HAS DEFEATED DAMIAN AND HIS MAGMAR!

I was given the trophy, the stone and the Noodles.

Me: I am truly honored! But Damian you obviously haven't been taught about Z-Moves. They are the most powerful moves any kind of Pokemon can muster and it's the true example of humans and Pokemon working together as one. Something you need to work on.

Damian: YOU!

Ash: (smirks) Damian, Charizard would like to have a word with you.

Charizard roared!

Damien: Mommy...

Nico: We'll leave you to get reacquainted

Charizard blasted him with intense fire and burned him bad! Then...

KRASMASH!

He got swatted with a massive tail swat from Charizard and went flying far!

TING!

Nico: I bet that felt good.

Ash: It did.

Charizard roared in relief and happiness.

Me: Way to go Moltres! You did great!

Moltres called in happiness and love.

Nico: You did really awesome J.D.! Great job to both of you!

Xenia: Yeah!

Me: Thanks! That was so much fun. We need to do battles like this more often.

Nico: I agree there.

Ash: One Skylanders adventure, we should visit Tara's school

Me: That's not a bad idea.

Nico: That or on a rescue.

Me: Keep a rescue option open for that. I got something epic planned for tomorrow.

Nico: Okay. What are you gonna do with all those noodles?

Me: Have me and my future wives share them.

Celica: Oh thank you so much J.D.

Me: No problem.

I beamed them to my room. I have a special pantry in my room.

Then...

FAMILIAR CALL!

Camie: LOOK UP THERE!

We saw another Moltres! But it was made of Fire and Intense Lava and Heat!

Me: WHOA! That Moltres is hotter than anything we know!

Lincoln: Oh man! That's Blaine's Akuma, Wildfiremoltres!

Me: WHOA! He looks like he is too hot to handle!

Nico: No kidding! The heat coming off him is unbelievable!

He landed and called!

Qin: WOW! He is really ot!

HE THEN FIRED A MASSIVE AND INTENSELY POWERFUL BLAST OF FIRE FROM HIS MOUTH AND WE ABSORBED THE FIRE AND IT SUPERCHARGED US!

Qin: HOLY SHIT!

Me: SUPER INTENSELY HOT!

Nico: We need lots of water!

Moonfall Tsunami: Let me cool him down.

She went up to him.

Moonfall Tsunami: (FLARES UP WATER AURA) FROM THE OCEANS AND SEAS OF THE WORLD! WITH THE WATERS OF PURIFICATION! THE STORMS THAT REPLENISH THE LAKES AND RIVERS AND SEAS! FEEL THE WATERS OF PURITY WITH THEIR AWESOME Z-POWER! UNLEASH THE CARESSING BEAUTY OF THE SEA! HYPERCANE STORMFLOOD!

She formed a huge water cyclone and formed a MASSIVE storm of unprecidented power and strength with lightning, water, rain, storms and wind of incredible power and drenched him in water and wind and knocked him out instantly and a huge cloud of steam came off him as he was knocked out!

Nico threw the Akumaball and caught him!

Me: YEAH!

Qin: Nice job Moonfall! That was awesome!

Moonfall Tsunami: YEAH!

Nico: That was hot!

Me: NO KIDDING! That leaves only Giovanni's Akuma and we'll move on to the Johto Region.

Nico: Yep.

?: Wow! What great fireworks!

We saw TAE KWON CROW!

Me: Tae Kwon Crow! Enjoy the fireworks?

Tae Kwon Crow: And I enjoyed the previous show

Me: Glad you enjoyed it. That was some of the best fun ever. Damian was too stupid to know anything about Mega Evolution and Z-Moves.

Ash: He sure was and Charizard got some well deserved payback.

Charizard roared.

Tae Kwon Crow: Excellent! And congratulations on your victory! Lets dance!

Blackout: DARKNESS FALLS!

Knight Mare: NOWHERE TO HIDE!

We were ready!

Me: First this

I beamed my trophy into my trophy case and had the Fire Stone sent to my room.

I then clashed with him!

CLANG CLANG CLANG CLANG CLANG CLANG!

Tae Kwon Crow: Should've sent the others after me while you had your battle

Me: Now where would the fun in that be? I wanted everyone to have a good show too.

I clashed more.

We fired blasts of darkness and energy and smashed him all over the place.

Shield Shelldon clashed with his swords!

CLANG CLANG CLANG CLANG!

Shield Shelldon: Not bad for a clam!

Persephone: Lets bring some teamwork!

Persephone, Gaz, Princess Luna, Snowdrop, Blackout, Knight Mare, Dark Man, Shadow Man and Shield Shelldon: DARKNESS SKYNIGHT BLAST!

They fired a massive blast of darkness and blasted him down!

TAE KWON CROW DEFEATED!

He tried to crawl away.

Princess Luna: Thou must be joking if thou can get away.

She held up a Grey Dark Trap and a black vortex formed and sucked him in.

Tae Kwon Crow: "Why did my name get changed to Tae Kwon CROOOOOOOOWWWW...?!"

He got locked into it.

Tae Kwon Crow: "Who dares beat me at Skystones Smash, defeat my minions, and now capture ME!? I still want to know!"

TAE KWON CROW TRAPPED!

Princess Luna: That would be me Princess Luna, Princess of the Night and Princess of the Dark Skylanders. Now if you know what's good for you, you will be good from now on.

Tae Kwon Crow: "The Great Hawkmongous accepts his fate. And his new name of Tae Kwon Crow. Pretty cool actually.

Me: That I can agree on. Also Spyro I never played Skystones Smash. Can you show us sometime?

Spyro: We sure can.

Me: Cool.

Crawling on the edge of the canyon with all the energon, we saw the boulder that lead to the cave of the Dark Order of the Darkhundred Acres.

Me: That must be it.

Eli: Yep that's it.

Then we saw the boulder move and it opened.

We saw some dark figures in hooded cloaks come and they had a cage with a woman in it. They were chanting some kind of ominous language.

Me: There they go.

Emma Frost: The mascots are going to enjoy freaking out here

Me: No kidding.

We went into the cave and followed quietly.

We were invisible.

We then got to the main chamber and saw an arena. We saw all the members gathered and they were going to sacrifice the woman to THE BLOOD AND HONEY VERSIONS OF POOH AND FRIENDS! But what they didn't know however was that their so-called gods were banished to the Black Abyss months ago.

Me: (Whispering) This cult is disgusting.

Qin: (Whispering) Yeah no kidding.

Misty Brightdawn: (whispering) Zak, me, the Pipsqueaks, and Xion will never regret meeting you

Zak Storm: (Whispering) I know. That as so much fun. We had a lot of great fun.

Me: (Whispering) We sure did.

The cage was brought to the altar.

Then out came VINCENT PRICE VANVALMONT!

Nico: (Whispering) Vincent.

We saw them about to sacrifice the woman.

Kole (to the mascots): Let them have it!

ZOOOM!

THE MASCOTS FLEW AFTER THEM FASTER THAN BULLETS FIRED FROM A GUN!

Mascots: (TARZAN YELLS!)

A MASSIVE BLOODBATH AND SLAUGHTERFEST ENSUED!

BLOOD AND GUTS AND ORGANS SPLATTERED EVERYWHERE AND IT WAS A BRUTAL CARNAGE FEST!

SPLAT!

Me: OH THE INHUMANITY!

Nico: SO BRUTAL!

MANY OF US LOOKED LIKE WE WERE ABOUT TO THROW UP!

TWILIGHT SPARKLE AND FRIENDS THREW UP!

Fluttershy: (VOMITS)

Lilja and Winter Breeze helped Fluttershy.

Lincoln comforted them.

Me: SO BRUTAL!

Seashell: We helped you in 4 of your adventures

Zak Storm: You all sure did!

Glory: That was so fun!

Peach Fizz: We all sure had fun!

Zak Storm: That was fun!

BLOODY SCREAMS!

Mascots: LOOK AT IT!

Apeface: Hey, guys. What do these dumbasses need to do?

Me: Obviously make a sacrifice.

The mascots killed all the cultists except for Vincent!

Nico: I'll face Vincent. You guys free the girl.

Me: Okay.

We went over.

Mascots: (Panting) LOOK AT IT!

Nico: Vincent!

He saw Nico!

Vincent Price VanValmont: Well hello Nico. Been a long time.

Nico: I wish I could say the same. I just can't believe you could be this evil.

Vincent Price VanValmont: You all destroyed a great god!

Me: For your information! Those monsters were childhood memories destroyed!

Eli: That's right!

Me: And another thing? Our little friend here killed your masters!

Qin: That's for sure and they were abominations!

Vincent Price VanValmont: YOU ARE BLASPHEMORS!

Me: Look who's talking!

Xion: We even killed Lavos.

Zak Storm: Thank goodness.

Lucca: Yeah no kidding.

Broadside: (to the mascots) Tell the asshole what he needs to do.

Poromon: YOU WANNA SEE SOMETHING SCARY?! SCARIER THAN KILLING KIDS!? Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Me: He did and died.

We banished the entire cult to the Black Abyss.

Me: Good riddance.

The woman was saved. She was unconscious.

Varie: Lets get out of here.

We and got out fo the canyon.

Me: Whew.

We went to the park.

Me: Glad that's over.

Poliwag: LOOK AT IT!

Nico: Guys calm down. it's over.

Qin: Yeah.

Poromon: Sorry.

Lola: Yeah.

Me: Hey Nico see that tree?

Nico: Yeah?

I grabbed Nico's face and shoved it in my butt and then...

LOUD MASSIVE AND EXPLOSIVE FIERY FART!

It blasted him into the lake!

SPLASH!

I LAUGHED HYSTERICALLY!

Nico: Oh very funny!

Manaphy: What's next? Another Twisted Childhood Cult?!

Me: Manaphy don't jinx it. But it won't be for a while. Lets hope.

Qin: Yep.

Horsea: Here's hoping

But then 2 Shadow Balls flew in and blasted Nico in his face!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

Nico was in pain!

Nico: OW!

Lola: Whoa!

Qin: Look!

We saw 2 Umbreon!

Me: 2 Umbreon!

Nico: Where did they come from?

Me: One of them must be Dark Gale's work.

Sheena: The Umbreon on the right is a girl named Luna Umbreo. The Umbreon with her is her partner.

Mewtwo gasped when her name was mentioned.

Poliwag: Something wrong?

Mewtwo: Luna Umbreo is a Pokemon Trainer and she defeated me.

We gasped!?

Me: She defeated you!? How?

Mewtwo: It was years ago.

* * *

Luna Umbreo: Okay Umbrea use Double Take and then Future Sight!

She formed numerous clones and her eyes glowed and it showed the future.

Mewtwo was about to use his power. Then she smashed into Mewtwo's belly and then a wind was felt and then a massive energy blast smashed into Mewtwo and exploded!

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

He was defeated in a powerful explosion!

When the smoke cleared, Mewtwo was defeated! She won!

FLASHBACK ENDS

Nico: WHOA! That is amazing!

Horsea: Well, she WAS a Dark Type

Mewtwo: That's true.

Me: Lets go save her.

We went over.

Mewtwo: It's okay Luna.

She used Shadow Ball and we dodged it.

Me: Whoa! Okay then.

I snapped my fingers and she reverted back. She was a girl with black hair and purple eyes and had black angel wings and had Umbreon on her forehead and had a purple crescent moon with a wolf on her arm as a cutie mark. We wrapped her in a blanket and brought her over.

Me: There.

Then I felt a nuzzle and saw a Grey Wolf nuzzle my arm.

Me: Wow a Grey Wolf! You're pretty.

The wolf nuzzled Luna.

Me: She must be her wolf friend.

She used Shadow Ball and we dodged it.

Me: Whoa! Okay then.

I snapped my fingers and she reverted back. She was a girl with black hair and purple eyes and had black angel wings and had Umbreon on her forehead and had a purple crescent moon with a

wolf on her arm as a cutie mark. We wrapped her in a blanket and brought her over.

Me: There.

Then I felt a nuzzle and saw a Grey Wolf nuzzle my arm.

Me: Wow a Grey Wolf! You're pretty.

The wolf nuzzled Luna.

Me: She must be her wolf friend.

She woke up.

Luna Umbreo: (Groans)

The wolf licked her.

Luna Umbreo: Mikai. Good to see you. What happened?

Me: Well you were turned into an Umbreon by Dark Gale.

Luna Umbreo: Oh man. I was finished battling Mewtwo when that happened.

Me: Mewtwo told us all about that. Long story.

Luna Umbreo: I can see.

The Umbreon sat beside her.

Me: Is that Umbreon yours?

Luna Umbreo: Yep. Her name is Umbrea. Raised her since she was an Eevee. She turned into Umbreon under the full moon.

Me: Wow!

Luna Umbreo: Yep. And this wolf here is my friend Mikai. Found her as a puppy and raised her.

Me: Wow that is amazing.

Nico: That's how Umbreon are made

Me: Yep.

Luna Umbreo: That's right.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new black clothes and a moonlight sword.

Luna Umbreo: Wow I look great.

Me: You sure do.

Luna Umbreo: Yep. Uh why are the masots covered in blood?

Misfire: One sentence can describe it.

Manaphy: Look at it!

Luna Umbreo: What?

Me: Long story.

We told her everything.

Luna Umbreo: Oh barf!

Horsea: Look at it!

Nico: We get the idea guys.

Horsea: Sorry.

Qin: Yeah.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Horsea: I hope the victims will be okay.

Me: Me too.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Ding Dong Daddy, and he's on Cascareau and he's here for a race. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come out, Ding Dong Daddy.

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Ding Dong Daddy, and he's on Cascareau and he's here for a race.

EVERYONE GASPED!

May: So, that's where he's gone to, and he's challenged us to a race!

Caleb Maxwell: Oh God, that's no ordinary race he's challenging us to! Mom's seen this before when she was a teen, this is Street Racing from the 1950s.

Me: Uh oh, I've heard about them! Luckily, our cars can also turn into any kind of vehicle. So, he wants to race 1950s style eh? Alright, then, we accept.

Nico: Damn right we do. Alright, guys, let's get our cars and head to Cascareau, let's show this 1950s racing fiend who rules the road!

Lincoln: We haven't had a race in a long while, this is gonna be awesome!

The previous group came.

Firefly: Can me, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Cad Bane, Vortex, Killer Shrike, and Wolf go with you guys?

Nico: Yes you all can come with.

Me: Ding Dong Daddy made his move again. He's on the planet Cascareau.

Lola: Overflow's home planet

Carnivac: Boss, which Gene Slammer do you think you'll meet next?

Nico: Hmm... Elemental HERO Shining Flare Wingman next.

Me: Shining and fiery,

Qin: Yep.

Lola: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous

white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Dark Emperor, the overarching antagonist in the Find Mii series, he's come back from The Black Gates and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: The Dark Emperor, the overarching antagonist in the Find Mii series, he's come back from The Black Gates and he wants revenge.

Nicole: Two years in The Black Gates has made him absolutely sore at us.

Aoi Malefic: Lincoln, I hope you absorb him.

Lincoln: I will, he's gonna pay for what he's done.

Nico: A monster like that doesn't deserve to live. Alright, team, let's get going to Cascareau and take Ding Dong Daddy down!

Lincoln: And send him riding to The M.O.E., and once we get done with him, you're next, Dark Emperor.

Aoi Malefic: All the crimes you've committed can never be forgiven, Dark Emperor, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Cascareau to win the race and take down Ding Dong Daddy, and once we get done with him, Aoi Malefic and Lincoln are going to take down The Dark Emperor and Lincoln's going to absorb him.

We were off to Cascareau

We arrived. We were getting our cars ready for this.

We looked outside too.

Me: So this is Cascareau. Wow! Look at the vortexes of water going up to the planets mons.

Nico: That is so cool.

Plastique: Let's call Salami Swami.

Me: Good idea.

We did so.

Salami Swami: I'm here guys.

Me: Cool!

Sid Arkale: This is the second time we've had a race thss year.

Rubanoid: I thought Tecna's day was going to be the only one

Me: But this will be a fun one.

Qin: It sure will.

Tecna: (British Accent) I agree there and it will be fun too.

Lola: Yes it sure will.

Whiteout: You know, in all the excitement during Beast Boy's day, you never told us about Ding Dong Daddy

Me: I agree.

Robin: Well he stole something precious from me.

He told us about what happened and what went down the first time.

When he was done we were shocked.

Me: Whoa man!

SpongeBob: I hope the case doesn't have a photo that's embarrassing.

Me: That's good. As long as it's not a photo of Robin kissing Cyborg full on the mouth.

Nico: That would be completely humiliating.

Xenia: It sure would.

WE LAUGHED!

Robin: (LAUGHS) No it's not that.

Cyborg: Yeah no one would want to see that.

Me: Good.

Ghost: Ding Dong Daddy is pretty much the only Brotherhood of Evil member left

Me: Yep. And this will be perfect for our cars.

Qin: It sure will.

Me: Thank goodness we modified them to turn into boats and jets and starships whenever needed.

Xenia: Wow!

Nico: Good thinking.

Sinnertwin: Us Cybertronians are going to use our Alternate modes

Me: Good idea. But most of you guys are not equipped for water. Most of you are car transformers.

Nico: Yeah. There are jets for you.

Armada Starscream: That's true.

Thunderblast: I'm a boat so I'm well adapted.

Tidal Wave: Tidal Wave can do it.

Energon Mirage: Mirage capable.

Me: Cool.

Seaspray: I can too.

Me: Good.

Blockade: I wish the Seacons were here.

Gearhead: Better get a car for myself

Me: LUCKILY we improvised.

I pressed a button on my device and the ship unloaded numerous huge cars like ours for the transformers.

Hot Shot: COOL!

Optimus Prime: What are these?

Me: These are your own versions of our cars for these kinds of situations.

Optimus Prime: Awesome!

Laney: Good idea!

Cybertron Metroplex: (Scottish Accent) Well done in making those laddie!

Nico: When did you make those?

Me: Finished them after our last race we did last year. Saved it for something like this.

Nico: Wow!

Poromon: You didn't show these during Tecna's day

Me: Yes I apologize. So caught up in everything.

Poromon: Oh. Okay.

The bell rang.

Me: Oh time to start.

We got into our cars and revved our engines up.

Me: Here we go. Ding Dong Daddy is probably waiting for us.

Billy Natson: ANNND Welcome to another momentous race in racing history. Hello everyone I'm Billy Natson and we have an amazing show for you all today. We're here on Overflow's home planet Cascareau in the Andromeda Galaxy and we're here for an amazing race around the planet to the planets south pole. WOW! With us we have our very own Team Loud Phoenix Storm and their amazing frenemies the Masters of Evil! You all ready for some fun!?

We cheered!

Me: Always ready Billy! I love good races like this!

Billy Natson: Good spirit there! Always love it! Lets get this party start!

We were ready!

Krysta: RACERS TAKE YOUR MARKS!

She held up the green flag.

Krysta: GET SET...

WE WERE READY!

Krysta: REV UP AND GOOOOOOO!

She waved the flag as we gunned it and turned our cars into boats and zoomed out of there!

Billy Natson: AND THEY'RE OFF!

Seaspray transformed into his vehicle mode.

We were driving our boats and more.

We saw that the planet was covered in raging hurricanes and had all kinds of predatory creatures and pirates.

Me: WHOA!

We saw the vortexes of water go up to the planets many moons.

Me: WOW! Overflow your home planet is one intensely treacherous world!

Overflow: Yeah my home planet is loaded with torrential hurricanes and pirates are all over the place. Pirates are after the materials they need for our armor called Serpent Glass. And like Earth we always are in constant battle with each other. We gather our materials we need from the rock spires that poke out of the water like a sore thumb.

Me: Wow! That is amazing.

Nico: Scary too!

Overflow: It sure s. But the rewards we get out of it is amazing.

Horsea: So cool!

Qin: That is for sure!

Laney: I'll get some photos.

She did so.

Me: This calls for some good music.

I played Dead Man's Curve by Jan and Dean.

Me: Oh yeah! Perfect for this!

We gunned it and got to the halfway mark!

Billy Natson: And our competitors are at the halfway mark folks!

Me: Should be time for the Akuma and the battle to start.

I pulled a lever and most of our boats merged and formed the big arena.

Me: WOW! It's scarier outside than on the inside!

Suddenly, Lincoln had a massive nosebleed and was sent flying into the air and landed down minutes later!

Me: Uh oh, hot Akuma alert?

Lincoln: Yep. Her name is Kole Nightamethyst, the Hypothetical Akuma of Kole and she is a smoking hot voluptuous bikini babe and has crystal powers and jewel powers of intense magnitude and beauty. She was made because of Dr. Light using her as a generator for him and vowed to destroy him. But she is also going to be in the Redemption Squad and the M.O.E.

Lincoln got out his sketchbook and we saw what she looks like: a smoking hot voluptuous bikini babe with a crystal crown and enormous angel wings with crystals!

Me: WHOA! HUBBA HUBBA!

Nico: And she's on Cascareau, but that means...! Uh oh!

Lincoln: Yep, she's gonna come after Dr. Light, but the one from her world. (Sensed him) AHA! Gotcha, varmint!

Lincoln symbiote slime tentacles with leech mouths and they latched onto the Dr. Light from Kole Nightamethyst's world and he sucked him dry of all his blood, nutrients, and powers of light, and when Lincoln was done and they went back into him, Dr. Light from Kole Nightamethyst's world was reduced to a mummified corpse, and his body exploded and was sent to The Black Abyss.

But, suddenly, Lincoln's cheeks and muzzle turned a blazing red when he felt two hands on his pecs.

Lincoln: Uh, guys, why did it suddenly get a little hot in here?

?: (Seductive Voice) Maybe you should be asking yourself that, Linky.

Caleb Maxwell: She's right behind him!

Suddenly, Lincoln turned around, and he saw her: Kole Nightamethyst, Kole's hypothetical Akuma.

Kole Nightamethyst: (Seductive Voice) Well, hello, big, tall, buff, and handsome wolfman. You like what you see?

Me: WHOA! HUBBA HUBBA!

Qin: Kole you look amazing in that bikini as well as having those jewel wings.

Rarity: And the Crystal Crown is absolutely beautiful on you darling.

Kole Nightamethyst: Thank you so much.

Quake Woman: How are you able to breathe underwater?

Kole Nightamethyst: Like all of you guys I can do that.

Me: Wow!

Lincoln could only nod, but then...!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his deep blood red eyes with the slit pupils became more intense: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

Then, Lincoln snapped his snapped his fingers and the 950'11", handsome and extremely muscular wolfman was in a large orange and white speedo with a Thunderbird and lightning bolt surrounded by elemental forces and stars on it with intense rainbow flames coming off the speedo, that caused Elemental Seductress to blush madly, and she began rubbing every last massive and infinite-times hard muscle on his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made her go even more wild, and he let out a manly wolf growl of pleasure from their touches as she rubbed his massive pecs, biceps, forearms, legs, and twelve-pack abs.

Kole Nightamethyst: (Swooning) So manly...! And so nice and hard.

Then, Lincoln flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and Elemental Seductress felt them for herself and her atomic red blush on her face became even more hotter and more intense.

Kole Nightamethyst: And they're also throbbing with raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

She couldn't help herself as she continued rubbing his body.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)(Seductive Beastly Gruff Manlier Voice)(Smirks) Like what you see, babe?

Kole Nightamethyst could only nod.

Me: Oh Lincoln you dawg you.

Molten Man: Kole? Is that you?

Me: I think we just confirmed it already is.

Qin: Yep.

Kole Nightamethyst: (Thinking) And he also lets out such a manly wolf roar too? (Licks her lips)

Me: Uh oh...!

Suddenly, Lincoln pinned Kole Nightamethyst to the floor.

Lincoln: (Beastly Gruff Manlier Voice) Gotcha.

Kole Nightamethyst: (Smirks) Really?

But, suddenly, she feels as though she was being overwhelmed by Lincoln's power as she suddenly wrapped her legs around his waist, but he still had a smirk on his face.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) Well, well, someone's a little eager to make out.

Then, Lincoln wrapped his massive muscular arms around Kole Nightamethyst's waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Kole Nightamethyst: (In Heaven) What...a...beastly...and manly...wolfman hunk!

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Kole Nightamethyst with pink gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Kole Nightamethyst: (Rubbing Lincoln's massive hairy pecs) Who could've guessed the 11-year-old boy would grow up into a tall, gigantic, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you're also quite the seductive beast especially in a speedo. (Seductive Voice) Though I wonder what you also got hidden underneath as well.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Kole Nightamethyst: (Smirks) Well, well, looks I've aroused quite the beast. We'll have plenty of time tonight to connect in a more...intimate way.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) Trust me, there'll be plenty of time for that later on tonight. That I promise.

Lincoln kissed her on the lips once more.

Me: Lincoln you are a charmer. RAWR!

Salami Swami: Are you calm now?

They were kissing more.

Me: Give them a few minutes.

Pipp Petals: Oh my glitter this is so totes adorbs!

Leni: I was totes thinking the same thing!

Pipp took some pictures on her phone.

Me: Okay you two lovebirds we got to battle.

They got up.

Lincoln: (Blushes) Oh uh sorry.

Me: No worries.

Kole Nightamethyst: Shall we?

Me: Lets shall.

I fired waves of energy and blasted her all over.

She formed a Crystal Wall and Salami Swami sent Salami's and they smashed against it.

Kole Nightamethyst: After this I could go for a sandwich.

Salami Swami: I can provide on that.

Kole Nightamethyst: My turn.

She fired waves of diamonds and I grabbed them with my hands.

I fired waves of energy and smashed her down.

Me: Yeah!

We helped her up.

Me: Sorry about that.

Volt Luster: We should put on some music.

Brontes: I got just the thing!

Brontes turned on The Great Pretender

Me: Good song choice.

They had a romantic dance too.

WE WERE IN AWE!

Pipp was filming it on her phone.

Me: So awesome.

Cad Bane: Let's continue the race.

Me: Right.

Lincoln: Alright, everyone, gather around.

We joined Lincoln and he pulled up a hologram of Cascareau, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Ding Dong Daddy, and we're racing against him here on Cascareau.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, the spirits of The Teen Titans and the racers of the 1950s appeared and they attacked Ding Dong Daddy with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon, then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Nico: Gotcha now, Daddy-O!

Ding Dong Daddy: Race ain't over yet, bub!

Caleb Maxwell: It's about to be over! (Smirks) When my friends from Hell join in! (LAUGHING MANIACALLY)

Suddenly, demon 1950s greasers from Hell rose and they were about to attack Ding Dong Daddy, but the water vortexes of Cascareau and the water itself caused them to burn and turn to ash as they're sent back to Hell!

Caleb Maxwell: What the?!

BONK!

Allie Maxwell whacked her older brother on the head with a rolling pin.

Allie Maxwell: Everyone knows demons and water don't mix!

Vortex: Wanna continue where we left off?

Ding Dong Daddy: Dig it daddyo!

Me: Better give us that case you stole from Robin or else you're going to end up like what happened on the Day The Music Died.

HE GASPED IN SHOCK!

Ymir: The Day the Music Died?

Luna: It was a tragic day back in the 1950s dude.

Nico: During a snowstorm, the plane carrying famous singers Big Bopper, Richie Valens and Buddy Holly crashed and killed them all.

Ymir: Oh man! That is sad!

Me: It was.

Red Hood: You don't steal from a Robin, pal!

Ding Dong Daddy: Oh you Swingers will learn not to mess with me! Dig it?

POW!

I punched him down and I caught the case!

Me: Got it!

I kicked him down.

Ding Dong Daddy: (to Kole) I also remember how you crashed my car. REALLY not cool, man.

Kole: Your car was trash!

Killer Shrike: To be fair, you DID help to try and freeze her and the other Titans

Me: And that is what lead to the demise of many of the Brotherhood. They all had it coming. Except for some. Also You are not going to die. You are going into the M.O.E.

Qin: That's right!

Me: Dig that Radioactive goal dude?

Ding Dong Daddy: Really?

Motormaster: Well, you're a kind chill guy. And it's a shame I couldn't race with my vehicle form

Me: Well we still are having fun. Also dig this! NIGHTMARE STYLE NINJA ART: DARK RACE AROUND DEAD MANS CURVE!

I fired a wave of darkness and it formed into a dark race track and a demonic car went down the track and smashed him down and flattened him.

CRASH!

Me: Nasty!

Nico: Clever!

Me: Yep.

Maria: Before I forget. (TURNS DIAL) WATER DRAGON FORCE

She summoned Rayza (A.T.O.M.), Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant.

Me: Good idea.

Wolf: By the way, did the Brotherhood ever send you after a specific Titan when they launched their first assault?

Ding Dong Daddy: They sent me after Kole and Gnarrk.

Kole: Good thing it's my day then!

Me: Talk about convenient dude! You know after this race is done I'm game for a retro diner.

Nico: Good idea. But later on that topic.

Ding Dong Daddy: But I got lost in the snow and Gizmo and Billy Numerous beat me to it

Me: Good thing the other titans beat you all.

Qin: Yep. And we destroyed the Brotherhood forever.

Poromon hopped into his car!

Poromon: HEY NICE CAR!

Ding Dong Daddy: Not cool! No free rides!

Cybertron Lugnutz: The guy is as cool and laid back as me dudes.

Nico: Poromon, your car's right over here

Poromon: I was just being silly!

Poromon flew over and went into his car and he pressed a button and out came some hands and they grabbed Ding Dong Daddy!

Poromon: Taste this!

He pressed another button and then the hands gave him an atomic wedgie!

HOING! SNAP!

Poromon: I haven't forgetten about my car!

Me: Good.

I then pointed my butt in his face!

Me: GOODNESS GRACIOUS GREAT BALLS OF FIRE!

LOUD MASSIVE AND INTENSELY EXPLOSIVE FIERY FART!

I farted a blast of fire in his face and it burned him bad!

Qin: THAT WAS FUNNY!

Xenia: (LAUGHS)

Nico: YEAH!

Lola: Take that!

Carbink charged at him and blasted him with Jewels!

Kole: Lets bring the jewels!

Kole and Kole Nightamethyst: JEWELED DOOM BURST!

They fired waves of energy and jewels and blasted him down.

Luna Umbreo: Lets do it!

Luna and Mewtwo: SHADOW PSYCHIC DOOMBLAST!

They fired waves of darkness and shadow energy and blasted him.

They blasted him intense!

Me: Also we know you are hiding someone!

Ding Dong Daddy: Bro what do you mean?

Me: Don't play dumb Daddy-o!

Nico: WHERE IS SHE!?

?: HE MEANS ME FUCKFACE!

Tessa Ellingston: (GASP) I know that voice!

Out came a woman wih brown hair and brown eyes and had a red prison jumpsuit on!

Tessa Ellingston: (GASP) Jenna Vesskerton!

Me: Wait you mean the former President and CES of Vesskerton Enterprises! The boss from hell!?

Tessa: That's right. She is my mother's Ex-Boss that she sent to prison for all kinds of HORRIFIC forms of labor abuse. I sent her to prison for life and she vowed revenge on Tessa.

Firefly: Wait you mean the very woman that was declared as the Boss from Hell?! Who did all kinds of horrible crimes like murder, treason and many crimes against the country all for money!? I remember reading all about her in the news! I didn't know Tessa did that!

Me: No kidding! She was a monster!

Tessa: You wouldn't believe what she did! What she did was absolutely horrible! She treated her employees like dirt! She made sure they all suffered and even wouldn't let a pregnant woman go to the hospital as she went into labor! Also she wouldn't let someone who is sick go home! Then she even stabbed woman in her head and killed her by throwng her into a wood chipper!

WE GASPED IN SHOCK AND HORROR!

Me: YOU ARE SICK!

Ding Dong Daddy: This girl is not cool!

Me: She got sent to death row for all that!

Xenia: I'll help you take her!

Nico: I'll do it too!

Pantha: Count me in too!

She then growled and turned into a black version of Quarry-B! She was called ANTI-QUARRY-B!

Me: WHOA!

They fired waves of energy and blasted her all over the place!

I fired an energy blast and separated her and we scanned Anti-Quarry B and banished her to the black abyss.

I gave Tessa my gun.

Me: Send her to hell.

She then went over and Jenna looked in rage. She was starring down the barrel of my gun.

Tessa: YOU'RE FIRED!

KRABANG!

SHE BLEW HER ENTIRE HEAD CLEAR OFF HER SHOULDERS AND KILLED HER INSTANTLY!

She was dead and banished to the Black Abyss!

Me: That is one dangerous boss done.

She gave my gun back.

Poromon: Who do you consider a sibling?

Tessa: Pantha because she has been teaching me a lot of fighting and mroe and all that.

Me: Cool!

Pantha: She is tough like me.

Me: Yep.

I punched him.

Me: Take that! Also you know what is scarier than movies from the 50s? Teddy Bears and Pigs on a killing spree!

Ding Dong Daddy: All of you I'm cool with. (To Caleb Maxwell, Allie Maxwell, Tyler Maxwell, and Alexander Maxwell) But, you four, you guys I have a problem with. You four give off a bad vibe and it's not cool. You two younger male brothers have that fierce protection that also gives off a truly violent vibe same with the little lady. (To Caleb Maxwell) But, you, the elder brother, you give off truly toxic vibes which is quadruple-plus uncool. You already have oceans of blood on your hands and you live and breathe evil and you're also completely unhinged and violent which makes your siblings just as unhinged and violent as you, and that's the truth, baby!

That pissed Caleb off despite it's the truth!

Caleb Maxwell: What?! The?! Hell?!

Nico: Oh, that is not good. You may have said the truth, but to Caleb, that pisses him off and he reacts in a...very demonic way.

And just as Nico said that, a rain of blood began raining down!

Caleb Maxwell: No one dares to speak to me and my siblings like that and lives! (CHARGES RIGHT AT DING DONG DADDY) (DEMONIC VOICE) I WILL RIP OUT YOUR THROAT AND TEAR YOUR HEAD CLEAN OFF YOUR SHOULDERS, YOU ANNOYING GNAT!

Caleb Maxwell was about to attack and slaughter Ding Dong Daddy, but Lynn charged in and did a powerful roundhouse kick right at Caleb's stomach and sent him flying right into his other siblings and they crashed into each other like bowling pins!

Lynn: Like Ding Dong Daddy said, that was just absolutely uncool.

Allie Maxwell: Lynn! YOU DIRTY APE!

Tyler Maxwell: When we get Caleb off us, you're gonna be in so much trouble!

Alexander Maxwell: And once we reprimand you, YOU ARE NEXT, DING DONG DADDY!

Lincoln: Oh, shut it already, you four bloodthirsty animals!

THUNDER RUMBLES! LIGHTNING CRASHES! SCREAMS!

Lincoln summoned a thunderstorm and those four got hit by a bolt of lightning that electrocuted them and they wound up getting frizzy hair, and The Big Claw Gang was laughing and hooting like jackals at them!

Marlene Maxwell: Well, I can't say I saw that coming.

Nico: Well, at least, Lincoln stopped them from doing something really bad, but they're gonna get pissed off when this is all over.

Jared: Remind me to have you three destructive muttonheads thrown into a pile of Lynn's sweaty gym clothes for this! And you, Caleb, I guess you've finally given back into your dark and destructive desires, remind me to stuff you in a dumpster when this is all over!

Lincoln, Nico, and Me: SEE YOU IN THE CROSSROADS BETWEEN HEAVEN AND HELL!

Lincoln, Nico, and I attacked Ding Dong Daddy with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Ding Dong Daddy was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed The Dark Emperor, our secondary target who was then put into suspended animation until later.

Ding Dong Daddy: With pleasure.

Ed Cowart and Ding Dong Daddy ended up racing all the while 1950s music plays on Ed Cowart's radio. Then, Ed Cowart threw a cherry pie at Ding Dong Daddy, then Ding Dong Daddy threw a chocolate cake at Ed Cowart, then Ed Cowart fired The El Mongo Stink Bomb at Ding Dong Daddy, then Ding Dong Daddy fired a massive air refresher scent bomb that smelled of cherries and they finished by firing a massive water balloon that had honey and bird seeds at each other which attracted birds that pecked Ed Cowart and Ding Dong Daddy all over.

Luna was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Nancy and Abigail.

Abigail Ketchum: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Pikachu and Umbreon. They transformed and blasted him with lightning and darkness and smashed him all over.

Me: You thought the Blob was scary, this will burn! NIGHTMARE STYLE NINJA ART: ATOMIC GAZE OF THE PALEOSAURUS!

My eyes glowed and a flash of lightning blasted and I fired waves of intensely powerful radiation at him.

OUR GEIGER COUNTERS WENT OFF INTENSELY LIKE MAD!

Then Ding Dong Daddy emerged from that burned to a crisp!

Nico: YIKES!

Me: The Giant Behemoth from 1959. Nasty.

Qin: Yep.

Poromon pecked him.

POINK POINK POINK POINK POINK POINK!

Me: YEAH! Watch this. NIGHTMARE STYLE NINJA ART: SILICON ABSORPTION OF THE MONOLITH MONSTERS!

I touched the floor with my hand and then HUGE BLACK CRYSTALS GREW IN SECONDS AND THEY SUCKED OUT THE SILICON IN DING DONG DADDY! HE TURNED INTO STONE!

They vanished.

I knocked him over and then...

CRASH!

He fell hard to the floor.

He got up.

Mevya hopped over to him

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

Gatomon: (Echoing) LIGHTNING PAW!

SMASH!

She smashed him down with a powerful punch.

Gatomon: YEAH!

Me: Also we know you are hiding someone!

CLANG!

GATOMON SCREAMED LIKE TOM!

She saw a bear trap clamped on her butt!

Gatomon: WHAT THE!?

Mevya: TAKE THAT STINKY!

Mevya then kissed her Bugs Bunny style!

SSSSSSMOOOOOOOOCH!

Gatomon: (SPITS)

Mevya: What a Moron!

Gatomon poured ketchup on Mevya!

But then Mevya ran and they chased all over Ding Dong Daddy!

Mevya then gave a slingshot to him.

Mevya: Hold that.

He stretched the band and loaded a huge boulder.

He launched it.

KRABBBBBBBBLLLLLAAAAAAAAAAAAAAAMMMM!

HE BASHED GATOMON AND DING DONG DADDY DOWN!

Mevya laughed hysterically!

Gatomon: Come here!

She chased him!

Then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost came.

Nico: Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost.

Waffle Woman: This is your second race this year.

Rojo: I hope there are more

Carmen Dillo: Maybe on break days

Me: That would be fun for us.

Box Ghost: (to Nico) We heard you fought Frozer and Glaciator

Nico: Yep! We sure did.

Jet: (to Green Lantern) You should take care of that Staryu

Green Lantern: I will.

A figure came and it was MAGERA from episode 33 of Kyurangers

---

Magera offers Kukuruga his services to defeat the Kyurangers in hope of becoming Vice-Shogun. On Earth, Kukuruga, Magera and Indavers confronted the Kyurangers and Lucky, Tsurugi, Hammie, Spada, Naga and Balance fight them off while the others continue looking for the battleship. Hammie, Spada and Balance take on Magera, but Magera is able to use his Magemage Power to alter their personalities. To make matter worst, he also made the three reveal the Kyurangers' plan on finding the Battle Orion Ship and thus Kukuruga and Magera escaped to find it first.

After Lucky and Tsurugi found the ship, Kukuruga, Moraimarz Robos and Magera attack the cave from above but Tsurugi used the Gigant Houou to take on the Moraimarz robos. Lucky, Naga, Hammie, Spada and Balance morph to take on Kukuruga and Magera and they took him down by All Star Crush.

However, Magera was enlarged and he was destroyed by Orion Battler.

Lucky: Magera!

Magera: Been a while rangers.

Me: I remember you! You were sent to Earth to destroy the Kyurangers to become Vice-Shogun!

Magera: That's right. Good memory.

Me: Yep. And you altered Hammie, Spada and Balance's Personalities!

Magera: Yep. That was fun.

Me: I remember.

Magera: I wonder how it would've affected the rest of the Kyurangers

Me: Boy that is a good question. But it would be crazy.

Magera: It sure would.

Kairi: Like how I became badass Kairi.

Magera: Oh boy.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Dirty Bubble was first.

Dirty Bubble: (to Nokama) NIco's rescue was rescuing Jessie's mother in South America. He also battled clones of Glaciator and Frozer.

Nokama: We sure did. Here's what happened. Jessie's mother Miyamoto, who is one of the best elite members of Team Rocket before it was destroyed, was searching for Mew 15 years ago and she succeeded in finding it but ended getting trapped in a cave at the foot of Mount Aconcagua because of an avalanche. The cave lead right into a crystal Grotto underneath the tallest mountain in South America. And there were fruit trees, water, everything there to survive. She even built a cabin down there and everything. She was trapped down there for 15 years.

Dirty Bubble: Oh man! But thankness she is okay.

Nokama: I know! And we battled clones of Frozor and Glaciator. Aylene said that Frozor looked like Brain Freezer and Nico went crazy for Glaciator because of his love for ice cream!

Mermaidman: (Sleeping)

Penelope "Stinky" Florington: Yeah Nico loves his ice cream.

Superman: They sure did. Also the gene-slammers of Ill Witch and Giant Germ were really sick girls. Their names were Varlia Influenza and Cahmia Vomitspew. They were coughing, vomiting and sneezing the works.

Brain: (Cringes) They must've been really sick to be like that.

Firestorm Shimmer: When she saw him win she was overjoyed and bursting with pride.

---

Swordsman was next.

Swordsman: (to Captain Marvel) I heard Lincoln's rescue was in the World of Dracula. How was it?

Captain Marvel: It was really intense! It was a Disney world based on Dracula. There we met Count Mickey Dragul, Mickey's counterpart and the powerful vampire and lord of Transylvania who's actually a gentle soul just like Mickey, but he was born to a family of ruthless warlords who happen to be vampires, and has fought to protect his home and land, and when Mina Murray, Minnie's counterpart, came in, she forever found her way into his heart and they became entwined for all eternity and also have two children, and we're also meeting his friends who are the counterparts of Mickey's friends too, along with Oswald Van Helsing, a vampire hunter and Oswald the Lucky Rabbit's counterpart along with his entire family.

Swordsman: WOW! Mickey and friends as Vampires? That is so cool!

Captain Marvel: It sure is! Also we battled Scooter Demon, the evil undead Akuma of Scoots from Super Brother's world, she's an evil, heartless, bitter old shrew who likes causing trouble to others and only cares about herself and doesn't care who gets hurts, and she also runs people over with her scooter. She was created after she was resurrected by Lord Demonblood after Scoots from Super Brother's world was killed by Super Brother himself after her attempt to kill his harem and his family and friends blew up in her face, and she wants revenge on Team Loud Akuma Angel Storm, and we got word she was causing trouble again, and this time in Transylvania, we went there to take her down and plunge another Dagger of St. Michael into her shriveled up heart and send that old fart to The Black Abyss forever!

Anakin: Well this was a cool one. Persephone, Gaz, Princess Luna, Snowdrop, Blackout, Knight Mare, Dark Man, Shadow Man and Shield Shelldon Went and we were at a cool contest. We went to Cinnabar Island and J.D. entered a contest for Fire Pokemon masters. J.D. battled a trainer named Damien.

Dr. Destiny: Wasn't he that jerk that Ash rescued his Charizard from?

Anakin: That's him. J.D. used his Moltres that he hatched from the eggs he got and he really put on an amazing performance!

Ahsoka: He had Moltres Mega Evolve and then use a Z-Move on Damian's Magmar. It was intense!

Dr. Destiny: WHOA! That is amazing! He never expected that did he?

Ahsoka: He sure didn't because he was too stupid to know anything about Mega Evolution and Z-Moves. Also the prize was a cool Moltres Trophy as well as a Fire Stone and a 5 year supply of Super Spicy Chili.

Dr. Destiny: That's quite a prize. Well done to J.D.

Ahsoka: Yep. And also we battled Blaine's Akuma, Wildfiremoltres. He was a Moltres made entirely out of intense fire and lava!

Onyx was next.

Onyx: (to Clay) You guys were dealing with a Cult that Worships Blood and Honey! Rage Mage called it!

Clay: He sure did and it was one of the most shocking things we ever have seen. It was as shocking as seeing a John Deere tractor go through an abandoned mine field and exploding.

Dojo: The mascots had a field day on that one. It was in a cave in that canyon we found where all that energon was and it was brutal! We took them all down and killed them with ease. Shockingly we found out something really shocking!

Onyx: What did you guys find out?

Dojo: The cult leader of the Blood and Honey Cult was an old enemy of Nico's. His name is Vincent Price VanValmont, no relation to the great Vincent Price. He was a Satanic Cult leader that formed the evil cult we faced called THE DARK ORDER OF DARKHUNDRED ACRES! They worship the Blood and Honey versions of Pooh and Friends and they are going to summon them back to kill everyone in Gotham Royal York

THEY GASPED IN SHOCK AND HORROR!

Brutus: MY GOODNESS!

Evil Ring Man: And they must not have known that the real things were banished to the Black Abyss months ago by the mascots.

Natasha: No they never found out about that as they didn't pay attention to the news and all that.

Onyx: Wow! You guys really caught them by surprise.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chest of The Dark Emperor and he began absorbing him and he assimilated The Dark Emperor's Magic manipulation, High intelligence, Essokinesis, Umbrakinesis, Immortality, Invulnerability, and Earthquake generation, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, The Dark Emperor began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Dark Emperor, and Lincoln sucked out all of the remaining energy in The Dark Emperor and banished The Dark Emperor to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Aoi Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Aoi Malefic: This where it ends for you, Dark Emperor, and this is goodbye and good riddance. Thanks for helping me get rid of The Dark Emperor, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Aoi.

Me and Nico: Our pleasure, Aoi.

Suddenly, Aoi Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aoi Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Aoi Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for The Dark Emperor, serves him right.

Me: The Dark Emperor got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Geomancer of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Geomancer of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Yuki Frostine, Avatar and Gene-Slammer of Geomancer of the Ice Barrier, and you guys are gonna like meeting her and she's from the past of Yakko, Wakko, and Dot, Yuki Frostine, Avatar and Gene-Slammer of Geomancer of The Ice Barrier, is Lincoln's Guardian Angel from Burbank, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier. She's The Ice Geomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Yuki Frostine moved to Royal

Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Yuki Frostine is also an old friend of Yakko, Wakko, and Dot Warner, and she also defended them from Ralph, Dr. Scratchnsniff, and the former Warner Bros. CEO, Mr. Plotz, and that also meant defending them from the current CEO, Nora Rita Norita, and during a party with them and the Tiny Toons and Looney Tunes in Burbank's Warner Bros. Studio Lot, Sebastian showed up to cause havoc, but it turns out he wasn't the only uninvited guest. Because of the portal that lunatic opened up to The Hell for Infinite Losers and freed the old enemies of The Z-Fighters, that also freed Broly from his prison and we thought he'd come in search of revenge on us, but instead, he sought to kill Sebastian proving that he had no power over him or the rest of the old enemies of The Z-Fighters. According to the story, Yuki Frostine had the assistance of a fourth Warner Sibling who got rid of Broly while she got rid of Sebastian, but thanks to that Satanic slime, The Black Ooze of The Eldritch, he was resurrected and fled back to Hell but not before he swore eternal revenge on Yuki Frostine, The Warners, The Looney Tunes, The Tiny Tunes, and the mysterious fourth Warner Sibling.

WE GASPED!

Nico: No way! There's a fourth Warner Sibling!

Yakko: You'll have to wait and see who it is though.

Wakko: And we remembered Yuki all too well.

Dot: She took care of that unhinged monster while our fourth Sibling took care of Broly before he could come after you guys.

Me: Wow, he must be pretty powerful.

Lincoln: That has to be the case.

Me: Yeah.

They were given a purple trophy that looked like Cascareaua and it had a boat around it.

We cheered!

Dirty Bubble: Congrats, guys!

Pinky: You were great!

Nico: YEAH!

Swordsman: You should be proud

Luna: Oh we are!

Dr. Destiny: Not bad for this year's second race

Onyx: How should we celebrate?

Nico: Lynn's table.

Camie: Good idea.

Nico: Great job today everyone.

Me:Yeah!

Kole: (TO THE VIEWERS) This was so fun! Hope you liked it.

We went back home and went to Lynn's Table.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we won the race and took down Ding Dong Daddy.

Anna Anyanova: And sent him to The M.O.E., and man, did he put Caleb Maxwell and his siblings in their place.

?: (Beastly Gruff Manlier Voice) Next time, I'll probably take Krillin's advice and find a curse perfect for toxic loudmouths like them.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they

kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Next is Tahu's day to shine and we're going to battle Voltaire and make him pay for his crimes!

See you all next time.

REVENGE OF VOLTAIRE

Voltaire is back for revenge.

Tahu's day to shine

It starts at the US Air Force.

Man: Sir, we received this drawing from one of Team Loud Phoenix Storm.

The drawing that Manaphy made in 2292 was put on the table. Everyone's attention was drawn to the part of Horsea piloting a jet

Man: I think we found our next test pilot for this. Have Horsea come to the U.S.S. Ronald Reagan,

Man 2: Yes sir.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a petrifying jungle planet teeming with cursed statues, venomous temples, and ancient serpentine echoes, and protected by a race of powerful omnipotent serpentine warrior angels who are the descendants of the original Gorgons of Greek myth known for their immense strength, power over venom, stone, and hypnotic gaze who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of venom, stone, hypnotic gazes, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Medusaira, a petrifying jungle planet teeming with cursed statues, venomous temples, and ancient serpentine echoes, and protected by The Medusairans, a race of powerful omnipotent serpentine warrior angels who are descendants of the original Gorgons of Greek myth known for their immense strength, power over venom, stone, and hypnotic gaze who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of venom, stone, hypnotic gazes, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Medusaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Medusaira.

Lincoln landed on Planet Medusaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Medusaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Gorgon who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, his long hair going down to his shoulders was made of living divine vipers, green eyes, massive angel wings, long serpent tail, and he has on a brown loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Perseus Medusaira, King of The Medusairans of Planet Medusaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Serpenza Medusaira, Queen of the Medusairans of Planet Medusaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Gorgon who was tall at 390'11" in height, she has the voluptuous body of a goddess and large breasts, long hair made of living divine vipers, majestic angel wings, a radiant serpent crown, clawed scale-covered feet, scale-covered hands and forearms with claws, and long serpent tail.

Lincoln: (Smirks) I knew that was you, Serpenza Medusaira, Queen of the Medusairans of Planet Medusaira.

Serpenza Medusaira: I wonder what it was that gave me away. (Suddenly wraps her snake tail around his waist)

Then, all of the other Googol of Vigintillions of male Medusairans came to Lincoln.

Perseus Medusaira: That's correct, and this was something Serpenza wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now as tall as me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Perseus Medusaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Perseus Medusaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Perseus Medusaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Perseus Medusaira and the other Googol of Vigintillions of male Medusairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of venom, stone, hypnotic gazes, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white

angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with snakes and venom surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Perseus Medusaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many

occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Serpenza Medusaira: But, before he absorbs our planet, The Temple of Gorgos, the core of Medusaira, and even the planet's hypnotic black Sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Serpenza Medusaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with an intense passion and he wrapped his arms around her waist and he deepened the kiss even more: they were engaging in a heated and intense make-out session as they kissed deeply and passionately, and Serpenza Medusaira also bit Lincoln on the right trapezius, neck, and chest, and when she slowly removed her lips and licked the love marks, they glowed with intense light and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left any lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln pinned Serpenza Medusaira to the ground and wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serpenza Medusaira with pink gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Serpenza Medusaira to pounce on Lincoln, and they had an intense and deep lovemaking fest which ended hours later with Lincoln letting out a loud roar of dominance, and Serpenza Medusaira sleeping and feeling pleasured.

Serpenza Medusaira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Serpenza Medusaira to his room and he flew deeper and deeper into the planet, and he found the core of Medusaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat., and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Medusaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Temple of Gorgos into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Medusaira's massive hypnotic Black Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white,

golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps,

forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Medusaira, a petrifying jungle planet teeming with cursed statues, venomous temples, and ancient serpentine echoes, and protected by the Medusairans a race of powerful omnipotent serpentine warrior angels who are descended from the original Gorgons of Greek myth and known for their immense strength, power over venom, stone, and hypnotic gaze who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of venom, stone, hypnotic gazes, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legends of The Gorgon of Greek myth?! That's terrifying!

Nico: You said it. I heard many legends about Medusaira, and it matched what you just told us. And no Saiyan warrior dared to face them in battle, their hypnotic gaze turns people to stone and if that wasn't enough, there's their immense hypnotic Black Sun. Plus, they're also masters of venom and snakes, and they have built many venomous temples and all over the planet, you can hear the ancient serpentine echoes throughout Medusaira.

Just then, we saw Serpenza Medusaira enter and she sat with Lincoln, and that freaked out Allie Maxwell.

Allie Maxwell: (SCREAMS) GORGON!

Caleb Maxwell: What?! A gorgon, here?!

Me: And who's the female Gorgon?

Anna Anyanova: This is Serpenza Medusaira, Queen of the Medusairans of Planet Medusaira, she's Lincoln's Guardian Angel from Planet Medusaira, a petrifying jungle planet within the Forbidden Zone, teeming with cursed statues, venomous temples, and ancient serpentine echoes. She's the ruling Queen of the Medusairans, a race descended from the original Gorgons of Greek myth, with power over venom, stone, and hypnotic gaze, but even among her terrifying kin, Serpenza stood alone. She was a goddess of serpents, a mistress of petrification, and an unstoppable beauty cloaked in venom and mystery. Her powers included turning anything to stone with a glance, controlling all serpent-kind, and releasing seismic venom waves, and with every breath, her strength multiplied infinitely. Born with majestic angel wings, a radiant serpent crown, and hair made of living divine vipers, Serpenza carried the legacy of all Gorgon queens. She commanded total dominion over petrification, poison, paralysis, dark beauty, and serpentine hypnosis. Her gifts extended to omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity. When the Infernairans tried to invade her temple-palace and steal the Stoneheart Cradle, she turned them to statues and vanished into the Forbidden Zone, vowing to return with vengeance coiled and ready to strike. On Earth, in Royal Woods, she met Lincoln immediately recognizing the divine energy pulsing within him. She swore to protect him from every threat and she also trained him in the ways of venom manipulation, serpentine hypnosis, and the Medusairan Stone Gaze. Under her tutelage, Lincoln gained immense command over all snakes, the power to paralyze with his eyes, and the ability to harden his body like diamond, making him nearly indestructible until she found out that his immortality and invincibility and years of constant working out had given him an indestructible and invincible body, and she knew he was already born with immortality and invincibility, but her influence had awakened in him the serpentine power of the Ancients, and she also knew, beyond all doubt, that Lincoln was a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, a devastatingly powerful and irresistibly handsome warrior whose body and spirit drew her in more than any treasure, and many times, she kissed him deeply and passionately, leaving her lipstick and bite marks across his chest and neck, and he returned each kiss with intense love, his tails thrashing with joy. Her desire and devotion for him only grew stronger. She helped him train in silence, stealth, and striking precision teaching him the art of stillness before the strike. She also gave him The Serpent Heart of Medusaira, a sacred relic of power which had multiplied his power and enhanced his immortality and invincibility even more. Lincoln eventually absorbed the Googol of Vigintillions of her people, The Medusairans, The Temple of Gorgos, the core of Medusaira, and even the planet's hypnotic black Sun into his body preserving the legacy of the Medusairans. To thank him, she gave him a serpentine whip forged from her own divine hair and kissed him beneath the moonlight with unshakable intensity. He promised that when he came of age, he would marry her along with his celestial harem, but as for Lincoln's enemies, she loathes them beyond words, and she vowed to lock eyes with them once… and leave them as statues forever in her Garden of Fools.

Nico: (GASPS) I remembered hearing about her, she's someone you do not want to cross at all!

Lincoln: That's right, and I still remembered all the times she'd turned Flip's goons into statues with her gaze and left them forever in her Garden of Fools.

Serpenza Medusaira: That is correct, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Medusaira's Blessing of Divine Venomous Stone Gaze Gorgon

PowerJustice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Serpenza Medusaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Get a room, snake woman!

Jared: And don't think I hadn't forgotten about the times you'd scared my sister, Nicole, and for your violent outbursts and strings of swears and curses that made us throw up!

Jared grabbed Allie Maxwell and had her dressed in a pink tutu and a pink princess dress and he even did a Lola Loud makeup ambush on her, and when Allie Maxwell saw it, she shrieked!

Allie Maxwell: OH, YEECH! I LOOK LIKE A POOFY PRINCESS!

GROSS!

As for Tyler Maxwell and Alexander Maxwell, Jared hoisted them up with ease and threw them and sent them flying into a mountain of mud, they got out, but they were covered in mud.

Tyler Maxwell: OH GROSS! I'M COVERED IN MUD!

Alexander Maxwell: DAMN IT, I'M COVERED IN SO MUCH MUD!

Jared: (To Caleb Maxwell) And as for you!

Jared hoisted Caleb Maxwell up with ease and he threw him out the window and he crashed into a wall and landed in a dumpster. When he got back out...!

Caleb Maxwell: (ENRAGED SCREAM) DAMN IT! I'M COVERED IN MUCK AND SCUM AND TRASH!

Caleb Maxwell, Tyler Maxwell, and Alexander Maxwell came in, and they were pissed!

Jared: (Smirks) Maybe, that'll teach you four a lesson in restraint and self-control.

BUT, THAT REALLY PISSED THE SIBLINGS OFF AS THE SCLERA OF THEIR EYES TURNED BLOOD RED AND THE RED IRIS OF THEIR EYES BECAME EVEN BRIGHTER, AND THEY SCREAMED AND SHRIEKED AND WENT INTO A DONALD DUCK STYLE TANTRUM! BUT, BEFORE THEY GOT EVEN CLOSE TO JARED, HE HAD THEM PUT INTO A BOX!

Nicole: That was too close.

Tahu was meditating in a ball of fire in his room. It was a volcano themed room.

Camerupt came in.

Tahu: Morning Camerupt my brother.

Camerupt: Morning Tahu. It's time for breakfast.

Tahu: Oh I'll be right down.

He went and got ready. He went to the table.

Me: Morning Tahu. Ready for action?

Tahu: You bet I am my brothers!

Tyson: YEAH! We're ready too!

We gave him pancakes and hot sauce.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was DemiDevimon, the little vampiric imp responsible for pumping me with the depression drugs after killing 2012 Shredder back in 2022, and he's causing trouble again!

Me: WHAT THE HELL?! DEMIDEVIMON'S CAUSING TROUBLE

AGAIN!

Nico: That little vampiric imp! I should've known he'd be back to causing trouble again!

Lincoln: And I found out where that little imp's hiding out at: he's on the planet of Yatagarasutaira, a planet forever shrouded in eternal darkness and shadows and its population of three-legged crows also watched over the Yatagarasutairans.

Me: So, that's where he's at, eh? Alright, let's get him!

Lincoln: After we finish breakfast.

Nico: Right, and we're so looking forward to making that little imp pay for what he's done especially for that little stunt he pulled two years ago!

Jared: And I think I know how to make that little imp pay. (Pats the box with Caleb and his violent siblings inside)

We finished breakfast and we headed to Yatagarasutaira to help Jeri Katou unlock her Rainbow Power and teach that vampiric imp, DemiDevimon, another lesson in pain!

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14275.9: The U.S.S. Valorous Phoenix is en route to the dark planet of Yatagarasutaira and we're going there to battle DemiDevimon. J.D. has a score to settle with him for causing bad luck to him after Emerald's Day in 2022. We're going to make that pipsqueak pay and knowing him he is up to something.

Qin: Boy this is gonna be awesome.

Lola: It sure is.

Camie: Yeah!

Eli: I'm ready for this!

Nico: Commander Yanmark, I want to thank you, Crush, and your teams for coming

Commander Yanmark: Not a problem Nico. I'm excited for this too.

I was eating my lunch.

Me: (Eating Takoyaki) Mmm!

I was having Samsara Curry's curry, Jackie Burgerflame's burgers, Isolda Pastaflame's pasta and Taryn Takoyaki's Takoyaki and a Mississippi Queen drink.

Nico: Boy someone sure is hungry.

Qin: Geez! He is going to be really spicy for that.

Me: (Gulp) Yep. It's part of my nasty surprise that I have in store for DemiDevimon.

Nico: Ooh! This will be good.

Me: Yep. (Eating)

Yanma: I'm excited for this too.

Me: (Gulp) It takes a while for us to get to each of the Forbidden Planets. So I got to eat something.

Nico: Good point.

Qin: Yep.

Me: (Eating)

Nico: Yanma, who is your trainer?

High Five: It's me and I am part dragonfly so it's perfect for me.

Yanma: It sure is and it's fun.

Ymir: That is awesome.

Naomi Necroshade: I agree there.

Celica: That's for sure.

Nico: Good choice.

Yanma: Yep. It sure is.

High Five: I agree.

Qin: Awesome partnership and more.

Kole: I agree. Also yesterday's race was so super fun!

Lincoln: Was it ever!

Lola: Yeah! And Overflow it was so cool seeing your world.

Overflow: Glad you guys had fun there.

Nico: That's our second race this year.

Qin: It sure was fun though. And we brought down Ding Dong Daddy.

Laney: And now the Brotherhood of Evil is a forgotten memory.

Varie: Good riddance.

Lola: That is for sure.

Eli: No kidding there.

Nico: And lets not forget the winners.

Lincoln: Me, Kole, Luna and Sam.

Luna: That was so rockin dudes!

Sam S.L.: It sure was!

Kole: It sure was so fun!

Nico: And a bonus victory? Lincoln got an awesome addition to his harem.

WE LAUGHED!

Camie: He sure did.

Kole: My akuma. She is awesome.

Kole Nightamethyst: (Giggles) I sure am.

Nico: And now, all the days of the Titans are done

Eli: Thank goodness.

Yanma: Yep.

MASSIVELY LOUD BELCH!

I finished my meal.

Me: Excuse me!

Nico: You're excused.

Timon: Whoa nice one J.D.

Me: Thanks.

Cyborg: Booyah!

Me: Yeah!

Lisa Loud: We have arrived at our destination.

Me: Perfect timing.

Nico: On screen.

We saw that we were at a dark planet.

Me: So that's Yatagarasutaira.

We arrived on Yatagarasutaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: (GULPS) So, this is Yatagarasutaira, this place is even scarier than the many other planets of darkness we'd gone to.

Nico: And frightening!

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Yatagarasutaira, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed and came back as slave crows to serve them for eternity.

Qin: Yep.

Horsea was scared.

Maria: I know. Scary place.

?: Hey guys!

We saw Young Tai and Agumon and with him was Young Kari.

Young Tai: Hey guys!

Me: Tai! Kari! Wow! Awesome seeing you guys all the way here.

Young Tai: Yep and Kari insisted on coming too.

Me: We can see that.

Young Kari: We got word that our friends are in trouble.

Nico: Really? Oh man.

Me: We better get to finding them.

Tai looked at his Digivice.

Tai: Found one of them. North northwest just a couple of klicks.

Me: I think it's right next to that amusement park there.

We saw an Amusement Park on the planet. Weird seeing one on a planet lightyears away.

Young Kari: Weird seeing one here.

Me: I know.

Kari: Man Its ben a long time since I was that age. I forgot how cute I looked.

Gatomon poured ketchup on Mevya

Young Kari: Why is Gatomon pouring ketchup on that fish?

Kari: Gatomon!

Gatomon: What?

Mevya: We haven't started the fight yet.

Gatomon: Oh right. Sorry.

Nico: Tai your mom is gonna be mad at you for bringing Kari.

Young Tai: I know.

Me: But what happened? Our scanners showed that you disappeared a while back.

Young Tai: We destroyed Etemon and I got back home.

Me: Weird.

Young Tai: Yeah it was.

Me: We'll have to ask what happened later.

We crossed a bridge.

Agumon: Just what is a klick?

Me: Oh it's 1,000 yards.

Agumon: Oh I get it.

Young Tai: The Signal's getting stronger!

Young Kari: we must be getting close!

Me: Look there!

We saw Tokomon and T.K.'s Digivice and his crest there!

Young Tai: It is! It's Tokomon!

Agumon: Tokomon!

We went over!

Nico: Tokomon you poor thing!

We picked him up.

Nico: Are you okay?

Tokomon: You look like Nico. (Sees him) You are Nico! And Tai! You're alive!

Young Tai: The last time I checked and this is my little sister Kari.

Tokomon: I think we met her before.

Young Kari: I think you did.

Me: What happened Tokomon? Where's T.K.?

Tokomon: I don't know. He's probably off playing with his new friend.

Me: New Friend?

Xenia: Oh boy.

Me: Tell us what happened.

Tokomon told us what happened.

* * *

Tai is surprised to find out he has been gone a lot longer than then the one day he spent in the Real World. Because time flows differently in the Digital World he has actually been gone for several months and in his absence the team started to break up to search for him. Sora was the first to depart on her own, followed by Izzy, then Joe, and then Mimi, which left Matt and T.K. by themselves, but then the team falls apart, leaving no one to be found. Matt did his best to keep T.K. feeling alright about the split up group while they continued their search for the others. They found an abandoned theme park and Matt decided to ride a swan shaped boat around the nearby lake. He said he'd only be gone a few hours, but then weeks later he was still nowhere to be found, leaving T.K. and Tokomon all alone in the amusement park for several weeks. One day, a Digimon named DemiDevimon showed up, claiming to be a former servant of Etemon, and told T.K. how he met Matt, who was supposedly glad to get away from him. Then Tokomon, doing his best to comfort his partner, lashed out at the "formerly" evil Digimon, causing a falling out between him and T.K. Tokomon left on T.K's orders and kept his Crest and Digivice safe while T.K. went off with DemiDevimon.

* * *

We were shocked!

Me: That is bullshit! Matt would never say stuff like that to T.K. Not after everything that he and his family went through when they split up!

Young Tai: I can't believe this! Also what is this place? It's not the Digital World.

Me: This is the Dark Forest planet Yatagarasutaira. It's one of the Forbidden Planets that Lincoln knows.

Young Tai: It sure is scary.

Young Kari: I know. But where is the rest of Tai's friends?

Me: They must've been sent to different forbidden planets. We'll have to find them.

Gatomon: Where's Tai's Mom? I have a song to show her

Me: Back home.

Tai: We haven't seen each other in a while.

Me: We'll have to have her come over sometime.

Nico: I agree. Also I'm getting an extremely strong sense of déjà-vu here.

Me: How so?

Nico: Long story.

Young Kari: This will be interesting.

Nico: Well we better go find T.K.

We went into the Amusement park.

Gatomon: Kari, tell me what you think of this song.

Young Kari: What is it?

Gatomon: (singing) Fish! Glorious fish! I'm very anxious to try it!

YOUNG KARI LAUGHED HYSTERICALLY!

Me: (LAUGHS) She likes that song.

Young Kari: That song is funny!

Kari: (LAUGHS) That is funny.

Me: It sure is.

We looked around.

Me: Boy look at this. Not as many rides and attractions like Neo Phoenix Land but it's still a fun place.

Qin: Yeah.

We then saw Young T.K. In the food court!

Me: Hey T.K.!

Young T.K.: It's my friends!

Young Tai: Hey Little guy.

Young T.K.: You're back!

He ran and hugged him.

Young T.K.: (Laughing) I'm so happy! (Hugs me and Young Tai) Aw Tai! You were gone so long. We thought something bad must've happened.

Me: Well it's quite a complicated story T.K.

Young T.K.: Well I'm back again and I brought my little sister Kari with me.

Young Kari: Yep.

Young T.K.: Awesome! Hey Kari!

Young Kari: Glad to see you again T.K.

Me: Now something went down between you and Tokomon T.K. But we got to find Sora and the others over the next couple of days on some of the other planets.

Young T.K.: Not me!

Me: Huh?

Twilight Sparkle: Why not T.K.?

Young T.K.: Why should I?! They are not nice! They'd left me behind! First Sora and then the rest! And even my own brother Matt!

Young Tai: Come on T.K. it's not your fault they left.

Me: Yeah Tai was gone much longer than anyone thought in Digital World Standards.

Young T.K.: They hate me! They think I'm a crybaby! (Crying) Even Matt said I was!

Me: T.K. that is absolute nonsense!

Young Tai: Yeah I don't know what this new friend of yours has been telling you. But I happen to know for a fact that Matt does NOT hate you.

Me: Yeah T.K. Matt would never say stuff like that to you. Not after everything that you went through when your parents separated.

Nico: It's true.

Poromon: I know something to cheer you up.

Poromon brought out a beer.

Poromon: This will help you drown your sorrows

Me: Poromon, T.K.'s mom will kill him if he drinks that!

Poromon: Oh right.

I gave him a root beer.

Me: Here T.K.

Young T.K.: Oh thank you.

He drank it.

Young T.K.: Ahh. Thanks.

Me: You're welcome. But T.K., Matt loves you too much to say stuff like that.

Young Kari: It's true T.K. and I love you too. (BLUSHES)

Me: Aww.

Gatomon: Aww young love.

Young T.K.: Oh Kari. Thank you so much. I love you too.

Young Kari: You're welcome and T.K. you know as well as I do that Matt would never do that to you. He loves you too much to say such things.

Me: She's right. But don't worry we'll find the others. And Tai was gone much longer than you previously thought. He was actually back home. And the Digital World has a much different Time length than back home. It's very complicated T.K. One day on Earth is like SEVERAL MONTHS in the Digital World.

Young T.K.: So that's why he was gone for so long.

Me: Yep. Also you're not on the Digital world anymore. This is the Dark Forest planet of Yatagarasutaira. Crazy story on that.

Young T.K.: I can see that. Wow it's scary.

Me: I know.

Poromon: Your loss.

He drank it.

Young T.K.: Wait. Digimon that enjoy beer?

Nico: Poromon and the mascots of the Team are wacky and silly.

Sheena: It's true and they are really funny.

Young Tai: Isn't T.K. Too young to know about love?

Me: Love can happen at any time, any age and with anyone Tai.

Young Tai: Oh yeah.

Poromon got drunk.

Poromon: Who wants to kiss me?

Poromon then kissed Nico.

SMMOOOOOCH!

Nico: (SPITS)

Young T.K. laughed!

Me: The mascots of the team get into all kinds of funny stuff.

Young T.K.: That is so funny!

Me: Yep. Now T.K. DemiDevimon is not to be trusted. Everything he told you was absolute bogus. Before we continue, I believe you owe Tokomon an apology.

Tokomon: I was trying to tell you that T.K.

Young T.K.: Oh Tokomon I'm so sorry for saying all that. Can you ever forgive me?

Tokomon: If you promise we can always be friends.

Young T.K.: Of course!

They hugged!

Me: And I believe these belong to you.

I gave him his crest and Digivice.

Poromon: Oh look who's here! Mr. Bossman! Come here you son of a bitch! (Punches Nico)

POW!

Nico: OW! Poromon!

I snapped my fingers and he reverted back.

Poromon: (Groans) What happened?

Me: You punched Nico.

Poromon: Oh sorry Nico!

Nico: It's fine.

?: Psst.

Me: Huh?

We heard a voice.

?: Psst.

We saw a wooden barrel.

?: Psst: Over here.

We went over and it opened and out came a Tiger Shark girl with blue pants and blue shoes.

Theodora Gruman: Agent Theodora Gruman A.K.A. Torrence Tide, Undercover Agent and Master of Disguise or the Tidal Fangs at your service.

Me: Whoa pleasure to meet you.

Young T.K.: Is she a Digimon?

Me: No. She's part of a resistance group of Gene-slammers against Dr. Luther Paradigm called The Tidal Fangs.

Nico: Yep.

Qin: Long story but it's cool.

Therdora Gruman: Yep. I'm the Undercover spy, covert agent and master of disguise for the Tidal Fangs. My job is to infiltrate organizations and gather information for the team.

Me: Like Nico's friend Mata Hari Henningway.

Poromon: Oh man what a headache.

Nico: (to Young Kari) And that is what happens when Digimon get drunk

Young Kari: I can see why. It's funny.

Me: Just don't try it for real Kari.

Kari: Yeah it's not a pleasant sight.

Gatomon: But its funny for many.

Me: Yep. Theodora what were you doing when you got slammed?

Theodora Gruman: I was gathering information from Paradigm and his organization. But before I went in, I slammed myself.

She approached Paradigm's lair and injected herself and doubled over in pain and she turned into a TIGER SHARK! She was Torrence Tide!

She went into the lair and gained Paradigm's trust and got all his data and more.

FLASHBACK ENDS

Me: Wow!

She gave us a flash drive.

Theodora Gruman: This flash drive has all the info you need on Paradigm's schemes and more.

Me: Thank you Theodora.

Horsea: Your hobbies?

Theodora Gruman: I like playing video games.

Me: Neat.

Lola: Cool!

Me: Would oyu like to revert back? You can transform at will.

Theodora Gruman: I would like that.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Nico: T.K., Tai, Kari you better cover your eyes.

Young Kari: Oh I get it.

They did so.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with orange hair and orange eyes and had a Tiger Shark on her forehead.

We wrapped her in a blanket and brought her over and her pants and shoes fell off.

Me: There.

Camie: But her clothes are too big for her now.

Poromon: You can open them now!

Me: She's wrapped in a blanket.

They opened them.

Theodora Gruman: That really hurt.

Me: But look.

I showed a mirror and she gasped!

Theodora Gruman: I'm human again!

Me: You sure are. And you have the power to transform at will

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new orange clothes and a spy watch with many gadgets and a fire sword.

Theodora Gruman: Wow! I look great! (SCREAMS)

We saw her sprout her orange angel wings!

Theodora Gruman: Whoa! Why does my back feel so heavy?

Me: Your wings sprouted.

She saw that her wings did sprout!

Theodora Gruman: Wow! I have wings!

Me: You sure do.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, he has long black hair going down to his shoulders, purple eyes, massive black angel wings, he has on a purple loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Yami Yatagarasutaira, King of The Yatagarasutairans of Planet Yatagarasutaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Yvonne Yatagarasutaira, Queen of The Yatagarasutairans, I've also been to Yatagarasutaira eight years ago as well.

Then, all of the other Googol of Vigintillions of male Yatagarasutairans came to Lincoln.

Yami Yatagarasutaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Nathan Nighttreeiara chuckled.

?: Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, a crow on her forehead and right arm, purple eyes, she was dressed in a black two-piece bikini, she has massive black angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Yvonne Yatagarasutaira, Queen of The Yatagarasutairans of Planet Yatagarasutaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Yvonne Yatagarasutaira, Queen of The Yatagarasutairans of Planet Yatagarasutaira, she's Lincoln's Guardian Angel from Planet Yatagarasutaira, a planet forever shrouded in eternal darkness and shadows and its population of three-legged crows also watched over the Yatagarasutairans. She's The Queen of The Yatagarasutairans who were known for their mastery of darkness and the shadows along with summoning crows to assist their allies, and the male warriors who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters and natural dark hunters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, crows, and the immense omnipotent powers of the Yatagarasu times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, but Yvonne stood beyond them all: a brilliant black angel winged dark sorceress with the powers of all forms of dark magic and The Dark Arts at her command and flocks of crows at her side who help in fighting her foes, and with each battle, her strength magnified tenfold. Born with massive black angel wings, Yvonne Yatagarasutaira was born with all omnipotent powers of darkness, the shadows, crows, all forms of dark magic and The Dark Arts, and the powers of The Yatagarasu times infinity, and she was also born with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people multiplied by infinity. When the Infernairans tried to invade her planet, Yvonne Yatagarasutaira sent scores of crows to tear them apart, and once they were dead, she had their souls trapped in the bodies of crows to serve as her slaves for eternity, never knowing eternal rest again. Yvonne Yatagarasutaira descended to Earth and Royal Woods, where she encountered Lincoln instantly recognizing him as the one fated in the Yatagarsutairans' oldest prophecy, and she vowed to protect him from all enemies and trained him in the Way of the Three-Legged Dark Crow bestowing upon him mastery over the powers of the divine darkness, crows, divine shadows, and dark shadow techniques that can bind even evil Gods, and over time, Lincoln gained the powers of the Yatagarasutairans multiplied times infinity, including the powers of all forms of dark magic and The Dark Arts, soul removal, and reincarnation, and Lincoln was already born with immortality and invincibility, and she knew with absolute certainty that Lincoln was a True Alpha Werewolfairan-

Vampirairan-Cyborg Hybrid, a being of infinite power, cosmic beauty, and light that shines bright within the darkness who also found a beauty in the darkness as well, and she fell hard for him. More than once, she kissed him passionately and made out with him under the full moon and under the cover of darkness, leaving him glowing with power and his tails wagging like galaxies in motion and she adored him even more with every encounter. She helped him refine his powers over the darkness and dark magic and all forms of The Dark Arts. Lincoln eventually absorbed the Googol of Vigintillions of her people, The Yatagarasutairans, the dark core of her planet, the Dark Crow Castle, and Yatagarasutaira's massive Black Sun and Dark Moon into his body preserving their legacy, and he forged for her a divine sword pulsing with her people's spirit. To thank him, Yvonne Yatagarasutaira kissed Lincoln on the lips with deep emotion and explosive power, which he returned with heat and affection, and he swore to marry her when he came of age, along with the rest of his cosmic brides, and as for Lincoln's enemies, she has seen their entire existence is a threat to her dear King of The Twilight Dawn and Dusk, and she swore to summon the most massive murder of crows far greater than the one summoned by Ed when he re-enacted The Curse of Evil Tim to tear her beloved's enemies to shreds and have them forcibly reincarnated as slave crows to serve her and her King of The Twilight Dawn and Dusk for all eternity.

Lincoln: And there's something I need to tell you.

Yami Yatagarasutaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Yami Yatagarasutaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Yami Yatagarasutaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Yami Yatagarasutaira and the other Googol of Vigintillions of male Yatagarasutairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, crows, dark magic, The Dark Arts, and the immense omnipotent powers of the Yatagarasu times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a black aura with three-legged crows surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Yami Yatagarasutaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Yvonne Yatagarasutaira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Yvonne Yatagarasutaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Yvonne Yatagarasutaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her

blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Yvonne Yatagarasutaira with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Yvonne Yatagarasutaira: That's my special gift to him: Yatagarsutaira's Blessing of Divine Darkness Crow Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Yvonne Yatagarasutaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Yatagarasutairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Me: That's right.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Yatagarasutaira to help Jeri Katou unlock her Rainbow Power and teach that vampiric imp, DemiDevimon, another lesson in pain!

Nico: This had been a long time coming for him.

Me: I'm gonna enjoy teaching that miserable little imp another painful lesson!

We heard demonic roars coming from the box!

Yakko Warner: Uh..., I'd reconsider on that.

Eli: I might need to agree with Yakko, I bet they're still pissed off you dressed Allie like a princess, threw Tyler and Alexander into piles of mud at Liam's farm, and threw Caleb into a dumpster!

Jared: I agree, but right now, we need to use violence on DemiDevimon, and our one and only chance is on those four.

Ash heard a Pokemon cry

Ash: Hey look!

We saw a Pumpkaboo!

Me: Hey a Pumpkaboo.

Pikachu: That means Ash gets a Mascot next.

Me: Looks like you are going to have a little playmate Pikachu

Pikachu: Yep.

Ash: Hey there.

Pumpkaboo: This place is scary.

Ash: I know.

Vierra Voltic: I remember Jessie has a Pumpkaboo.

Jessie: That evolved into a Gourgeist. (to Ash) Gourgeist can give your new Pumpkaboo pointers

Ash: I would like that.

Ash gave it some food.

Pumpkaboo: Thank you.

She ate the food.

Pumpkaboo: Ahh.

Ash: Want to come with us?

Pumpkaboo: I would like that.

Me: Cool.

But then...

Laney: LOOK OUT!

We ducked under something and saw it was a tail!

We saw that it was from a SEVIPER!

Me: WHOA! A Seviper!

Jessie: Geez. Blasts from the past for me

Nico: No kidding!

Me: It must be one of Dark Gale's work.

Sheena: This Seviper is actually Empress Brenda.

Lucy (Pokemon): (GASP) My sister! And fitting for her too. She was turned into a Seviper.

Me: Wow! Lets go help her then.

She and I went to help her.

Lucy (Pokemon): Brenda stop this now!

But then she went at Jessie!

Me: UH OH!

Jessie screamed!

She then ducked and she bit off Jessie's HAIR!

SNAP!

WE GASPED!

Me: UH OH!

Jessie: (SCREAMING AND CRYING) NOT MY HAIR! MY FLOWING HAIR IS MY DREAM ARK!

Nico: OH SHIT!

Jessie: (ENRAGED) NOW I'M REALLY MAD! YOU'VE MADE A VERY BIG MISTAKE YOU BITCH!

Me: OH SHIT! NOW YOUR SISTER IS IN FOR IT BIG TIME!

Meowth and James were hugging each other in fright!

James: (IN FEAR) POOR GIRL!

Meowth: (IN FEAR) SHE KNOWS NOT WHAT SHE HAS DONE!

JESSIE IN A MASSIVE AND PISSED RAGING FRENZY SLASHED SEVIPER ALL OVER HER HEAD WITH FURY SWIPES!

Seviper Screamed in agony!

Meowth: SHE USED FURY SWIPES ATTACK!

James: EMPHASIS ON FURY!

Then she smashed Seviper into the ground with a ferociously devastating kick to its head!

SMASH!

James: HER UNSTOPPABLE MEGATON KICK!

Me: HOLY SHIT! SHE IS PISSED!

Jessie's Seviper came out and helped his trainer

Seviper grabbed Jessie and stopped her!

Me: Stand down Jessie!

We saw Brenda badly hurt and mangled up!

Horsea: GEEZ! She is really hurt!

I snapped my fingers and she reverted back. She was a girl with purple hair and purple eyes and had purple angel wings and had

Seviper on her forehead. She ahd a snake and flower tattoo on her belly and had a Purple Rose with a blue Cobra on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to a bench.

Me: Holy shit! Jeez Jessie you beat the living stuffing out of her!

Jessie: I WILL KILL THAT BITCH FOR DESTROYING MY HAIR!

Me: JESSIE STOP THIS NOW!

Nico: I'll restore it!

Nico did so.

Jessie: Thank you Nico.

Brenda woke up.

Empress Brenda: OW! I feel like I got shredded and pulverized by a bunch of Golem and Scyther.

Blood started dripping from her head.

Empress Brenda: I'm bleeding!

Varie healed her up.

Me: Well you were turned into a Seviper by Dark Gale and you bit off Jessie's hair here and she beat the living shit out of you and hurt you bad.

Empress Brenda: Oh man! OW!

Lucy sat by her.

Lucy (Pokemon): Are you okay sister?

Empress Brenda: Lucy! Oh thank goodness.

Lucy (Pokemon): I'm glad you're safe.

Nico: Your Gene-Slammed form is actually fitting

Me: Your sister uses a Seviper and now you ARE one.

Empress Brenda: I sure am. But Lucy I was looking everywhere for you.

Lucy (Pokemon): I know you were. But Brenda there's someone I want you to meet.

She introduced Brock.

Lucy (Pokemon): This is Brock. He's my fiance.

Brock: It's a pleasure to meet you Brenda.

Empress Brenda: The gym leader of Pewter City. It's a pleasure to meet you.

Brock: Same here.

Me: Brock met Lucy long ago on Ash's journeys in Hoenn when he was challenging the Battle Frontier.

Jessie: I actually dressed up like your sister back then

Empress Brenda: You must mean Barbara.

Jessie: We have a history together.

Vierra Voltic: I remember seeing that.

Jessie: Yes. Uh J.D. can you let go of me now?

Me: Huh? Oh. Sorry.

I did so.

Varie: There. You'll heal up fine.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple clothes and black clothes and a sword of lightning.

Empress Brenda: I look amazing.

Me: You sure do. Also cool tattoo.

Empress Brenda: Oh thanks.

Poromon: Now for our target.

Me: Also T.K. I got some beef with DemiDevimon. You know why?

He shook his head.

I pulled out the dart he used to inject me back in 2022.

Me: On Emerald Goldenbraid's big day 2 years ago after we killed 2012's Shredder, he threw this dart and it hit me and injected sadness drugs into me. Never even knew it was in me till the following day.

Young T.K.: Oh man! That must've been rough.

Me: It was. I'm getting some well deserved payback on him.

We took off to get after DemiDevimon, but we had a feeling he has someone else with him as well!

We were off

We were flying in the air, and we found him: DemiDevimon.

Horsea: There he is!

Me: Alright, time to send that little imp to Hell. (To DemiDevimon) HEY, PEST! (CRACKS KNUCKLES)

DemiDevimon: (SHRIEKS) THAT NOISE!

Mascots and Ed: WHAT A PEST!

Edd: That's disgusting...!

Mascots and Ed: MAKE HIM STOP!

Me: That's not all!

I took a massive deep breath, and then...!

I TRANSFORMED INTO EDZILLA AND LET OUT A MASSIVE CACOPHONY OF ROARS LIKE WHEN ED DID WHEN HE TURNED INTO EDZILLA AFTER THE MASK WAS PUT ON, AND I WENT ON A MASSIVE RAMPAGE PUMMELING DEMIDEVIMON LIKE THERE WAS NO TOMORROW!

Eli: HOLY ANCHOVIES!

Ed: Cool.

Then, Ed transformed into Edzilla, and he did the same thing I did: he let out a massive cacophony of roars and went on a crazy rampage pummeling DemiDevimon, and then, he grabbed a box of Chunky Puffs, ate it, and he barfed on DemiDevimon!

DemiDevimon: UGH! GROSS!

Eddy and Francis: (LAUGHING HYSTERICALLY) YOU'RE AN ANIMAL, ED!

Maria: That was so gross, but really awesome!

Young T.K.: YOU WILL NOT GET ME THAT EASILY!

The crest of Hope glowed!

Young T.K.: My crest is glowing!

DemiDevimon: WHO GAVE YOU THE IDEA THAT CREST WAS YOURS!? HAND IT OVER YOU LITTLE SQUIRT!

POW!

I punched him down!

Me: You will pay for injecting me with those sadness drugs you pipsqueak! (ECHOING) PHOENIX FIRE!

I fired a blast of fire and burned him big time!

DemiDevimon: Hey, you brought it on yourself by accepting that vengeance quest!

Me: SHUT YOUR BATFACED MOUTH! That was chemically induced you jerk!

I punched him and punched and kicked him all over!

Me: That Vengeance quest was completely justified because of what the Shredder did and beyond! He got what was coming!

I fired waves of fire and blasted him.

The previous group summoned their keyblades and they fired waves of energy and blasted Demidevimon!

Empress Brenda: Lets get him!

Lucy: You got it!

Empress Brenda and Lucy: POISON BLAZE BLAST!

They fired waves of fire and energy and smashed him all over!

Ash: Pumpkaboo! SHADOW BALL!

He fired a Shadow Ball and blasted DemiDevimon!

Me: No more DemiDevimon! No more lives

Demidevimon: (bored)- "will be destroyed by your hatred"? You're getting predictable.

Me: SHUT-

Demidevimon:-"the fuck up"? Like I said, predictable. Your'e running out of lines to reference!

Lincoln: Okay, now you're wounded our pride!

Me: Am I really that predictable? Okay then how about this one? You turnipfaced dirtclod! How about you go jump into a black hole and stay there!

Young T.K.: Forgive me for asking but why do you make referenced lines anyway? You won't die without them

Me: We just do it to add excitement and fun to show that we mean business.

Young T.K.: That makes sense.

Young Kari: I like them. They are so cool!

Me: Thank you very much!

Poromon pecked him!

POINK POINK POINK POINK POINK!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Manaphy headbutt him!

SMASH!

Horsea squirted ink and blinded him.

Jirachi bashed him with anvils!

Tentacool blasted him with lasers.

Hippowdon: CANNONBALL!

He crushed DemiDevimon!

Mevya hopped over to him!

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

He belched in his face!

DemiDevimon: OH THAT IT GROSS!

Gatomon: (Echoing) LIGHTNING PAW!

POW!

He was smashed down with a powerful punch!

Gatomon: And now for something completely different.

Gatomon poured ketchup on Mevya!

SQUIRT!

Mevya: HEY!

Then...

Mevya kissed Gatomon full on the mouth!

SSMMMOOOOOOCH!

Mevya: COME AND GET ME STINKY!

Gatomon then chased Mevya and then bashed DemiDevimon with a frying pan!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Gatomon: COME HERE!

They chased!

Young T.K. And Kari were laughing!

BANG BANG BANG BANG BANG BANG BANG BANG BANG BANG!

She was blasting him good!

Gatomon: You see, Kari, as a cat, fish is part of my diet

Young Kari: I can see that!

Me: Hey DemiDevimon, Batman called and he wants his wings back!

Batman: Instead of suing you, you get this. (punches him)

POW!

Me: Nice one!

Nico: That was a good one!

Me: Also...

I grabbed him and had him look into my eyes!

Me: You are a truly despicable dirtclod! You messed with T.K.'s feelings and made him think EVERYONE hated him and called him a CRYBABY!

Nico: If anyone is a Crybaby around here it's Crackhouse Goofy!

DemiDevimon: Well it's better for him BECAUSE HE IS NOT AN UGLY FATASS LIKE YOU FATASS!

WE GASPED!

Me: You made a huge mistake pipsqueak.

Nico then exploded with rage!

Poromon: I hope Crackhouse Goofy doesn't show up...

Nico: What the fuck did you say to me!? WHAT THE FUCK DID YOU SAY TO ME!?

DemiDevimon: I CALLED YOU A FATASS YOU CRYBABY!

Nico: YOU SON OF A BITCH!

KRABLAM!

Nico punched DemiDevimon in his face so hard that he knocked out most of his teeth!

Poromon: (sighs in relief) No Crackhouse Goofy

Me: No but he will come during the break before the Anothers.

Lola: This will be funny.

Me: It will be.

Lincoln: I got a threatening message from him earlier this morning. He's coming for me to kill me.

Lori: Oh boy.

Me: We'll get him. You'll see.

I punched DemiDevimon.

Nico punched him too.

Poromon smashed a beer bottle on his head.

Camie fired Aurora blasts.

Ymir fired waves of blue fire.

Naomi fired darkness.

Celica fired waves of magic.

Palutena fired light blasts.

Varie fired waves of water

Catherine Champagne fired waves of bubbles and foam.

Carrie White Loud Knudson fired lightning blasts.

The blasts all hit DemiDevimon and blasted him with intense power!

Nico punched him!

Nico: NO ONE! Calls me a Fatass and lives!

Jared: Stand back, Dad, time to unleash the psychos!

Jared got out the box, and as soon as he opened it, Caleb Maxwell, Allie Maxwell, Tyler Maxwell, and Alexander Maxwell came out babbling like crazy psychopaths in a massive whirlwind and fight cloud of pure pandemonium, and they went at DemiDevimon and really beat the shit out of him!

When they were done, DemiDevimon was really mongrelized big time.

Yakko: Okay, that's enough of that chaos. Now, we can end this little imp.

DemiDevimon: You fools! You thought I would be alone?! I also have back-up courtesy of another evil undead Akuma, one whom you hadn't faced off against!

Me: Another evil undead Akuma we hadn't faced off against?!

Wind Golfer: You better spit it out right now!

DemiDevimon: He's an absolute hate-filled monster who despises you all.

Rocker Mermaid: Spit it out right now, you little imp!

DemiDevimon: But, he also smelled like a sewage plant and he doesn't even bathe at all!

Suddenly, they knew who it was!

Super Brother: You had gotten help from...him!

?: He was quite unpleasant and ill-mannered, but he hated all of you just as much as I do!

Lincoln: Seth! I should've known! Get out here right now!

Suddenly, we saw Seth from Street Fighter 4 appear!

Super Brother: And that unpleasant and ill-mannered behavior along with the fact that he smelled like a sewage plant and doesn't bathe at all! There's only one person who matches that: Lord Sewage Breath, the undead evil Akuma of Chandler of my world!

WE GASPED!

Nico: So, in your world, Chandler was flat out evil through and through.

Super Brother: Yep, he wasn't affected by Dark Chase Young in my world, he was born evil.

DemiDevimon: Enough of your chitter chatter! Seth! Kill them all and bring me their heads! (To Yakko Warner) And I'm going to enjoy seeing your siblings and parents' hearts break when Seth kills you! And all of Acme Falls will weep over the death of its monarchs! ALONG WITH YOUR PATHETIC WIVES! (CACKLING INSANELY)

WE GOT PISSED OFF!

Lincoln: YOU HEARTLESS MISERABLE NO GOOD LYING TWO-FACED CONNIVING LITTLE SHRIMP!

Nico: I'M GONNA ENJOY REARRANGING YOUR EARLOBES FOR THAT LITTLE DEATH THREAT!

Me: YOU'RE DEAD, DEMIDEVIMON!

Yakko: (Thinking) To say that kind of death threat and threaten the lives of my wives like that along with my siblings and parents and everyone around me?! Damn you, you're even more unhinged and insane than Frieza after what we'd done to him in the past! (Out Loud) That's it, you've done it this time, you little imp! Now, you're gonna pay!

Suddenly, something within Yakko Warner's mind brutally snapped as the memories of what that little imp had done in the past along with what he did to me two years ago rushed through his head, and his emerald green eyes turned neon emerald green, and he was surrounded by an emerald green, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, emerald green lightning, emerald green fire, phoenixes, and angels, he had his massive Yakko Warner's Cosmic Green Emerald Green Inferno Supercell Electric Green Lightning Thunderstorm Giant Mace Acme Falls Comedic Phoenix God Angel of Cosmic Green Emerald Green Inferno Supercell Electric Green Lightning Thunderstorm Giant Mace Acme Falls Comedic Phoenix God Angel Justice in hand, and as he approached DemiDevimon, he left emerald green, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, emerald green lightning, emerald green fire, phoenixes, and angels with every step.

Yakko: You make me absolutely sick to no damn end, DemiDevimon! You lied to T.K. telling him Matt never wants to see him again and called him a crybaby and how they all abandoned him! That's just nothing but preposterous bullshit! Matt would never say stuff like that especially after all that they went through when their parents split up! What you said was cruel and you even went so far as to break the friendship of him and Tokomon! That's crossing a line that got you killed last time.

SUDDENLY, YAKKO WARNER STARTED TO GET EXTREMELY AND DANGEROUSLY PISSED OFF AS HIS ENERGY AURA FLARED UP AND EXPLODED EVEN MORE AS HIS UPPER AND LOWER BODY MUSCLES GREW AND BULGED OUT EVEN MORE!

Yakko: (Suddenly Getting Extremely Pissed Off) But, you crossed another line when you injected those depression drugs into J.D. two years ago even after we got rid of 2012 Shredder, and all for what, revenge on us for what we did to MaloMyotismon?! That guy was nothing but a monster and what he did to Nico and the Digi-Destined was unforgiveable! But, you, you don't even care at all!

DemiDevimon: And why should I?! You should all just fucking die along with the entire universe! YOU ALL DESTROYED MY MASTER, MALOMYOTISMON, AND RUINED HIS PLANS TO DESTROY THE DIGITAL WORLD AND THE HUMAN WORLD! I HATE YOU ALL!

Yakko: (FINALLY PISSED OFF AND SCREAMING AT THE TOP OF HIS LUNGS) IF ANYONE IS DYING HERE, IT'S YOU! YOU

DESTROY EVERYTHING THAT YOU TOUCH AND YOU POISON EVERYONE WHO CROSSES YOUR PATH WITH YOUR LIES! NEVER AGAIN WILL YOU HURT ANOTHER INNOCENT SOUL, I WILL MAKE YOU AND SETH PAY FOR ALL OF YOUR CRIMES! DEMIDEVIMON, AS THE KING OF ACME FALLS, YOU ARE SENTENCED TO DEATH!

WE GASPED AT THE SUDDEN EXTENT OF YAKKO'S RAGE TOWARDS DEMIDEVIMON AND SETH: NOW THAT VAMPIRIC LITTLE IMP IS LITERALLY IN DEEP DOO-DOO!

Nico: NOW, DEMIDEVIMON'S IN DEEP DOO-DOO NOW!

Me: BIG TIME!

Pesto: HEY! EVERYONE, TAKE COVER! THE OLDEST WARNER SIBLING'S ABOUT TO GO KABOOM!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF YAKKO WARNER WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF HIMSELF AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF HIMSELF WENT BACK TO EARTH OMEGA AND YAKKO WARNER GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Finally, Yakko screamed like an infinite-times fucked-up madman and his energy exploded and he was surrounded by a massive vortex of emerald green, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, emerald green lightning, and emerald green fire surrounding the vortex, there are phoenixes, angels, and Yakko Warner flying around the vortex, and in the vortex is a black and white phoenix with blood red eyes glaring at DemiDevimon and Seth: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

We were really amazed by Yakko Warner's transformation, and when Cherry Hunter, Cammy White, Milan Flare, and Yoko saw him, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding. But, when DemiDevimon saw it, he went ballistic!

DemiDevimon: THAT'S IT! SETH, I ORDER YOU TO TEAR THEM TO SHREDS!

But, Yakko electrocuted DemiDevimon with a blast of green lightning.

Yakko Warner went after DemiDevimon and Seth and he fired extremely powerful blasts of emerald green, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, emerald green lightning, emerald green fire, phoenixes, and angels and they explode with incredible power as they hit them, and he also hit them pretty hard with his new mace, and he also threw bombs and dynamite sticks at them which exploded as well!

Me: Let me and Nico trash him.

Nico and I went at Seth and we really trashed him all over the place, he put up a good fight, but he was no match for us, and when we were done, Seth was badly mangled.

Seth: I don't believe this, I've been...beaten?!

Me: Believe it, you've been beaten once more, Seth.

Seth: You may enjoy your victory today, but one of these days, you will...!

Hey, Trunks, mind if I borrow your sword real quick?

Trunks: Sure! Here, Yakko!

Trunks handed Yakko his sword, then he charged at Seth, and he proceeded to slice him into pieces all over the place, and Seth exploded into a massive pile of ashes and he was sent to The Black Abyss forever.

Then, Yakko landed and gave Trunks back his sword, and that pissed off DemiDevimon.

DemiDevimon: CURSES! DAMN IT, I WAS HOPING THAT SETH WOULD FINALLY GET RID OF YOU BEFORE THE PLAN WAS TO BE SET IN MOTION!

Then, Nico, Super Brother, Lincoln, and I trashed DemiDevimon with really immense godly superhuman strength, and DemiDevimon was really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did, Lincoln, Super Brother, and J.D. also did the same thing damaging him big time, and Nico also joined in as well. Impressive.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at DemiDevimon and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at DemiDevimon, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were more brutal than ever, and he let his massive white wolf with massive white angel wings companion also attacked him too with incredible fury and he fired intense white fire and elemental blasts at him and they exploded with fiery and intense power.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around the imp and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

He even slashed DemiDevimon in the stomach with his left hand's gold-armored dragon claws and rainbow wolf claws and his massive greatsword leaving bloody and brutal claw marks on the stomach, and the wounds got cauterized because of the intense heating up of his gold-armored dragon claws and his left hand's finger claws and massive greatsword!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild
(Now it's the time to light up the sky)
Let your magic run wild
(Now it's the time)
Look at the night sky, filled up with stars
Each one is perfect, just as they are
But they're brighter together, each leaving their mark
So beautifully different, all lighting the dark
'Cause nopony sparkles quite like you, ooh
So let your magic run wild (now it's the time to light up the sky)
Let your magic run wild (now it's the time)
If you could only see everything you could be

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLE!

Lincoln, Nico, and I did one final powerful energy slash that hit DemiDevimon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and DemiDevimon was on his last legs and he was really really mangled.

Ed Cowart: Oh look, it's a teeny tiny shitty Crobat knockoff, or as I call DemiDevimon ShortyVampwing McVampimploser!

DemiDevimon: (Seething in rage while steam comes out his ears) THAT'S IT! NO ONE MAKES FUN OF MY SIZE AND GETS...!

Ed Cowart: (Flattens DemiDevimon into a pancake) That's for messing with J.D., you stupid vampiric midget! And now for the pain!

Ed Cowart dropped a rock on DemiDevimon which crushed him, then he shoved sticks of dynamite into DemiDevimon's mouth which exploded, then he stomped DemiDevimon several times, then he punched DemiDevimon all over, and finished by dropping a piano and even pulling DemiDevimon's underwear over his head.

Ed Cowart: WEDGIE!

MY STOMACH WAS GROWLING!

Me: OH BOY! HERE IT COMES! Nico grab me and hold me like a gun!

Then, Nico grabbed me and held me like a gun and pointed my butt at DemiDevimon! I smirked, but that also shocked Lincoln!

I RELEASED THE BIGGEST MOTHER OF ALL FIERY FARTS RIGHT AT DEMIDEVIMON AND OBLITERATED HIM INTO NOTHING, AND ALL THAT'S LEFT IS A SCORCHING FIERY REMNANT!

Nico put me down and we cheered as we holstered our weapons and powered down.

Maria: J.D., what the heck were you thinking eating Samsara Curry's curry, Jackie Burgerflame's burgers, Isolda Pastaflame's pasta and Taryn Takoyaki's Takoyaki and guzzling down a Mississippi Queen drink?

Nico: I figured this was how J.D. was going to kill DemiDevimon, so that's why he did that, and it was a success.

Me: Yep. (STOMACH RUMBLES) OH GOD! I'M HEADING BACK!

I VANISHED BACK TO THE WORLD TREE ESTATE AND RAN TO THE BATHROOM!

Caleb Maxwell: Great, he's gonna kill another toilet again! Just how many does that make?!

Nico: That's gonna be six toilets he's killed.

Everyone: SIX TOILETS?!

Lincoln: We're gonna need some new toilets when we get back. Now, there's one last thing to do.

Then, Lincoln flew into the dark core of Yatagarasutaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the Dark Crow Castle into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Yatagarasutaira's massive Black Sun and Dark Moon and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, everyone was back on Earth Omega and in the gym at Lynn's Table.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

I came back later

Me: WHEW! That's better!

Camie: Wow! What a fart!

Me: No kidding!

Nico: But DemiDevimon is gone for good.

Xenia: Thank goodness.

Nico: Nice job Pumpkaboo.

Pumpkaboo: Thanks Nico. That was fun:

Me: I'll say!

Poromon: Want some beer?

Pumpkaboo: Oh no thanks. I get explosive diarrhea from it.

Me: Okay we did NOT NEED to know that.

Pumpkaboo: Sorry.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Maria got a call.

Maria: Oh excuse me. (Answers) Hello?

Man: Hello is this Maria Dunbar?

Maria: This is she.

Colonel Gunnerton: Hello Maria this is Colonel Hector Gunnerton of the United States Air Force.

Maria: (Salutes) What can I do for you Colonel sir?

Colonel Gunnteron: We would like to invite Horsea over to the U.S.S. Ronald Reagan to test one of our newest planes. This is a really special plane for us that we made.

Maria: Oh wow! That is a big honor! One sec. (To Horsea) Horsea, the U.S.A.F. Is on the phone and they would like to have you test one of their planes for them.

Horsea: (GASP) Oh wow! I would be honored!

Maria: Horsea said she would be honored!

Colonel Gunnerton: Great! See you on the U.S.S. Ronald Reagan at 1500 hours.

Maria: Yes sir!

She hung up.

Manaphy: Now that you mention it, one of my drawings is missing

Me: I think the Air Force saw it.

Nico: Yeah.

Horsea: I'm so excited!

Manaphy: Now that you mention it, one of my drawings is missing

Me: I think the Air Force saw it.

Nico: Yeah.

Horsea: I'm so excited!

Crackhouse Goofy then came and he was infuriated!

Crackhouse Goofy: YOU SON OF A BITCH!

Lincoln: Not my fault Clarabelle likes me better than you, you buttugly freak of an ugly cow!

Crackhouse Goofy: (ENRAGED) WHAT THE FUCK DID YOU JUST SAY TO ME!? WHAT THE FUCK DID YOU JUST SAY TO ME!? OH HELL NO! YOU SON OF A FUCKING BITCH! I'M GOING TO FUCKING KILL YOU! NOBODY MESSES WITH GOOFY!

Then...

Woman: IT'S CRACKHOUSE GOOFY! GET HIM!

A bunch of women came and beat the living shit out of him!

NUMEROUS FIGHT SOUNDS!

They got out tazers!

ZAAAAAAAAAPPPP!

They electrocuted him!

Then...

BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

NUMEROUS ANVILS FELL ONTO HIM!

Then he got up and then he was attacked by ferocious animals like bears, wolves, coyotes, ants, cougars, eagles, piranhas and many more creatures!

FEROCIOUS ANIMAL NOISES!

They left and then...

KRASMASH!

He got hit with a house made of fishsticks!

LIGHTHOUSE FOGHORN!

Then...

KRASMASH!

Followed by a house of pizza!

ITALIAN MUSIC PLAYS!

KRASMASH!

Followed by a house made of fruit and healthy snacks!

(HARP PLAYS)

KRASMASH!

He got hit by a house of cheeses!

(SWISS YODEL)

And then...

KRASMASH!

He got hit by a house made of chocolate, marshmallows and graham crackers!

CAMPING MUSIC PLAYS!

He got up from the rubble.

But then...

AIR WHISTLING!

MASSIVE NUMBERS OF CRATES OF EXPLOSIVES CRASHED ONTO HIM AND THEN...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

SPLAT!

A giant boot house! And then...

THUNDEROUS KRASMASH!

A GIANT CRUISE SHIP!

SHIP HORN!

Then METEORS FELL AND CRASHED ONTO HIM WITH EXPLOSIVE FORCE!

MASSIVE NUMEROUS FIERY EXPLOSIONS!

KROW!

A kid kicked him and sent him flying and he landed on a diving board that is part of THE SUSHIMAKER! Crackhouse Goofy falls off the diving board and lands into a tub of boiling hot lava. He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Goofy falls onto the conveyor belt and it takes him to the rolling wheel with sharp corals on it. Crackhouse Goofy gets rolled on by the sharp corals, leaving his face bruised. Crackhouse Goofy gets pummeled by boxing gloves until he becomes liquid. The liquefied Crackhouse Goofy falls onto a seat. Four robotic arms grab him, stretch him and roll him up into a ball. Crackhouse Goofy is placed into a cannon and it fires him far off into the distance until he hits the high school bell. Crackhouse Goofy falls in front of the front doors just as the high school students march out and trample on top of him.

Then grabbers grabbed him and put him into a supersonic car.

Then the car took off and went fast! And then...

MASSIVELY SUPER DEVASTATING POWERFUL SMASH WITH

INTENSE AND INCREDIBLE POWER!

IT SMASHED RIGHT INTO A BRICK WALL AT 500 MILES PER HOUR AND SMASHED HIM INTO A BLOODY PULPY PANCAKE!

Me: HOLY CRAP!

Carrie White: That had to hurt!

Me: He had it coming

Nico: GEEZZ! He just doesn't learn!

Goofy: (To Crackhouse Goofy) Now, you've done it. It's bad enough you tried to kill J.D., now you tried to kill Lincoln, one of my best pals from long ago. I'm telling! (To The Loud Siblings and Family on his holographic communicator) Hey, everyone! (Points to Crackhouse Goofy) This guy tried to kill Lincoln in the same way he tried to kill J.D.!

Loud Siblings and Family: (ENRAGED SCREAM) HE WHAT?! GET HIM!

THEY POUNCED ON CRACKHOUSE GOOFY AND THEY GOT ENVELOPED IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

Loud Siblings and Family: NO ONE, AND I MEAN, NO ONE HURTS LINCOLN AND GETS AWAY WITH IT! YOU'RE DEAD, YOU FAT COW!

IT WAS AN EXTREMELY FEROCIOUS PRIMEAPE BALLISTIC STYLE FIGHT ON CRACKHOUSE GOOFY AND THE LOUDS WERE FEROCIOUSLY BEATING HIM UP IN A FEROCIOUS FIGHT CLOUD!

Max Goof: Yikes! This is getting ugly! But, that was really good alerting them, Dad, even though J.D.'s curse was already teaching him a lesson.

Goofy: No one messes with one of my pals from long ago, Maxie.

When The Loud Siblings and Family were done, Crackhouse Goofy was really mangled up.

Goofy: And by the way, I also happen to be a better father to my son than you'll ever be. Now, to send you flying out of here!

Goofy had his shield ready, and...!

Goofy: CHARGE!

GOOFY CHARGED AT RAMMING SPEED FASTER THAN A BULLET TRAIN, AND...!

BASH!

GOOFY BASHED CRACKHOUSE GOOFY HARD WITH HIS SHIELD AND SENT HIM FLYING OUT OF HERE!

Crackhouse Goofy: I'M BLASTING OFF AGAIN!

TING!

Then Crackhouse Goofy started falling.

Then Lincoln placed NUMEROUS EXPLOSIVES ON THE GROUND!

Then he ran and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was burned in an enormous explosion! He was burned to a crisp!

Then his head opened up and his brain sprouted wings and flew away.

He was beamed to M.O.E. HQ

Nico: Oh, Commander Yanmark, what do you like to do in your free time?

Commander Yanmark: I'm a drill sergeant at TLPS Boot Camp. Training new soldiers for you guys.

Me: Awesome job.

Nico: Now for the Anothers

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Tahu.

Tahu: Another Me? That means who I'm facing is none other than...!

Lincoln: Voltaire. We're ready for him just like two years ago.

Me: Yep. So Commander Yanmark, Yanma (Pokemon), Naomi Naroom, High Five (Skylanders), Gina Smithers, Dolores Smokcienia and Tina Quetzal are up and we're facing Another Crush (Spyro), Gulp (Spyro), Dragonfly Phantom Soldlake, Kenneth Chase, Dogadon (Donkey Kong 64), Dragonfly Undead and DeeBees

Nico: Yep.

Qin: Awesome!

Nico: There they are!

We saw Another Gulp (Spyro), Dragonfly Phantom Soldlake, Kenneth Chase, Dogadon (Donkey Kong 64), Dragonfly Undead and DeeBeesQ

Me: WHOA! This is gonna be awesome!

Qin: Yeah!

Another Gulp: (In a girls voice) It sure will.

She reverted back and it was the gene-slammer of Maiden of The

Moonlight!

Nico: (GASP) Luna Maidenflora!

Luna Maidenflora: Been a while Nico.

Me: Whoa the gene-slammer of Maiden of the Moonlight and she looks just like the real deal.

Luna Maidenflora: I get that all the time and it's cool.

Me: It sure is. By the way are the rest of the Anothers friendly or Hostile?

Luna Maidenflora: Friendly and the Another Tahu is a really powerful one.

Me: Wow!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

Eli: Crackhouse Goofy needs to be put out of his misery forever.

Xenia: Let Vypra deal with him.

Me: Okay.

Nico: On the other hand, humiliating him is so much fun!

Me: It sure is! Oh look!

We saw Another Crush and Tahu!

Me: There they are!

Xenia: Yep!

Another Crush: (In a girls voice) This will be fun.

She reverted back and it was the gene-slammer of Maiden of The Aqua!

Nico: Aqua Maidenflora!

Aqua Maidenflora: Good to see you Nico and my sister found you guys too.

Nico: She sure did. Aqua and Luna are sisters and they went to school with me.

Me: Awesome!

Nico: And your friend?

Another Tahu: (In a girls voice) Someone who loves Tahu and the Toa like siblings

Tahu: (GASP) That voice!

She reverted back and it was the Avatar of Tahu! She was a girl that had red hair and red eyes and had red fire angel wings and red clothes and had Tahu Nuva's mask on her forehead and had the island of Mata Nui on her arm as a cutie mark and had Tahu's fire sword in her hand.

Tahu: (GASP) Tahlia Tahu!

She went Tahu hugged.

Tahu: I'm glad to see you sister.

Tahlia Tahu: Me too brother.

Me: Your sister?

Tahu: Yep. And she is more than my sister. She is also one of the 7 Avatars of Mata Nui.

Tahlia Tahu: Long ago, on the Island of Mata Nui there existed a legend that when the Toa defeated Makuta, there was an ancient prophecy that foretold the coming of Seven avatars of the elemental Kinohe Masks of Power. I am the Avatar of Fire of Tahu. We were chosen to defend the Island of Mata Nui and the Earth from Makuta.

Me: WOW! That is amazing!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Aqua Maidenflora: No he didn't because I used my water powers to trap them in a ball of water and we ran.

Sakura Knudson: That explains why I found them all wet back then.

Me: Cool!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Me: Well he probably wouldn't have honored that promise anyway. But we could use you and your friends help to destroy Makuta Teridax in the future.

Tahlia Tahu: I can tell. I will gladly help.

Me: Awesome!

Lincoln: Lets separate you first.

We did so.

Me: Lets do this!

Nico: (Gets out Crush's ridewatch) CRUSH AND SMASH!

Yanma: (Gets out Gulp's ridewatch) GULP AND SWALLOW!

May: (Gets out Dragonfly Phantom Soldlake's ridewatch) DRAGONFLY POWER!

Universe 666 May: (Gets out Kenneth Chase's ridewatch) DRAGONFLY POWER 2!

Maria: (Gets out Dogadon's ridewatch) (ROARS)

They used the powers of Crush (Spyro), Gulp (Spyro), Dragonfly Phantom Soldlake, Kenneth Chase, Dogadon (Donkey Kong 64), Dragonfly Undead and DeeBees and blasted the Anothers all over the place!

Nico: I knew the Toa had siblings of their own! I knew it!

Tahu: (LAUGHS) It was only a matter of time my brothers!

Tahlia Tahu: It was bound to come out!

Then Mosquiras, Hurricane, Holocaust, Cottage Cheese Demon, Salem the Skunk from Indigo Park and Garbage Pig (CTCD) came out!

Me: WHOA!

Qin: WOW!

Nico: Nice team Mosquiras!

Mosquiras: Thanks Nico!

Me: That means Stinkfly's team is next.

Stinkfly: That's right!

Courage: HEY! I know you!

Bai Tza: You're that stinky pig that lived in the house after Conway lived there.

The Garbage Pig laughed!

Garbage Pig: That's right and it was the best thing ever.

Lana: That was awesome!

Garbage Pig: Yeah!

?: Boy stinky isn't it.

Elemental HERO Shining Flare Wingman came!

Me: WHOA! Elemental HERO Shining Flare Wingman.

Nico: Shining!

Elemental HERO Shining Flare Wingman: (In a girls voice) This will shine down from the heavens!

Nico: Jenna Burnlight!

She reverted back.

Jenna Burnlight: Good to see you Nico. I got this! SHINING INFERNAL RAGE!

She fired a massive blast of light and fire and it hit the Anothers and I caught the Ridewatches and purified them!

Me: YEAH! That was awesome!

Nico: It sure was! Nice job!

Jenna Burnlight: Thanks! That was fun!

Me: It sure was!

Yanma: Do you have any favorite memories of Nico?

Jenna Burnlight: I sure do. When me and Nico had Karaoke day at school and I sang the celtic song To Where you Are and everyone cried in tears of joy on that one.

Me: WOW! That is a touching song though.

Xenia: It sure is.

Nico: Yep.

Nico and Jenna hugged.

Nico: I've missed you.

Jenna Burnlight: Same here.

We went back home.

Fluffinstuff, and Lady Meowmalade of the Kitty Litter organization, along with their father, the former Guardian and the powerful evil sorcerer Jinx and reclaim all the pages of The Book of Ages, and after that, we're also going to help Lucky become a full-fledged Guardian by going through the Guardian Trials provided by his older sister, Lyra Swiftail, and that'll lead to Lucas Swiftail, the elder brother of Lyra and Lucky and one of The Guardians, to appear, and we'll find out that despite going on his own path, he'd been waiting for Lucky to become a full-fledged Guardian, so that way, they can find the other Guardians who were scattered after Jinx's betrayal.

But, we're also going to find out they're being held captive by the next undead evil Akumas: The Duo of Chaos, the evil undead Akumas of Pablo and Anderson, they're a pair of 9,999'11" moronic buttfaced hulking musclebound giants with excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and a penchant for destruction. They were created after they were resurrected by Lord Demonblood after Pablo and Anderson from Super Brother's world were killed by Super Brother himself after their plan to kill Super Brother was foiled, and they want revenge on Team Loud Akuma Angel Storm!

So, we're going to rescue the other Guardians and get rid of those buttface morons and send them to The Black Abyss forever!

We had all of TLPS and The M.O.E. with us.

Lincoln: Whoa, we're here in the world of New Super Lucky's Tale, and I know what we're going to do here, not only am I going rescue the seven girls here, but we're going to meet Lucky Swiftail, and help him defeat Master Mittens, Tess, General Buttons & Lt. Fluffinstuff, and Lady Meowmalade of the Kitty Litter organization, along with their father, the former Guardian and the powerful evil sorcerer Jinx and reclaim all the pages of The Book of Ages, and after that, we're also going to help Lucky become a full-fledged Guardian by going through the Guardian Trials provided by his older sister, Lyra Swiftail, and that'll lead to Lucas Swiftail, the elder brother of Lyra and Lucky and one of The Guardians, to appear, and we'll find out that despite going on his own path, he'd been waiting for Lucky to become a full-fledged Guardian, so that way, they can find the other Guardians who were scattered after Jinx's betrayal.

Nicole: I've played the game before, and after Jinx's betrayal, he and The Kitty Litter, his children, were sucked into The Book of Ages, but unfortunately, so was Lucky. So, he's trying to get all the pages back and return home to Foxington. But, it won't be easy, not with Master Mittens, Tess, General Buttons & Lt. Fluffinstuff, and Lady Meowmalade on the prowl, same with Jinx, and he's a powerful sorcerer.

Me: We've dealt with worse sorcerers than him. Shang Tsung was the worst.

Nico: Big time, we'll take down those walking hairballs and send them to the clink. By the way, Super Brother, what was that plan that DemiDevimon was spatting about?

Super Brother: I think I know what he's talking about. I had a vision last night, and bad news: it turns out that Lord Sewage Breath, the evil undead Akuma of Chandler from my world, had recovered the body of Caleb Maxwell from my world and he and the other undead evil Akumas brought him to the castle: the lair he created when he was turned into Lord Demonblood, and they are planning to bring him back from the dead.

WE GASPED!

Me: Oh God, that's not good!

Super Brother: And here's the bad news: DemiDevimon along with the other evil Digimon villains we're going to face in the saga of rescues for Nico are also among the contacts of the undead evil Akumas, and they're out to destroy us and stop us from preventing the resurrection of Caleb Maxwell from my world, because if that happens, it'll also mean he will transform back into Lord Demonblood.

Commander Yammark: This is not good, so that little imp and the other evil Digital Realm villains are among those who are helping in the resurrection of your hated enemy.

Super Brother: Lord Demonblood's my hated enemy, but not Caleb from my world, but they were one and the same.

Caleb Maxwell: The only way to sever Lord Demonblood from my counterpart from your world would be through a powerful spell that counteracts and removes my counterpart from your world from that demon.

Lincoln: That'll be left to me and Super Brother. We don't know when they will commence with the ceremony, but we will be ready for them. Now, let's go find Lucky Swiftail, he's here in Sky Castle.

Nicole: The hub of all the worlds in The Book of Ages, the first place to start. Let's go.

We headed to The Sky Castle, and there we saw the person we set out to find: Lucky Swiftail, a male orange fox kit, blue cape and sneakers with white soles and laces with 2 strokes, he has white fur patches on his paws, belly, and the tip of his tail, darker tips on both ears, light orange outline in his eyes, and bluish-purple tint pupils.

Lucky Swiftail: Who are you? Are you here to help?

Lincoln: We are, Lucky. Can you tell us what happened?

Lucky Swiftail explained to us about Jinx's betrayal and how he was once a Guardian and that he and The Kitty Litter tried to steal The Book of Ages, but were sucked into The Book of Ages, but so was he as well, and he's going to find all the pages and stop Jinx and The Kitty Litter and return home to Foxington.

Me: That's a lot of work, but we're going to give you a hand as well.

Lucky Swiftail: Thank you. Come on!

We went through Sky Castle and helped the Golems and we also defeated Master Mittens, the first of The Kitty Litter, he was a skilled ninja, but he was no match for us. Then, we went through Veggie Village and helped out the Wormals and defeated Tess, the second of The Kitty Litter and she was a scary mad scientist and absolutely crazy! Then, we headed for Wrestful Retreat and helped out The Yetis and we defeated General Buttons and Lieutenant Fluffington, the military officers of The Kitty Litter. Then, we headed for Gilly Island and helped out the inhabitants by freeing them from that music that hypnotized them, and then, we went after Lady Meowington and she was the eldest of The Kitty Litter and a self-centered entitled DIVA! We defeated her and tied her up. Then, we headed to Hauntingham and we assisted the ghosts and we went after Jinx, the powerful sorcerer and former Guardian and we defeated him and tied him up.

Jinx: I was so close, The Book of Ages was almost mine along with the world!

Lucky Swiftail: You were doomed to fail, Jinx, the day you betrayed my Dad and the rest of the Guardians was the day you were doomed to fail.

And along the way, we gathered all of the pages of The Book of Ages, and it opened the portal that brought us to Foxington, and we saw our next ally: Lyra Swiftail, the elder sister of Lucky Swiftail and the other Guardians.

Lyra Swiftail: Lucky...?

Lucky Swiftail: Surprised to see me, Lyra? I said I'd find a way back.

She then hugged him.

Lyra Swiftail: You sure did, little brother.

Nico: And we also helped him take down Jinx and The Kitty Litter and we got them tied up so you can throw them in jail.

Me: So, what now?

Lyra Swiftail: Now that Jinx and The Kitty Litter are in prison, now we help Lucky graduate to being a full-fledged Guardian by going through The Guardian Trials, there are sixteen trials Lucky has to go through in order to become a full-fledged Guardian.

Then, we saw Anna Lyd, The Penultimate Warrior, and CH1P, the other Guardians.

Lyra Swiftail: These trials were devised by me and my team, Anna Lyd, The Penultimate Warrior, and CH1P.

Lucky Swiftail: I'm ready, Lyra.

Lyra Swiftail: (Smiles) Kick some tail, Lucky. Let's begin.

Lucky Swiftail began his trials as he went to the areas where Anna Lyd, The Penultimate Warrior, and CH1P had created their trials, and Lucky Swiftail passed all of them and earned all 16 medals and 16 hot dogs.

Lyra Swiftail: Lucky, you did it! You passed all 16 trials! You have become a full-fledged Guardian.

Lyra Swiftail presented the Guardian Sigil to Lucky.

?: You did it, Lucky.

Suddenly, we saw an tough, very smug, suave and confident elder male fox with sunglasses, a leather jacket, a white shirt, blue jeans, black boots, and he had the Guardian Sigil on his leather jacket.

Lyra Swiftail: Lucas?

Lucky Swiftail: Lucas? You're...here?

Lucas Swiftail: (Smug Smirk) Made it here in time to see my little brother not only return, but also, pass the trials. And you also got Team Loud Phoenix Storm with you along with The Kitty Litter and Jinx.

Me: You look like trouble in appearance, but you're good.

Lucas Swiftail: Despite going on my own path, in truth, I've been waiting for Lucky to become a full-fledged Guardian and also finding all the pages of The Book of Ages, that way, we can find the other Guardians who were scattered after Jinx's betrayal, along with finding our parents.

Nico: And The Book of Ages will lead us right to the other Guardians and your parents.

Lyra Swiftail: Is such a thing possible?

Lucas Swiftail: It is. I also got something for Lucky.

Suddenly, Lucas Swiftail chanted an incantation, and then, Lucky Swiftail was surrounded by an orange and white, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, fox fire, foxes, phoenixes, and angels.

Eli: Whoa, what's happening?

Lucas Swiftail: Just giving Lucky a little upgrade, thanks to an incantation I somehow learned, and it'll cause him to transform just like you guys, and because of what he went through in The Trials, that's also going to take effect as well. Because, I asked Lyra to hold them in The Hyperbolic Time Chamber.

WE GASPED!

Nicole: How did you know about that?!

Caleb Maxwell: Were you spying on us?! (HISSES LIKE A CAT)

Lucas Swiftail: Hey, you better tell that guy to cool it, his darkness is really uncool.

Allie Maxwell: You smug snarky...! (HISSES LIKE A CAT)

Mad Cat Max: Uh oh. I hope your brother finishes his transformation, before my girlfriend and her elder brother and their equally dangerous brothers also come after you, Lucas.

Lyra Swiftail: I think we already saw how dangerous your friends really are, especially Allie's elder brother.

Me: Yeah, and he's the most dangerous and unhinged person ever when you piss him off.

Nico: And no straitjacket can stop him!

Lincoln: He'll just tear through it like a piece of paper.

Me: You did, and you also have on a blue version of the bodysuit our friend, Alya, has on whenever she turns into Rena Rouge.

Alya: It's fitting for you, plus you also have The Guardian Sigil on the suit as well.

Lucas Swiftail: Now, it's time to find Mom, Dad, and the other Guardians.

Super Brother: (Suddenly getting a vision) And I know who it was that kidnapped your parents and the other Guardians. It wasn't the doing of Jinx and The Kitty Litter when they tried to grab The Book of Ages. It was The Duo of Chaos, the evil undead Akumas of Pablo and Anderson from my world, they're a pair of 9,999'11" moronic buttfaced hulking musclebound giants with excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, pure rage that's converted into more incredible superhuman strength and muscle mass, and a penchant for destruction. They were created after they were resurrected by Lord Demonblood after Pablo and Anderson from my world were killed by me after their plan to kill me was foiled, and they want revenge on Team Loud Akuma Angel Storm!

Super Brother got out his sketchbook and we saw The Duo of Chaos, they're a pair of 9'999'11" hulking musclebound giants!

WE GASPED!

Me: Great, as if our Pablo and Anderson weren't bad enough!

Nico: Lincoln, you know what you got to do, right?

Lincoln: Yep, use my Cell stingers to suck them dry of their excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and drive another Dagger of St. Michael into their black hearts to finally kill them for good and send them to The Black Abyss.

Then, Lucky Swiftail played a melody on his new flute, and The Book of Ages opened a portal that led to one of the worlds and we went in, and we found the other Guardians and Liam Swiftail and his wife, and they're being attacked by The Duo of Chaos.

Duo of Chaos: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, The Duo of Chaos were now looking like desiccated corpses!

Then, Super Brother threw two Daggers of St. Michael into those undead evil Akumas of Pablo and Anderson from his world, and they pierced their hearts and they exploded into white flames and were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate, and Lucky Swiftail's new body, clothes, weapons, jewelry, Third Eye, longer tail, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold flame ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold flame ring-shaped frames around them with embedded blue gems behind the gold rings behind his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large orange and white planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller orange and white planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized orange and white planets orbiting around her wrists and ankles, and enormous orange angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large orange angel wings underneath his enormous orange angel wings are permanent.

Super Brother: And that's another pair of evil undead Akumas from my world taken care of.

Nico: You said it. Plus, we recruited Lucky Swiftail, his family, and the other Guardians into TLPS.

Me: Especially after what you did to The Duo of Chaos, Lincoln. Lincoln?

But, Lincoln didn't hear me, he was too caught up with the excessive surges of excessive power rushing through his veins and body because of him sucking The Duo of Chaos dry of all their excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING BATTLE ROAR!

Lincoln let out a massive soul-crushing earth shattering battle roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive

muscles!

And because of the force of it, some of us, mainly The Mascots, were sent flying into a wall!

Me and all of TLPS and Vypra and The MOE: HOLY SHIT!

May: SWEET GRANDPA'S GRAVY!

Bovarina Minotauraira: (Smirks) I hadn't heard that massive soul-crushing earth shattering battle roar of raw power and pure male virile strength in such a long time! That roar is the very roar Lincoln makes that causes the souls of his enemies to shatter and quake with fear! But, that also arouses many of us.

Nico: (Thinking) Damn, Lincoln, you know how to attract a lot of ladies especially warrior queens born for strength, war, and conquest, and the only males they're attracted to are Alpha Males. But, you, you're a True Alpha Male who's a True Badass, Chivalrous, Pure Good, and a True Friend.

But, we also heard Nico's thoughts: we were stunned at how strong Lincoln really is, but there's no limit to how strong Lincoln can truly become.

The Mascots peeled off of the wall.

?: Thank goodness it didn't end with you Mascots getting into a screaming match with Caleb again.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Geomancer of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Geomancer of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Geomancer of the Ice Barrier, and she has an ice greatsword and with her are the seven girls.

Lincoln: (Gasps) Yuki Frostine, Avatar and Gene-Slammer of Geomancer of The Ice Barrier.

Yuki Frostine: That's right, and I got the girls away from those hulking brutes! I thought we were done with those assholes!

Super Brother: They're actually from my world and whom I'd killed long ago, but my world's Caleb Maxwell who came back as Lord Demonblood, the evil undead Akuma and leader of the other evil undead Akumas, brought them back and turned them into undead evil Akumas whom my team and I have fought against.

Nico: However, there was one thing that'll kill them: The Dagger of St. Michael.

Me: And as for Caleb Maxwell from Super Brother's world...! After we killed Lord Demonblood by driving a Dagger of St. Michael into his heart and he turned back to normal, Caleb Maxwell from Super Brother's world was overwhelmed by guilt for what he did at that time and overcome by the dark tragedies of his past committed suicide.

Lincoln: Now, we got to clean up his mess by killing the evil undead Akumas he created, but so far, we are on the right track.

Caleb Maxwell: But, now we got another problem: Lord Sewage Breath, the undead evil Akuma of Chandler from Super Brother's world is planning on resurrecting my counterpart from that world, and we're gonna be in for one final battle with him.

Lincoln: That is unless we stop the resurrection. (To Yuki Frostine) And it's so good to see you again, Yuki.

Yuki Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Yuki Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Yuki

Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Yuki Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Yuki Frostine's waist and hugged her, and Yuki Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on

his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Yuki Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you

can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Yuki Frostine, Avatar and Gene-Slammer of Geomancer of The Ice Barrier, she's Lincoln's Guardian Angel from Burbank and she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier. She's The Ice Geomancer of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Yuki Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Geomancer of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Yuki Frostine is also an old friend of Yakko, Wakko, and Dot Warner, and she also defended them from Ralph, Dr. Scratchnsniff, and the former Warner Bros. CEO, Mr. Plotz, and that also meant defending them from the current CEO, Nora Rita Norita, and during a party with them and the Tiny Toons and Looney Tunes in Burbank's Warner Bros. Studio Lot, Sebastian showed up to cause havoc, but it turns out he wasn't the only uninvited guest. Because of the portal that lunatic opened up to The Hell for Infinite Losers and freed the old enemies of The Z-Fighters, that also freed Broly from his prison and we thought he'd come in search of revenge on us, but instead, he sought to kill Sebastian proving that he had no power over him or the rest of the old enemies of The Z-Fighters. According to the story, Yuki Frostine had the assistance of a fourth Warner Sibling who got rid of Broly while she got rid of Sebastian, but thanks to that Satanic slime, The Black Ooze of The Eldritch, he was resurrected and fled back to Hell but not before he swore eternal revenge on Yuki Frostine, The Warners, The Looney Tunes, The Tiny Tunes, and the mysterious fourth Warner Sibling.

Nico: Who is this mysterious fourth Warner Sibling.

Yuki Frostine: Ah ah ah! No spoilers, Nico!

May and Nico's harem: Boo! That's no fun!

Maria: Wait, we're probably gonna be meeting him tomorrow on Lincoln's next rescue, but we'd better watch it though. What if Plotz finds out?

Yakko: He'll get flattened into a tortilla if he pokes his big nose in our business.

Lincoln: We'll save that in case he steps out of line. (Smirks) Right, Mr. Plotz?

Mr. Plotz gulped in pure horror!

Me: Uh oh, I don't want to find out what you did to frighten him, Lincoln.

Lincoln: Best you don't, even I scare myself when I get pissed, and now that you're here, Yuki.

Lincoln with his massive muscular arms still wrapped around Carol Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Yuki Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Yuki Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Yuki Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Yuki Frostine.

Yuki Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Yuki Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Yuki Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Yuki Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Yuki Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the seven girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Yuki Frostine: HOLD...! (Saw us gone) It!

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are cute.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Ringo: Yes, we're okay, thanks to you.

Then, when Ringo and the other six girls saw who it was that saved them from The Duo of Chaos, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Pablo and Anderson for good.

Lincoln: And we also met Lucky Swiftail and reunited him with his family and got all the pages of The Book of Ages back.

Nico: And we stopped Jinx the Sorcerer and The Kitty Litter. I hope they spend the rest of their nine lives in prison.

Lucas Swiftail: I actually have a better idea: I know they're responsible for all the Hell they put Lucky and Lyra through along with the disappearance of our parents and the other Guardians scattering, but I told Vypra to have them put into The Masters of Evil's HQ until they're ready to be members of the Masters of Evil.

Me: That was actually really smart.

Lucky Swiftail: I also heard from Lady Meowmalade that she had a thing for you.

Nico: It's a good thing we tied that diva up, and we didn't let Caleb and Allie attack her, otherwise, they would've killed her in cold blood.

Lincoln: We have control over ourselves, but Caleb.

Caleb Maxwell: I lost all sense of logical thought and reason due to what I went through and all I wanted was blood.

Allie Maxwell: And that diva was just like Lola with her Dark Side! Ugh! I wanted to skin her alive!

Tyler Maxwell and Alexander Maxwell: Same with us!

Eli: If the Kitty Litter behaves themselves, they'll be welcomed in as members of The M.O.E., but I don't know about Jinx. He did betray the Guardians and backstabbed Liam Swiftail, his dear friend from long ago.

Lyra Swiftail: We can only wait for time to tell.

Lincoln: That's right. Only time will tell.

After Lincoln and all of us met Lucky Swiftail and reunited him with his family and friends and took down Jinx the Sorcerer and The Kitty Litter and got rid of The Duo of Chaos, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Yuki Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Yuki Frostine: My God, I was right that Lincoln's really grown into a

950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Yuki, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Yuki Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Yuki Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, Lincoln had a massive nosebleed and he let out a roar as he lifted the massive mountain-sized barbell up even more!

Me: Uh oh, hot Akuma alert?

Lincoln: Yep, and she's a real seductive and voluptuous succubus. Her name is Lady Haremsuccubus, the hypothetical Akuma of Galacta, and she's considered one of the most voluptuous beauties among the Akumas and she's the master of Seduction, love, and sex, and being the hypothetical Akuma of Galacta, she also has The Power Cosmic, and the only person she sees as a worthy mate is Lincoln, and she hates perverts with a bloody passion to the point where she won't hesitate to castrate and kill them!

Lincoln put the massive mountain-sized barbell down and he got out his sketchbook and we saw what she looked like: A MEGA VOLUPTUOUS AND MEGA SEXY PURPLE HAIRED BOMBSHELL WITH PURPLE HORNS ADORNED WITH GOLD JEWELRY, BLUE SLEEVELESS TOP THAT HAD HER MASSIVE BUST IN FULL

DISPLAY, VOLUPTUOUS HIPS, AND BLUE PANTIES!

Me: WHOA! UH OH! GUYS, WE GOT A MEGA VOLUPTUOUS BABE ALERT! GET YOUR BLIND MAN GLASSES OUT!

The rest of us males put on blind man glasses.

Nicole: She's gonna appear at any second just like Galacta's father, Galactus!

Lincoln: You're right about that.

But, suddenly, Lincoln's cheeks and muzzle turned a blazing red when he felt two hands on his pecs and his back was also being smothered by two large breasts!

Lincoln: Uh, guys, why did it suddenly get a little hot in here?

?: (Seductive Voice) Maybe you should be asking yourself that, Linky.

Suddenly, Lincoln turned around, and he saw her: Lady Haremsuccubus, the hypothetical Akuma of Galacta.

Lady Haremsuccubus: (Seductive Voice) Well, hello, big, tall, buff, and handsome wolfman. Like what you see?

Lincoln could only nod, but then...!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his deep blood red eyes with the slit pupils became more intense: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

Then, Lincoln snapped his snapped his fingers and the 950'11", handsome and extremely muscular wolfman was in a large orange and white speedo with a Thunderbird and lightning bolt surrounded by elemental forces and stars on it with intense rainbow flames coming off the speedo, that caused Elemental Seductress to blush madly, and she began rubbing every last massive and infinite-times hard muscle on his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made her go even more wild, and he let out a manly wolf growl of pleasure from their touches as she rubbed his massive pecs, biceps, forearms, legs, and twelve-pack abs.

Lady Haremsuccubus: (Swooning) So manly...! And so nice and hard.

Then, Lincoln flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and Elemental Seductress felt them for herself and her atomic red blush on her face became even more hotter and more intense.

Lady Haremsuccubus: And they're also throbbing with raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

She couldn't help herself as she continued rubbing his body.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)(Seductive Beastly Gruff Manlier Voice)(Smirks) Like what you see?

Lady Haremsuccubus could only nod.

Lady Haremsuccubus: (Thinking) And he also lets out such a manly wolf roar too? (Licks her lips)

Me: Uh oh...! He's got her aroused, now he's going in for the finisher!

Suddenly, Lincoln pinned Lady Haremsuccubus to the floor.

Lincoln: (Beastly Gruff Manlier Voice) Gotcha.

Lady Haremsuccubus: (Smirks) Really? (Felt Lincoln's immense and infinite power and the effects of his Mark of The Incubi) Oh my God, what's happening? His power, his presence, it's even more powerful than ever...!

But, suddenly, she feels as though she was being overwhelmed by Lincoln's immense and infinite power and the effects of his Mark of The Incubi as she suddenly wrapped her legs around his waist, but he still had a smirk on his face.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) Well, well, someone's a little eager to make out.

Then, Lincoln wrapped his massive muscular arms around Lady Haremsuccubus' waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of

light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lady Haremsuccubus: (In Heaven) What...a...powerful, beastly,...and extremely manly...True Male Alpha wolfman hunk!

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lady Haremsuccubus with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Lady Haremsuccubus: (Rubbing Lincoln's massive hairy pecs) And who could have guessed the 11-year-old boy would grow up into this tall, gigantic, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you're also quite the seductive beast especially in a speedo. (Seductive Voice) Though I wonder what you also got hidden underneath that thing as well.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Lady Haremsuccubus: (Smirks) Well, well, looks I've aroused quite the beast. We'll have plenty of time tonight to connect in a more...intimate way.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) Trust me, there'll be plenty of time for that later on tonight. That I promise.

Lincoln kissed her on the lips once more.

Then, he continued working out and that aroused Lady Haremsuccubus even more as Lincoln's display of raw strength and power was really on full display! We also removed our blind man glasses.

Me: Damn, Lincoln's a real charmer.

Nico: Especially with voluptuous and mega hot and sexy Succubi and other female creatures of myth!

Inner Moka: Many of us saw him as the True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid he was destined to become: a True Immortal God of cosmic beauty, primal strength, immense power, and primal force, so radiant and divine in power, a devastatingly powerful and irresistibly handsome warrior whose body and spirit drew us of pure heart in, he was also that powerful and mesmerizing that we were also enchanted by his noble soul and radiant strength, and he's also grown to become a powerful and dangerously handsome warrior who drew out our more primal instincts like no one else ever had.

Lori: So, what we saw in him the day he was born...! Was a vision of what would happen to him in the near future.

Luna: We had this vision of what Lincoln was going to become when Mom brought him home from the hospital, and it was so powerful!

Leni: We were truly that amazed by the dream.

Luan: It was so powerful, but we thought it was a dream.

Lynn: But, that became reality when the truth about him came out and he underwent all of those transformations into the True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid that he is today.

Me: Just like me when Kang gave me my powers when I was hit by cosmic radiation over two decades ago.

Kali Timestream: That's right, and I also did the same thing my father did to you, but this was for Lincoln. When he was four, he was hit by Cosmic Radiation and he gained omnipotent powers over everything just like you, J.D.

MY MIND WAS BLOWN!

Me: Whoa...!

Nico: What happened twenty years ago happened to Lincoln and at the hand of Kang's daughter, wow!

Sumner: I was still stunned at that revelation, same with Patti.

Lynn Sr.: And Lincoln being The Reincarnation of Amaterasu, The Descendant of The Mighty King Arthur of Camelot, and Descendant of Lachlan McLoud of Loch Loud, that stunned all of us. It was like Lincoln and J.D. truly were destined to become the very people that they are today.

Selene Arcangela: Destiny is very complex, we'd fought alongside Our Lord and the Archangels and Angels for eons, and over the countless eons when the Earth was young, we'd seen destiny take on many forms for many people.

Kali Timestream: And with Lincoln and J.D., it was indeed destiny and fate that this would happen.

We got a shower, and then, Lincoln, Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique are heading to Cheep Cheep Beach, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Lucinda Lavish: Wow, we're here in Cheep Cheep Beach, it's so beautiful.

Lincoln: You said it, Lucinda, and it's perfect for our first date. Shall we?

Lincoln, Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw a Brainstealer Dragon coming after them.

Anna Anyanova: Oh no, a Brainstealer Dragon.

Lincoln: What the?! I got him.

Lincoln went after The Brainstealer Dragon and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Brainstealer Dragon and he began absorbing him and he assimilated The Brainstealer Dragon's Psionics & telepathy, Devouring intelligence, Mind control & brain extraction, Draconic might: flight, claws, and tentacles, Psionic breath weapon, and purified the aberrant mutations and absorbed its many resistances, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips

and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of his energy and he sent The Brainstealer Dragon to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem were lying on a massive beach towel Lincoln got out with Lincoln on top of them, and then, Lincoln shared a passionate and romantic kiss with Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln slowly unlatched his fangs from the right trapeziuses of his harem as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Cheep Cheep Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy

Plastique with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique are in your harem, Linky.

Lucinda Lavish, Textbox-Chan, Shelley, Holly, Lady Memoria, Skylar Specs, Hero Hime, and Prissy Plastique showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. A Brainstealer Dragon came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We arrived on the U.S.S. Ronald Reagan.

We were approached by a soldier.

Me: (Salutes) J.D. Knudson and Team Loud Phoenix Storm permission to board sir! We have been invited by Colonel Gunnerton because he invited Horsea to test a plane for him sir!

Soldier: Right this way everyone.

We followed him.

Tyson: I wonder why you were chosen specifically

Horsea: We'll find out.

We went and we were greeted by Colonel Gunnerton.

Colonel Gunnerton: Team Loud Phoenix Storm! Welcome aboard the U.S.S. Ronald Reagan.

We saluted him.

Me: Glad to be here sir!

Colonel Gunnerton: Which one of you is Horsea?

Maria: She's right here sir!

She turned into her human form and saluted.

Colonel Gunnerton: Follow me. I want to show you the plane you'll be testing.

We followed him.

Colonel Gunnerton: This is the drawing you sent right?

We saw the drawing.

Me: That's one of them.

Tahu: Who submitted that drawing to you?

Poliwag: I did! I wanted to fulfill her dream of flying a plane.

Horsea: It's the reason why I was taking so many flight simulator classes in secret for months.

Colonel Gunnerton: You have been training and preparing for this.

We got to a cool plane and it was a REALLY FAST ONE!

Colonel Gunnerton: This is it. The SR-72 Darkstar!

Me: WOW! The Fastest ever jet made by the Air Force! I remember seeing this on the movie Top Gun Maverick.

Horsea: Me too! That was awesome! And I remember him going at Mach 10 when he was told not to.

Me: WOW! 7,672 miles per hour. That is intense!

Nico: That is fast! This is a Hypersonic plane.

Camie: It sure is.

Bugly: Go ahead, Horsea

Horsea: I'm ready!

She got ready and went onto the plane and was ready. She got it ready.

We were watching the plane from the control room.

Me: Here we go.

The plane was ready for takeoff.

She got the clear and then..

ZOOOM!

SHE WAS OFF!

Me: WHOA! THAT IS FAST!

She flew really fast with it.

She was demonstrating how amazing it is!

Punch: Any weapons on it?

Me: Yes it has Hypersonic Missiles and those can fly at almost 20,000 miles per hour.

Qin: WHOA! That is fast.

Ymir: It sure is.

Horsea saw decoy boms at 300 miles away.

She fired missiles.

ZOOOM ZOOOM ZOOOM!

KRABBBBBBOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOMMM!

They were destroyed!

Me: WOW! Nice shooting!

Colonel Gunnerton: She learned really well!

Maria: She learned from me and all of us on our adventures. Not just flight simulator classes.

Horsea: I'm having fun!

Maria: You sure are!

Me: She is getting the hang of it.

Later she came in for a landing and landed safely and stopped.

She came back and we cheered wildly for her!

Me: Well done Horsea!

Maria: Way to go!

Colonel Gunnerton: You are a truly gifted pilot Horsea!

Congratulations on a well successful test!

Horsea: (Salutes) Thank you sir!

Poliwag: Does she get a medal?

She got a pilot medal that showed she was a gifted pilot.

Horsea: Thank you Sir!

Me: You can pilot with us now Horsea.

Horsea: I sure can.

We later went to the park to rest.

Me: Boy that was so awesome!

Horsea: It sure was! Wow!

But then an ice beam hit Nico and froze him in a block of ice!

Me: WHOA!

Qin: NICO! He's frozen!

Lana: They did that!

We saw 2 Glaceon!

Me: WHOA! 2 Glaceon!

I fired a blast of fire and thawed Nico out.

She tried to freeze Horsea but she put her clone in front of her

The clone was turned into a block of ice.

Me: WHOA! Okay then.

I snapped my fingers and she was a girl with neon blue hair and blue eyes and had blue angel wings and had Glaceon on her forehead and had a snowflake and the Balance Badge on it on her arm as a cutie mark. We wrapped her in a blanket and brought her to a bench.

Me: There.

She woke up to se Horsea's smiling face.

Wendy Birch: (Groans) What? A Horsea?

Horsea: You hit my clone!

Wendy Birch: WHOA! You can talk?

May: Many of our Pokemon can talk.

Wendy Birch: May! Max!

She hugged them.

May: We're glad you're safe.

Max: Same here.

Wendy Birch: I am too.

Me: You were turned into a Glaceon by Dark Gale.

Wendy Birch: Oh man! I just got back from winning the World Championship.

May: Wendy made an amazing name for herself too. She beat the entire Battle Frontier and all the gyms. She even beat ALL the leagues. She even beat those jerks Harley, Paul and Drew! She REALLY Gave them a piece of her mind. They stole her food and like me, SHE MERCILESSLY BEAT THEM SHITLESS! She smashed their faces in and ripped their teeth out! And she threatened that if they did that again to her or me, SHE WOULD BREAK EVERY SINGLE BONE ON THEIR BODIES AND RIP THEIR HEADS OFF AND EAT THEIR BRAINS AND THROW THEIR BODIES INTO AN ERUPTING VOLCANO!

WE GASPED IN SHOCK!

Sebastian Mendez: (DOES WILD TAKES AND SCREAMS LIKE A LITTLE GIRL) OH MERCIFUL NEPTUNE! (TURNS GREEN AND THROWS UP IN A DUMPSTER!)

Me: WHOA MAN! Wow you really have made an amazing name for yourself big time.

Wendy Birch: I sure have. And May I heard all about you and Nico marrying. Nico you are perfect for my sister.

Nico: Thank you.

Ash: Drew already made peace with May. And leave Paul to me. So Harley's all yours next time.

Nico: Yeah.

Wendy Birch: I will.

Me: Is that Glaceon yours?

Wendy Birch: She sure is. Her name is Glacia. I evolved ehr from an Eevee with the Ice Stone.

Me: Wow! That awesome!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and an ice sword.

Wendy Birch: Wow I look great.

Me: You sure do.

We went back home

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and

chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

We were watching TV.

Me: Man this was so fun.

Qin: Yep.

Iguanus: You should be proud of yoursel, Horsea.

Horsea: I am.

Nico: Cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Voltaire, and he was back for vengeance on us! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come out, Voltaire!

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Voltaire, and he's back for vengeance on us.

EVERYONE GASPED!

Tahu: I knew it'd be him. Now, we can make sure he pays for his crimes.

Tyson: That's for sure.

Me: He's in for one nasty surprise when he faces us again.

Nico: Oh, that's for sure, that old fart's gonna get a heart attack when he sees us again. Alright, team, let's get going to Japan, Voltaire's time is finally up.

Lincoln: His dreams of world domination end here and now. This is where Voltaire dies for good.

Me: This time we permonently dethrone him!

The previous group came.

Swordsman: Can me, Dirty Bubble, Pinky and the Brain, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost go with you guys?

Pinky: And Horsea did a good job!

Nico: She sure did and yes you all can come with.

Xenia: Cool!

Teen Titans Thunder: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Plasma Vice and Mariner next.

Me: Stomping and Electrifying and Water Power.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous

white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Dagon from the Dungeons and Dragons universe, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: Dagon from the Dungeons and Dragons universe, and he's coming to destroy us.

Nicole: Oh, that is not good.

Hello Nurse: Leave him to us, we'll take him down and let Linky absorb him.

Lincoln: Of course, he's gonna regret crawling out of his dark lair.

Me: Uh oh...!

Nico: They say every rose has its thorns, and the rose that's Hello Nurse from Animaniacs is about to bloom as she and her man tear down Dagon for good. Alright, team, let's get going. Voltaire's going to pay for his crimes.

Lincoln: Just like what we did to him two years ago, but this time, he's getting The Black Abyss, and once we get done with him, you're next, Dagon.

Hello Nurse: Your time in this world will soon be brought to an end along with your spawn, Dagon, after we deal with Voltaire.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Moscow to get rid of Voltaire for good, and once we're done with him, Hello Nurse and Lincoln are going to take down Dagon from Dungeons and Dragons, and Lincoln's going to absorb him.

We were off

We were flying.

As we flew we smelled sulfur!

Me: YUCK! Sulfur!

Lincoln: It's from that!

We saw a MASSIvELY HUGE VOLCANO and it was spewing lava like you wouldn't believe!

Me: WHOA! Look at the size of that volcano!

Lincoln: WHOA! That is Tahu's Akuma, Mount Tahulauea! The Hypothetical Akuma of Tahu and he is a ginormous volcano! He is over 100,000 feet tall and always is spewing out lava and fire! He was made because of Makuta destroying his friends and vowed to destroy him with the infernal power of fire!

WE WERE SHOCKED!

Me: Wow! Another ginormous akuma!

We landed in Moscow.

Me: Moscow.

Dirty Bubble: I can put that out!

Me: Wait. Lets call P'andor first

Pam: Shouldn't forget him

We called him.

P'andor: (Russian Accent) I'm ready for this comrades.

Me: We all are. (MULTIPLE LOUD FIERY FARTS)

FART FART FART FART FART FARTFARTFARTFART!

Me: WHOA! My goodness! Pardon me.

Nico: You're excused. Man that was a nasty one.

Me: Sorry.

Onyx: Let's use Dragoon Beyblades here

Me: Good idea. We can use ALL of our Beyblades for this.

Ymir: Beyblades?

Me: Oh these.

I showed my Beyblade.

Me: They are really powerful and massively strong dueling tops. But they have intense power.

Tyson: It's true.

Bitstream: We got them in 2022.

Me: Yep.

Lola: Yeah they are really cool.

Tyson: And we showed you guys how to harness their power.

Me: You sure did.

Ymir: Wow! Can I get a Beyblade?

Me: Sure!

Waffle Woman: In fact, here you go right now

She gave her a Beyblade called a Strata Dragoon!

Ymir: Cool!

Me: Yep.

Sideways: Welcome to the Beyblade team!

Ymir: Thank you!

Me: All the new recruits will get Beyblades. Oh for those that don't know, we need to go over the history of Voltaire.

I went over the history of Voltaire and his crimes.

When it was done everyone that hadn't heard about it was shocked!

Chantelle Escargot: (French Accent) SACRE BLEU! He is a monster!

Carmen Dillo: Think we kept the Akuma waiting long enough? After all, Lincoln did go over his history already

Me: Yes we have. But he stuck out like a sore thumb. Sorry but he just wasn't that hard to spot.

Voice: (DEEP BOOMING BELLOWING VOICE) YOUR SORRY IS BUT A PASSING WIND THROUGH THE VALLEY OF BROKEN PROMISES!

Me: WHOA WHO SAID THAT!?

Mount Tahulauea: It is I my brothers, Tahu, and I am a volcano.

We flew over to him and went to the top of him and stood over the edge looking into the volcanic mouth.

Me: Tahu man you look amazing as a volcano!

Vakama: And it's fitting too! My akuma was a volcano like you!

Mount Tahulauea: That is coincidental.

Power Girl: Sorry. But we wanted to take our time before going after you

Mount Tahulauea: No worries about that.

Lazlo: You know being on your volcanic rim reminds us of sacrificing our favorite foods to Mount Blackhead. We had to do that to stop it from erupting.

Mount Tahulauea: That is interesting.

Me: Wow!

Nico: That is cool.

Box Ghost: Tahu? Is that you?

Me: I think we confirmed it is. We're not going to sacrifice our favortie foods to you though are we?

Mount Tahulauea: No but I require one thing though.

Me: What is it?

Mount Tahulauea: Bring me a clone of Lumpus.

Me: Done.

I teleported and brought back a clone of Lumpus.

I put an apple in his mount, sprinkled barbecue sauce, herbs and spices on him and put vegetables on him.

Me: How's that?

Mount Tahulauea: Perfect!

Me: Enjoy!

I threw him in and he ate him!

LOUD THUNDEROUS MASSIVE BELCH!

Me: Excuse you!

Mount Tahulauea: Pardon me.

P'andor: Have you calmed down now?

Mount Tahulauea: I am most satisfied.

Me: Awesome! But you know we still have to fight.

Mount Tahulauea: I know. Lets do it.

I fired waves of energy and blasted him all over.

Me: Hope we don't give you heartburn. But I got plenty of antacid.

P'andor fired energy beams and blasted him.

Mount Tahulauea fired globs of lava and one hit May and burned her butt! It was on fire!

May: YEOW! MY BUTT IS ON FIRE!

I fired water and drenched her.

I fired waves of energy and blasted him down.

LOUD MASSIVE BELCH!

Mount Tahulauea: Oh pardon. Little heartburn.

I gave him the antacid.

LOUD THUNDEROUS MASSIVE BELCH!

Me: Excuse you!

Gilda: Did we get him?

Mount Tahulauea: Yes I am calm and better. I am satisfied too.

Me: Awesome.

Mount Tahulauea: Good luck brothers. Go get Voltaire and make him pay.

Me: With pleasure.

Rojo: Where is he?

Me: In there.

I pointed to Voltaire's mansion.

Nico: Just like 2 years ago.

Camie: Lets get him.

Lincoln: Alright, everyone, gather around.

We joined Lincoln and he pulled up a hologram of Voltaire's lair, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Voltaire, but he won't be alone, he's got his guards with him.

Voltaire: So, you have come at long last, Team Loud Phoenix Storm.

Nico: To end your reign of terror once and for all, Voltaire.

Me: Hello Voltaire! Nice day we're having. For us to kill you!

Voltaire: YOU!

Me: Yes us! Your reign of terror ends right now!

I teleported and kicked him down.

Me: The reason you lost to us last time is because you completely underestimated our power.

Voltaire: A mistake I won't make again!

Spring Man: Try it, laughing boy!

He went at me and I blocked his punches and kicks and kicked him in his face and legswept him and grabbed him and threw him into his desk!

Voltaire: What the!? What happened to you!? You've gotten stronger!

Me: It was a must needed improvement.

Tahu went over thim and picked up Voltaire by his shirt.

Voltaire: I will destroy all of you if it's the last thing I ever do!

Caleb Maxwell: You're right about that, it's gonna be the last thing you ever do because you're going to die.

Caleb Maxwell summoned demon werewolves from Hell, and they went at Voltaire and he screamed in absolute terror as they tore at him with their claws and fangs! Then, they went back to Hell!

Lincoln: Summoning Demon Werewolves from Hell?! Those guys are absolute monsters! I'd killed a lot of them and absorbed them and gained their powers, strengths, and abilities and purified their weaknesses, so I know what they're like.

Allie Maxwell: I hadn't forgotten about Caleb's dark power to summon demons from Hell, and he'd done that before to The Big Claw Gang!

Lori: Okay, that's literally crossing a line by sending demons after your little sister's boyfriend who'd ended the curse that made you into a demon.

Allie Maxwell: Forget it, Lori, there's no talking any sense into Caleb, after what he went through, he lost his sense of basic decency and showing compassion to those who got into a life of crime due to hard circumstances.

Setsuna also smashed and beat him into the dirt with his enormously massive and immense godly and excessive superhuman strength, and he was really showing Voltaire no mercy!

Me: Wow...!

Lincoln went wild on Voltaire as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Voltaire, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT VOLTAIRE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Jared: We know about that, but sometimes, those four can go way too far when it comes to violently attacking our most irredeemable enemies, and they can get pretty crazy.

Nico: You're telling me. Not to mention that all four of them also have toxic waste dumps for mouths and they always swear and curse like crazy!

Cage Blunt: You know it's a bad habit they've had, but that makes them dangerous to even the worst of New York's criminals, and that's why many of them feared angering them because if they did, they risk bringing down the wrath of the entire family on their heads.

Lincoln, Super Brother, Tahu, Nico, and I and the rest of us went after Voltaire and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Voltaire, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was pissing Voltaire off, and we also destroyed The Monitor Orb in his forehead, and not only did we gain a massive power boost, but Voltaire screamed in agony.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Wendy was surprised as her body started trembling. She yelled out in surprise as her body started expanding'

Same with Brenda and Theodora!

Empress Brenda: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of Seviper and Glaceon and they transformed and blasted him all over.

Akira Nijino: This is your place to die

Me: I was gonna say!

Voltaire: It should be your place to die!

Me: We don't die that easily.

I fired waves of intense lightning and electrocuted him

Eli did the same.

Nico, Lincoln, Linka and Rita fired waves of lightning too!

We electrocuted him intensely and burned him all over.

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired waves of intense lightning and electrocuted him!

Young Kari: WOW! That is intense power!

Young T.K: It sure is!

Brain: Don't be too confident. Someone else is helping him

Me: I sense it too! You can come out now!

?: You mean me.

Rufina: (GASP) Been years since I heard that voice.

Out came Peter Griffin's old boss, ANGELA!

Rufina: Angela!

Angela: Been a long time Rufina.

Me: Wait aren't you Peter Griffin's former boss and owner of the Pawtucket Brewery?

Angela: That's right J.D.

Stewie noticed her jumpsuit. It was yellow.

Stewie: Nice jumpsuit.

Angela: Thank you.

Deadpool: (To the viewers) We're going to do this one for this chapter in honor of Angela's voice actor, Carrie Fisher.

Me: Ah Carrie Fisher.

Jamesdean5842: Yeah that was a heartbreaker to hear when she died back in 2016. She was known wide and far for playing as Princess Leia Organa in Star Wars IV, V, VI, VII, VIII and posthumously in IX.

Nico: Oh man. She will never be forgotten.

Voltaire: I'll let you guys pay respects to her.

Me: Thank you very much.

We had a moment of silence for her.

We took our hats off and put our hands on our chests for her.

When it was done we got back into the fight.

Me: By the way Rufina how do you know Angela?

Rufina: My father worked for her long ago and I busted her in a huge theft ring. She went to jail long ago. But vowed to get revenge on me.

Me: WHOA MAN!

Angela: I forgot about my revenge long ago because I just forgot.

Stewie: Look, we might be on opposite sides. But can we both agree my former dad was stupid?

Angela: Yes Griffin was never normal. I never liked him.

Me: Join the club. He caused so much damage to not just Quahog but also parts of the world. And he also abused Meg and hurt her really bad.

Angela: Oh poor sweet Meg. I hated Griffin for that but never showed it. He also drank all my inventory.

Me: GEEZ! He really was a drunk on steroids! He drank more beer than Homer!

Voltaire: That is a lot of beer!

Lola: No kidding!

Angela: He really was a nuisance. But he did do a good job.

Me: Even if it was for minimal wages.

Nico: Who wants to help her.

Flint Lockwood: I will do so!

Kole: I will too.

Sam Sparks: Lets do it!

Angela concentrated and turned into a black version of RATBAT! It was called ANTI-RATBAT!

Me: Hope she likes cheese!

Anti Ratbat: For the record, this really isn't personal. I'm just doing my job

Nico: We know!

Rufina fired wave of energy and Flint, Sam and Kole fired energy and crystal and blasted her.

Me: Top this!

I spun my magisword bracelet.

CHEESE MAGISWORD!

I fired cheese wheels and she went to them and ate them.

I fired waves of energy and separated her and we scanned Anti-Ratbat and banished her to the black abyss.

They went over to Angela.

Nico: Out of all the Evil Underground Girls, you're the only one who seems to hate the part.

Angela: Yes. I do.

Me: Get a better job in the M.O.E. Pays better and much better respect.

Angela: I would like that.

Me: Okay then.

Nico: Out of the 3 who helped you, which one is your sibling?

Rufina: Flint and Sam. The reason is because I'm helping them with more Foodimals at Swallow Falls and it's fun.

Flint Lockwood: It sure is.

Me: Cool! Now where were we? Oh right!

I fired waves of energy and blasted Voltaire all over.

Poromon: Trailer time!

---

Envy Chiruda is turning all the adults young when he was confronted by the Lupinrangers. He used the "Le porte-tempête/The storm holder" Lupin Collection's ability to keep them away from his safe, but they brought umbrellas for back up. However, he then used his own ability to turn the Lupinrangers young. However, Noel arrived so he'd battle him instead. But when the Patrangers shows up, he'd used the "Le porte-tempête/The storm holder" Lupin Collection's ability to make his escape.

Later, he appeared on the edge of a building right in front of the two Patrangers. Once the duo transformed, Envy used the "Le porte-tempête/The storm holder" Lupin Collection's ability to safely float back down to the ground in order to battle them. During the fight, he tried to turn the two Patrangers young, but failed as they kept dodging them. However, when he got a chance to turn Patren1gou young, he was then knocked back by the arrival of Patren1gou and Patren2gou. Noel has successfully gained access to Envy's safe and"Le porte-tempête/The storm holder" Lupin Collection after that he was then taken out by PatrenUgou and Lupin X and everyone returned back to their rightful age.

However, Envy was enlarged by Goche Ru Medou, only to be destroyed by the Pat Kaiser Strong Biker's Pat Kaiser Thrust-Up Strike.

Lincoln and his harem fired super sharp Beyblades at Voltaire Hiwatari leaving bleeding cuts and slashes all over him!

Dave Green: Time for the grand finale!

Then, they played the final verses of the song as we slashed at Voltaire all over the place, and they went in to play the last few notes as Lincoln, Eli, Nico, and I slashed at Voltaire, followed by the rest of the team, and finally, Tahu and Tyson finished by slashing Voltaire down the middle as The Rockers played the last note as the church bell rang, and Voltaire exploded

But he was knocked down.

P'andor: Should I kill you in my present state? Or kill you in my true form?

Voltaire: Uh true form?

P'andor: Good choice.

He came out of his armor and glowed and then fired a blast of energy and burned his arm off!

Me: NICE!

P'andor: Finish him for me will you J.D.

Me: With pleasure! NIGHTMARE STYLE NINJA ART: ATOMIC GAZE OF THE PALEOSAURUS!

My eyes glowed and then a massive pulse of intense radiation blasted out and hit him and he screamed and then he WAS BURNED BEYOND ALL RECOGNITION AND HE WAS BURNED TO NOTHING BUT A CHARRED SKELETON!

I banished him to the Black Abyss!

Me: He got burned CHERNOBYL Style!

We cheered as we holstered our weapons and powered down and we headed back home and to the gym at Lynn's Table.

Nico: And that's that for Voltaire.

Me: That monster finally got what he deserved.

Lincoln: And his organization's finally gone forever, now Voltaire Hiwatari is finally a forgotten memory. Now, there's one last thing to do and one last loose end to tie up: Dagon from Dungeons and

Dragons.

We turned our attention to Dago from Dungeons and Dragons, who tried to get out, but he couldn't.

We were amazed by Hello Nurse's transformation, but when Lincoln saw her, he had a bright atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose gushed out blood like a fountain and it hits Dagon as he screamed in pain as he got burned badly by Lincoln's acid blood.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Dagon, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Hello Nurse, Super Brother, Nico, and I went after Dagon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dagon, and they exploded with incredible power as they hit him.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dagon and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Dagon, and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Dagon began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Dagon, and Lincoln sucked out all of the remaining energy in Dagon and banished Dagon to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Hello Nurse's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large red and white planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller red and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and white planets orbiting around her wrists and ankles, and enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath her enormous golden yellow angel wings are permanent.

Hello Nurse: This where it ends for you, Dagon, and this is goodbye and good riddance. Thanks for helping me get rid of Dagon, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome.

Me and Nico: Our pleasure, Hello Nurse.

Suddenly, Hello Nurse wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hello Nurse's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Hello Nurse sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Dagon, serves him right.

Me: Dagon got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of

Loyalty and Georgius, Swordsman of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Georgius, Swordsman of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Tundra Frostine, Avatar and Gene-Slammer of Georgius, Swordsman of the Ice Barrier, and you guys are gonna like meeting her, Tundra Frostine, Avatar and Gene-Slammer of Georgius, Swordsman of The Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier. She's The Ice Swordsman of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Tundra Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Tundra Frostine hated Chandler with a blazing passion, and she swore that if she ever saw that sewage brat trying to kill Lincoln, his family, and his friends again, she would throw him into Antarctica so he'd freeze to death and never be reborn in the next life or ever.

WE GASPED!

Caleb Maxwell: Chandler, you little...! What did he try to do that earned her hatred?

Lincoln: Tried to destroy Royal Woods with a massive bomb that he got from Flip, which she disabled with a powerful cryogenic blast, and she beat the shit out of him and Flip.

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, and Alexander Maxwell: What?! YOU LITTLE!

Lori: We were also pissed as well at Chandler for that along with Flip. Tundra swore to send Chandler to Antarctica so he'd freeze to death, she was that pissed at him.

Me: WHOA! But Voltaire is gone now.

Firebrand: My kind of death!

Me: That was what I call a Nuclear Gaze

Man Boy: Another bad guy defeated!

Me: Yep.

Femme Fatale: And one less helped of Anti Monitor.

Nico: That is for sure there.

Trapster: You said it.

Kangor. How should we celebrate mon?

Yolei: Lets go have some Russian Food!

Me: Good idea Yolei. Since we're here in Moscow we might as well have some food here.

Nico: I agree. Great job today everyone.

Tahu: Thanks.

Lola: (To the Viewers) We had a lot of fun here too.

Me: We sure did

We went to have some awesome Russian food and later went back home

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we got rid of Voltaire.

Anna Anyanova: Now, Tahu's day is finally done.

?: (Beastly Gruff Manlier Voice) But, this is just the beginning, the others are also getting their big days as well very soon.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up scene is for Catherine Iroh Lan Kai, Gene-Slammer of Firebird, and she and Lincoln are going to burn down and incinerate The Night Dragon from Fighting Fantasy: Night Dragon

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Burbank, California, specifically The Warner Bros. Studio Lot, and we're going to be meeting the fourth Warner Sibling that Yuki Frostine mentioned, his name is Blinko Warner, but here's the thing: he's a half-Warner half-Saiyan toon who was created by Mr. Plotz to give The Warner Brothers and Warner Sister a taste of their own medicine, but thanks to the appearance of Lincoln and his Guardian Angels, he turned against Mr. Plotz and sided with Yakko, Wakko, and Dot to deliver payback on Mr. Plotz in another Warner Sibling madness attack. Plus, they found out about his Half-Saiyan traits that Plotz gave him along with the powers of a Road Rover as well, so they decided to help Blinko, and by that, I mean put him through the same training that Lincoln went through, and he grew not only immensely stronger than ever, but he also gained all the powers of Goku, Vegeta, The Saiyans, and The Z-Fighters and combined with the same toon powers, physics, and toon force along with Road Rover powers, that made him a powerful force for good, and when Broly returned because of Sebastian, Blinko destroyed Broly while Yuki sent Sebastian running back to Hell. We're gonna meet him along with Trudy Mink, Tracey Mink and Minerva Mink's red-haired sister who's just as sexy and beautiful as them, and she's also Blinko's girlfriend and future wife! Yeah, you heard right, he popped the question to her which made The Warners, Looney Tunes, Tiny Toons, and the other cast members of Animaniacs to cheer wildly and throw a wild party at The Toons and Humans Town/City.

Plus, we're also going to meet Wilford Wolf, another character from Animaniacs from Moon Over Minerva, his true form's a nerd wolf, but he transforms every full moon into a werewolf becomes taller and more muscular with a well-defined build and long flowing hair, and akin to how Minerva's beauty makes all men swoon over her, Wilford becomes equally if not more handsome, making all women swoon over him, and his glasses disappear but he maintains his blue pants which becomes tattered and bow, and Wilford's eyes are able to glow and his voice also becomes deeper, and he becomes filled with more self-confidence. But, that only happens during the full moon, but Lincoln's going to make sure he permanently becomes a hunk werewolf by biting him and injecting him with his True Alpha Werewolfairan-Vampirairan-Cyborg blood, and it'll cause him to transform into the very being that Lincoln is. Plus, he'd known Lincoln has Minerva in his harem and he knows he'll take good care of her.

And finally, we're going after the next undead evil Akuma, her name is Hydro Demon, the evil undead Akuma of Joyce Crandall from Super Brother's world, she's an evil, greedy, maniacal monster who swore to destroy Royal Woods with a massive tidal wave and create her new Great Lake and fulfill her tourism plan. She was created after she was resurrected by Lord Demonblood after Joyce Crandall from Super Brother's world was killed after her attempt to flood Royal Woods and turn it into another Great Lake for her tourism plan finally backfired and she fell into the waters of Lake Superior and drowned, and she wants revenge on Team Loud Akuma Angel Storm! This time, we're going to use the holy powers of God and the purifying water of the Gods to wipe her out of existence and send her to The Black Abyss forever!

And we're going to meet Tundra Frostine, Avatar and Gene-Slammer of Georgius, Swordsman of The Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier. She's The Ice Swordsman of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Tundra Frostine moved to

Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Tundra Frostine hated Chandler with a blazing passion, and she swore that if she ever saw that sewage brat trying to kill Lincoln, his family, and his friends again, she would throw him into Antarctica so he'd freeze to death and never be reborn in the next life or ever.

Next up is Gali's day and we're going to battle The Man and The Woman and we're going to help the Hibiki Riders destroy their big baddie for good!

See you all next time.

Hibiki Justice with Gali

Gali's Day to shine and the Man And The Woman are back for revenge

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a seductive yet perilous world where serpentine forests slither, twin moons drip venom into enchanted rivers, and the land itself coils with cursed whispers, and protected by a race of powerful omnipotent Lamia warrior angels who are the descendants of the original Lamias of Greek myth known for their immense strength, power over seduction magic, venomous blood, constriction arts, soul siphoning, and snakes who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of seduction magic, venomous blood, constriction arts, soul siphoning, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Lamiaira, a seductive yet perilous world where serpentine forests slither, twin moons drip venom into enchanted rivers, and the land itself coils with cursed whispers, and protected by a race of powerful omnipotent Lamia warrior angels who are the descendants of the original Lamias of Greek myth known for their immense strength, power over seduction magic, venomous blood, constriction arts, soul siphoning, and snakes who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of seduction magic, venomous blood, constriction arts, soul siphoning, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Lamiaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Lamiaira.

Lincoln landed on Planet Lamiaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Lamiaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Lamia who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, long crimson red hair going down to his shoulders, crimson red eyes, massive angel wings, long crimson red serpent lower body, and he has on a crimson red loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Logan Lamiaira, King of The Medusairans of Planet Lamiaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Lilissara Lamiaira, Queen of the Lamiairans of Planet Lamiaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Lamia who was tall at 390'11" in height, she has the voluptuous upper body of a goddess and large breasts and majestic lower body that shimmered with royal crimson red serpentine scales adorned with golden markings that pulsed with arcane energy, long crimson red hair, yellow eyes, and enormous divine angel wings.

Lincoln: (Smirks) I knew that was you, Lilissara Lamiaira, Queen of the Lamiairans of Planet Lamiaira.

Lilissara Lamiaira: I wonder what it was that gave me away. (Suddenly wraps herself around his waist)

Then, all of the other Googol of Vigintillions of male Lamiairans came to Lincoln.

Logan Lamiaira: That's correct, and this was something Lilissara wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now as tall as me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Logan Lamiaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Logan Lamiaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Logan Lamiaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Logan Lamiaira and the other Googol of Vigintillions of male Lamiairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of seduction magic, venomous blood, constriction arts, soul siphoning, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of

light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a red aura with snakes and venom surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Logan Lamiaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lilissara Lamiaira: But, before he absorbs our planet, The Spiral Citadel, Lamiaira's molten core, and its twin moons of poison and passion into his body, it's been two years since we last had an intimate moment.

Suddenly, Lilissara Lamiaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she coiled her serpentine lower body around his waist: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Lilissara Lamiaira also kissed Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln pinned Lilissara Lamiaira to the ground with her serpentine lower body still around his waist and his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four

Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lilissara Lamiaira with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four

Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Lilissara Lamiaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar of dominance, and Lilissara Lamiaira sleeping and feeling pleasured.

Lilissara Lamiaira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Lilissara Lamiaira to his room and he flew deeper and deeper into the planet, and he found the molten core of Lamiaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Lamiaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Spiral Citadel into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Lamiaira's massive twin moons of poison and passion and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he

pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Lamiaira, a seductive yet perilous world where serpentine forests slither, twin moons drip venom into enchanted rivers, and the land itself coils with cursed whispers, and protected by a race of powerful omnipotent Lamia warrior angels who are the descendants of the original Lamias of Greek myth known for their immense strength, power over seduction magic, venomous blood, constriction arts, soul siphoning, and snakes who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of seduction magic, venomous blood, constriction arts, soul siphoning, and snakes, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legends of The Lamia?! That's awesome!

Nico: You said it. I heard many legends about Lamiaira, and it matched what you just told us. And no Saiyan warrior dared to face them in battle, the Lamiairans are known for their immense strength and skill in seduction magic, constriction arts, and soul siphoning. They drain their prey dry of energy and suck out their soul as well, and their venomous blood is that powerful, it melts their prey to nothing but gore, and all over the planet, you can hear the cursed whispers throughout Lamiaira, that alone sends chills down anyone's spine.

Just then, we saw Lilissara Lamiaira enter and she sat with Lincoln.

Allie Maxwell: (SCREAMS) A LAMIA!

Caleb Maxwell: What?! A Lamia, here?!

Me: Whoa, and who's the female Lamia who's wanting to get intimate with you?

Anna Anyanova: This is Lilissara Lamiaira, Queen of the Lamiairans of Planet Lamiaira, she's Lincoln's Guardian Angel from Planet Lamiaira, a seductive yet perilous world in the Forbidden Zone, where serpentine forests slither, twin moons drip venom into enchanted rivers, and the land itself coils with cursed whispers. As Queen of the Lamiairans, powerful serpent-bodied sorceresses, Lilissara reigned supreme, not just in power, but in elegance, beauty, and forbidden knowledge. A master of illusion, constriction, and soul-binding enchantments, her power grew stronger with every whisper and heartbeat. She was born with divine angel wings and a majestic lower body that shimmered with royal serpentine scales, adorned with golden markings that pulsed with arcane energy. Lilissara possessed overwhelming mastery over seduction magic, venomous blood, constriction arts, and soul siphoning. She was also gifted with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity. When the Infernairans tried to invade her Spiral Citadel, she unleashed a venom storm that turned entire armies into nothing but ash and snakeskin, then vanished into the Forbidden Zone, vowing to one day return and finish what they started. When she descended to Earth and arrived in Royal Woods, she sensed Lincoln's infinite potential instantly. She swore to guard him with her life and offered to teach him the Serpent Queen's Path, granting him mastery over Lamiairic constriction, soul-charming spells, venom blood, stealth, and mind control. Under her seductive and deadly guidance, Lincoln awakened the power of the Lamiairans within himself. His already godly strength, invincibility, and immortality were enhanced by her mystical arts, allowing him to hypnotize enemies, slither through shadow, and paralyze armies with a single gaze. She also saw what no other could deny that Lincoln was a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, and so radiant and divine in power that her heart could not resist. Many times, she entwined herself around him, kissing him with smoldering intensity, coiling with affection and adoration. He returned every embrace, and his tails flicked wildly with joy, deepening their bond even more. She helped him refine his magical abilities, taught him the language of serpents, and guided him through the Dream Coil, a psychic bond that united their souls. Lilissara watched with pride as Lincoln absorbed the Googol of Vintillions of her people, The Lamiairans, the Spiral Citadel, Lamiaira's molten core, and its twin moons of poison and passion. In return, he forged for her a twin-bladed dagger laced with the blood of gods. She accepted it with a smile and sealed her thanks with a passionate kiss. Lincoln promised her that when he came of age, he would marry her alongside the rest of his celestial harem. As for Lincoln's enemies, she considers them beneath even worms. She swore to constrict them so tightly in her coils that them soul would weep, and then cast them into the Void of Eternal Suffering, where no echo of their name would ever remain.

Nico: Ooh boy, and I remembered hearing about her, she's deadly and she's just as seductive and voluptuous as Miia the Lamia and the other Lamias. But, she only has her seductive eyes for Lincoln.

Lilissana Lamiaira: That is correct, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Lamiaira's Blessing of Divine Seduction Lamia Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Lilissara Lamiaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Get a room, you horn dogs!

Me: Me and Carrie are gonna go get some coffee.

Nico: Okay.

We went and did so.

* * *

We came out of the coffee shop.

Me: Always good to have coffee.

Then Crackhouse Mickey came and he was frantic!

Crackhouse Mickey: YOU GUYS HAVE TO HIDE ME!

He came to us and hid behind me!

Crackhouse Minnie came!

Crackhouse Minnie: YOU ARE NOT GOING TO GET AWAY FROM ME MICKEY! I OWN YOU! YOU WILL DO WHAT I SAY!

They got out tazers!

They electrocuted him!

Then...

BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

NUMEROUS ANVILS FELL ONTO HIM!

Then she got up and then she was attacked by ferocious animals like bears, wolves, coyotes, ants, cougars, eagles, piranhas and many more creatures!

FEROCIOUS ANIMAL NOISES!

They left and then...

KRASMASH!

She got hit with a house made of fishsticks!

LIGHTHOUSE FOGHORN!

Then...

KRASMASH!

Followed by a house of pizza!

ITALIAN MUSIC PLAYS!

KRASMASH!

Followed by a house made of fruit and healthy snacks!

(HARP PLAYS)

She got hit by a house of cheeses!

(SWISS YODEL)

And then...

KRASMASH!

She got hit by a house made of chocolate, marshmallows and graham crackers!

CAMPING MUSIC PLAYS!

She got up from the rubble.

But then...

THEY EXPLODED!

SPLAT!

A giant boot house! And then...

THUNDEROUS KRASMASH!

A GIANT CRUISE SHIP!

SHIP HORN!

Then METEORS FELL AND CRASHED ONTO HER WITH EXPLOSIVE FORCE!

MASSIVE NUMEROUS FIERY EXPLOSIONS!

Then...

KROW!

A kid kicked her and sent her flying and she landed on a diving board that is part of THE SUSHIMAKER! Crackhouse Minnie falls off the diving board and lands into a tub of boiling hot lava. She screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. She falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Minnie falls onto the conveyor belt and it takes her to the rolling wheel with sharp corals on it. Crackhouse Minnie gets rolled on by the sharp corals, leaving her face bruised. Crackhouse Minnie gets pummeled by boxing gloves until she becomes liquid. The liquefied Crackhouse Minnie falls onto a seat. Four robotic arms grab her, stretch her and roll her up into a ball. Crackhouse Minnie is placed into a cannon and it fires her far off into the distance until she hits the high school bell. Crackhouse Minnie falls in front of the front doors just as the high school students march out and trample on top of her.

Then grabbers grabbed her and put her into a supersonic car.

Then the car took off and went fast! And then...

MASSIVELY SUPER DEVASTATING POWERFUL SMASH WITH INTENSE AND INCREDIBLE POWER!

IT SMASHED RIGHT INTO A BRICK WALL AT 500 MILES PER HOUR AND SMASHED HER INTO A BLOODY PULPY PANCAKE!

Me: HOLY CRAP!

Carrie White: That had to hurt!

Me: GEEZZ! She just doesn't learn!

Carrie White: How do you like that you jerkfaced buttsniffing cheese eating rat!

Crackhouse Minnie: (EXPLODES IN RAGE) WHAAAAAAAAAAAAAATTTTT?!

Crackhouse Minnie: YOU ARE DEAD MEAT CARRIE! YOU HEAR ME!? YOU ARE DEAD! NO ONE MESSES WITH MINNIE MOUSE! NO ONE MESSES WITH MINNIE MOUSE! I WILL FUCKING KILL YOU!

Carrie: BRING IT ON BITCH!

Carrie then tore Crackhouse Minnie apart like how Jimmy did to Double D!

When the dust settled, Crackhouse Minnie was REALLY MANGLED UP! Her nose, ears and tail were ripped off and her teeth were knocked out and her fingers and legs were busted up and bones were sticking out of her body and limbs and she was bleeding profusely!

Me: GEEZ! What a beatdown!

Carrie then grabbed her.

Carrie: Let me make one thing clear you ugly piece of trash! You are a stupid and worthless loser and your husband hates you because you abuse him and you are a pathetic piece of garbage that only cares about control and you abuse him and make him feel small when in truth, YOU are the one that's weak and small! You are nothing but a heartless bully! YOU are a pathetic piece of dirt that doesn't care about anyone! You would rather make Mickey suffer and you would rather see him never be happy! He deserves to be happy! You don't! You ever do anything that hurts your husband again I will rip your head off and then rip your brains out and then shove them so far up your ass that you will poop out your brain! Then I will rip your heart out and then eat it and vomit it into your throat and then you will puke blood for the rest of your life! Then I will disembowel you and shove your intestines down your throat and make you pee and shit in your stomach! And then I will rip your lungs out and make you fart in them! And then I will throw your corpse into the sun and make you burn before sending you off to the Black Abyss myself! YOU UNDERSTAND ME!?

Me: YOU TELL HER CARRIE!

Crackhouse Minnie: (Groans)

Carrie White: I SAID DO YOU UNDERSTAND ME!?

Me: Carrie I think she is too weak to answer you.

Carrie: You're right.

Crackhouse Mickey: Oh thank you so much guys. You are true pals.

Me: Anytime Mickey.

Crackhouse Mickey went home.

We left Crackhouse Minnie a broken, battered and mangled mess and went back home.

Gali was in a ball of water and she was meditating. Popplio came in.

Popplio: Morning Gali!

TOILET FLUSHES

The water drained and she came out.

Gali: Morning Popplio.

Popplio: Time for breakfast.

Gali: Be right down.

She came down.

Me: Morning Gali.

Tahu: Morning sister.

Gali: Morning everyone.

We gave her fruit and pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola,

Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Vegiemon and Digitamamon, and those jerks are at it again!

Nico: What?! The?! Hell?! VEGIEMON AND DIGITAMAMON ARE AT IT AGAIN! I'm gonna wring those assholes' necks for this!

Me: Before we unleash the fury of the Sovereigns on them! Where are they at?

Lincoln: Ooh, you're gonna love this, they're on the planet, Fairyaira, a planet of eternal beauty and nature enchanted by magic.

Me: So, that's where they're at, eh? Alright, let's get him!

Lincoln: After we finish breakfast.

Nico: Right. I got a score to settle with those two specifically Digitamamon, he bashed Mimi hard on her head with a powerful headbutt and gave her a scar and it also gave her a concussion.

Caleb Maxwell: They're finished. I'm gonna tear them apart! We'll take care of those two idiots!

We finished breakfast and we headed to Fairyaira to help Rika Nonoka and Ryo unlock their Rainbow Power and take down Vegiemon and Digitamamon.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14276.8: The U.S.S. Valorous Phoenix is en route to the planet Fairyaira and we're going to battle Digitamamon and Vegiemon and make them pay for their crimes. Also I got some scores to settle with Digitamamon.

Anakin growled at the mention of that battle.

Ahsoka: Anakin are you okay?

Nico: Uh oh. I can tell that battle left some mental scars.

Mace Windu: That battle will be a permanent stain on the Jedi Order forever.

Me: What happened?

Eli: Well it's not pretty.

Eli went over what happened. When it was done we were shocked and horrified!

Carmen cried in Maria's chest.

Shaak Ti: It ll be a really brutal scar on our history.

Ymir: That is awful.

Anakin: I was a coward back then. Even though I saved lives, I was still a coward. So many Jedi masters were lost there.

Eli: Yeah and the people of Jabiim hated the Jedi Republic ever since. Even after the war ended.

Anakin: That battle was what caused me to start turning to the Dark Side of the Force. I failed to stop that from happening.

Me: It wasn't your fault Anakin. Like we said in the past, we have to learn from our past mistakes and make sure they never happen again.

Anakin: You're right. I'm sorry guys. That was a terrible battle.

Me: I know. I know.

Alt. Alya: By the way Eli, how did you know all about Kalla and so many of these battles?

Eli: Because I'm the youngest ever Jedi master in history and my mastery over the Light Side and Dark Sides of the force is something no one ever heard of in Jedi History. I was tested and had the HIGHEST Midachlorian count ever recorded. 50,000.

WE GASPED!

Anakin: WOW! That is more than me.

Obi-Wan: My goodness.

Ahsoka: That is amazing Eli.

Me: It sure is!

Ymir: What are Midachlorians?

Me: The cells that are the conduits that give the Jedi access to the Force.

Eli: Yep. I started my training on Coruscant back when I was 3. I rose through the ranks in a matter of months. I was a Padowan by month 1 and trained by every Jedi Master. I learned all 7 Lightsaber styles in days.

Yoda: Fast Eli is. Impressive to learn all those styles in that amount of time

Eli: Yes it is. I learned all the Jedi Techniques in the Light Side including some of the Dark Sides techniques in days too. The Jedi Masters discovered that my mastery over the Light Side was so strong that the Dark Side will never corrupt me no matter how hard it tries. I rose to the rank to Jedi Knight. Then I was tasked with killing One of the toughest Sith Lords of all. Darth Talon.

Ahsoka: Darth Talon!? She was one of my kind that turned to the Dark Side.

Anakin: And was defeated by my ancestor Cade Skywalker.

Eli: That's right. I found out that Palpatine somehow brought her back to life.

Me: Geez!

Eli: I know. I defeated her effortlessly on the voclanic planet of Aeten II by slicing her in half and I used Force Lightning and blasted her body far and her body fell into the Lava. Because of that, I was promoted to the rank of Jedi master. Becoming the youngest ever Jedi Master in history to achieve such a rank.

Me: WOW!

Qin: That's incredible.

Eli: I learned all about the battles of the Clone Wars and the battles of history in the Jedi Archives as well as the history and techniques in the restricted section. It's how I know so much about the battles of the Jedi and the Clone Wars and how I know so much about the history of the Jedi and all the planets they went to and all that.

Mace Windu: I was very impressed with how far Eli had come.

Nico: Wow! That is amazing!

Me: I'm impressed bro. Well done to you.

Yoda: Come a long way Eli has. Such a short amount of time it was.

Nico: Amazing!

Qin: Wow!

Eli: Yep. But after all that training, I chose to stay on Earth to protect it for the Jedi Order and the Republic to protect those I care about and be there for my friends and family.

Mace Windu: That was a very wise decision there.

Qin: I agree.

Nico: Leah, what do you like to do in your free time?

Leah Lepidop: I work in the Butterfly Exhibit at the zoo and take care of the butterflies in the greenhouse.

Me: Awesome idea.

Qin: It sure is.

Varie: I agree.

Poromon: Good job to have.

Nico: Yep.

Qin: It sure is.

Nico: By the way guys I heard the sounds of Crackhouse Minnie getting thrashed all over the place.

Lincoln: Funny story about that

Me: Me and Carrie went to go get coffee and Crackhouse Minnie came to us and the Curse and Carrie thrashed her big time

Nico: Really now?

Lincoln: Look.

Lincoln showed a video of it that went viral

Then Crackhouse Mickey came and he was frantic!

Crackhouse Mickey: YOU GUYS HAVE TO HIDE ME!

He came to us and hid behind me!

Crackhouse Minnie came!

Crackhouse Minnie: YOU ARE NOT GOING TO GET AWAY FROM ME MICKEY! I OWN YOU! YOU WILL DO WHAT I SAY!

Carrie: Mickey is a person! Not property you ugly old hag! Now beat it before I shove your face down the toilet!

Crackhouse Minnie: (ENRAGED) WHAT THE FUCK DID YOU JUST SAY TO ME!? WHAT THE FUCK DID YOU JUST SAY TO ME!? OH HELL NO! I'M GOING TO FUCKING KILL YOU! NOBODY MESSES WITH MINNIE!

Then... The curse kicked in!

Woman: IT'S CRACKHOUSE MINNIE! GET HER!

A bunch of women came and beat the living shit out of her!

NUMEROUS FIGHT SOUNDS!

They got out tazers!

ZAAAAAAAAAPPPP!

They electrocuted him!

Then...

BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

NUMEROUS ANVILS FELL ONTO HIM!

Then she got up and then she was attacked by ferocious animals like bears, wolves, coyotes, ants, cougars, eagles, piranhas and many more creatures!

FEROCIOUS ANIMAL NOISES!

They left and then...

KRASMASH!

She got hit with a house made of fishsticks!

LIGHTHOUSE FOGHORN!

Then...

KRASMASH!

Followed by a house of pizza!

ITALIAN MUSIC PLAYS!

KRASMASH!

Followed by a house made of fruit and healthy snacks!

(HARP PLAYS)

KRASMASH!

She got hit by a house of cheeses!

(SWISS YODEL)

And then...

KRASMASH!

She got hit by a house made of chocolate, marshmallows and graham crackers!

CAMPING MUSIC PLAYS!

She got up from the rubble.

But then...

AIR WHISTLING!

MASSIVE NUMBERS OF CRATES OF EXPLOSIVES CRASHED ONTO HER AND THEN...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

SPLAT!

A giant boot house! And then...

THUNDEROUS KRASMASH!

A GIANT CRUISE SHIP!

SHIP HORN!

Then METEORS FELL AND CRASHED ONTO HER WITH EXPLOSIVE FORCE!

MASSIVE NUMEROUS FIERY EXPLOSIONS!

Then...

KROW!

A kid kicked her and sent her flying and she landed on a diving board that is part of THE SUSHIMAKER! Crackhouse Minnie falls off the diving board and lands into a tub of boiling hot lava. She screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. She falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Minnie falls onto the conveyor belt and it takes her to the rolling wheel with sharp corals on it. Crackhouse Minnie gets rolled on by the sharp corals, leaving her face bruised. Crackhouse Minnie gets pummeled by boxing gloves until she becomes liquid. The liquefied Crackhouse Minnie falls onto a seat. Four robotic arms grab her, stretch her and roll her up into a ball. Crackhouse Minnie is placed into a cannon and it fires her far off into the distance until she hits the high school bell. Crackhouse Minnie falls in front of the front doors just as the high school students march out and trample on top of her.

Then grabbers grabbed her and put her into a supersonic car.

Then the car took off and went fast! And then...

MASSIVELY SUPER DEVASTATING POWERFUL SMASH WITH INTENSE AND INCREDIBLE POWER!

IT SMASHED RIGHT INTO A BRICK WALL AT 500 MILES PER HOUR AND SMASHED HER INTO A BLOODY PULPY PANCAKE!

Me: HOLY CRAP!

Carrie White: That had to hurt!

Me: GEEZZ! She just doesn't learn!

Carrie White: How do you like that you jerkfaced buttsniffing cheese eating rat!

Crackhouse Minnie: (EXPLODES IN RAGE) WHAAAAAAAAAAAAAATTTTT?!

Me: Oh boy.

Crackhouse Minnie: YOU ARE DEAD MEAT CARRIE! YOU HEAR ME!? YOU ARE DEAD! NO ONE MESSES WITH MINNIE MOUSE! NO ONE MESSES WITH MINNIE MOUSE! I WILL FUCKING KILL YOU!

Carrie: BRING IT ON BITCH!

Me: CATFIGHT!

Carrie and Crackhouse Minnie jumped at each other and they got INTO A HORRIBLE FIGHT CLOUD!

RIP!

CRACKHOUSE MINNIE SCREAMED IN AGONY!

HER EARS WERE TORN OFF!

Me: YIKES!

Carrie then tore Crackhouse Minnie apart like how Jimmy did to Double D!

When the dust settled, Crackhouse Minnie was REALLY MANGLED UP! Her nose, ears and tail were ripped off and her teeth were knocked out and her fingers and legs were busted up and bones were sticking out of her body and limbs and she was bleeding profusely!

Me: GEEZ! What a beatdown!

Carrie then grabbed her.

Carrie: Let me make one thing clear you ugly piece of trash! You are a stupid and worthless loser and your husband hates you because you abuse him and you are a pathetic piece of garbage that only cares about control and you abuse him and make him feel small when in truth, YOU are the one that's weak and small! You are nothing but a heartless bully! YOU are a pathetic piece of dirt that doesn't care about anyone! You would rather make Mickey suffer and you would rather see him never be happy! He deserves to be happy! You don't! You ever do anything that hurts your husband again I will rip your head off and then rip your brains out and then shove them so far up your ass that you will poop out your brain! Then I will rip your heart out and then eat it and vomit it into your throat and then you will puke blood for the rest of your life! Then I will disembowel you and shove your intestines down your throat and make you pee and shit in your stomach! And then I will rip your lungs out and make you fart in them! And then I will throw your corpse into the sun and make you burn before sending you off to the Black Abyss myself! YOU UNDERSTAND ME!?

Me: YOU TELL HER CARRIE!

Crackhouse Minnie: (Groans)

Carrie White: I SAID DO YOU UNDERSTAND ME!?

Me: Carrie I think she is too weak to answer you.

Carrie: You're right.

Crackhouse Mickey: Oh thank you so much guys. You are true pals.

Me: Anytime Mickey.

Crackhouse Mickey went home.

We left Crackhouse Minnie a broken, battered and mangled mess and went back home.

Sebastian Mendez did eye bulge, wild takes and alarm bells wild takes galore!

Sebastian Mendez: OH SWEET MERCIFUL NEPTUNE!

He went to a trash can and threw up!

Nico: WHOA MAN!

Poromon: Just to clarify, Crackhouse Mickey isn't too bad, right?

Me: No he's not.

Carrie: Crackhouse Minnie wants to make sure Mickey does all the chores and wants things dne her way. She wants to work him like a slave or she will kill him

Poromon:...one of these days, you need to give me the full summary of this

Anna Anyanova: Well me and Lincoln's Guardian Angels all have unearthed HUGE revelations about Crackhouse Goofy. You'll see during the exercising session after Lincoln's rescue.

Me: Okay.

Carrie: But we'll have to tell you what happened.

Poromon: Okay.

Me: Man Tahu you did great on your day!

Tahu: I sure did brothers and we've seen the last of Voltaire.

Nico: Now both Toa of Fire have had their days to shine.

Me: They sure did.

Vakama: That was so fun.

Qin: It sure was.

Camie: Yeah! And both of the Toa of Fire's Akuma were massive and huge volcanoes.

Poromon: Especially Tahu's

Me: Yeah!

Tahu: I know.

Camie: Yep.

Ymir: And seeing the Beyblade in action are cool!

Me: Yep and you have your own blade too.

Ymir: Yep. They are fast and deadly.

Me: They sure are.

Qin: Also I was not expecting Peter Griffin's former boss to be among the Evil Underground Girls

Poromon: She really hated that job

Me: And hated Peter Griffin too.

Qin: Just like we do.

Camie: Yeah.

Varie: Yeah.

Chloe Bourgeois: Yeah that was cool! Also guys I couldn't help but notice that me and Sunset Shimmer both have so much in common.

Sunset Shimmer: We both wanted power and we were nearly destroyed by it. But we were saved from ourselves.

Sunset and Chloe: And Our Pasts are Not Today.

Poromon: Good to know.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green jungle planet.

Me: Wow so that's Fairyaira.

We arrived on Fairyaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Green dense super thick forest jungle planet cover

Me: Wow, so this is Fairyaira, it's so beautiful.

Nico: The planet of the Fairyairans, descendants of the fairies of myth, I remembered the legends of this place.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Fairyaira, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed.

Nico: Yeah.

Me: So Nico what happened that lead you to want to give Digitamamon a piece of your mind?

Nico: He bashed Mimi on her head with a powerful headbutt.

Mimi showed a nasty huge scar on her forehead.

Me: Oh man! He sure bashed you hard!

Mimi Tachikawa: Yes he did. I was really dazed from it.

Nico: And I snapped and wanted to rip that repulsive egg apart.

Poliwag: Me too.

Nico: Yep. Now it's personal.

Me: Why that repulsive rotten egg!

Nico: Yep. Well we better find Young Matt and Young Joe.

But then...

All of us: (SENSES A MASSIVE AND INTENSELY POWERFUL ENERGY SIGNAL)

Me: WHOA! Holy smokes! Feel that intensely massive energy!?

Poromon: Where did it come from?!

Nico: No idea!

Piccolo: It's mingboggling!

Qin: It could be a new enemy!

Me: Wait look!

We saw a figure coming and it looked like a girl with fire angel wings!

Me: (GASP) I don't believe it! It's Callistia Sorrentia!

Nico: Who is she?

Me: You'll see.

She came and landed in front of us. She was a girl with fire red hair, red eyes, cosmic nebula bikini, fire angel wings and had phoenix fire tail.

Callistia Sorrentia: Hello J.D.!

She and I hugged.

Me: I'm so happy to see you. Guys meet Callistia Sorrentia. She's From the distant planet of Houvarak and she is a cosmic being that has existed ever since the beginning of time. She has immense power that is stronger than 600,000 Anti-Monitors combined and is as strong as all of Team Loud Phoenix Storm combined times 760,000. She is also a very close and dear friend of mine and is one of my future wives I saved. She has all the powers of the elements.

EVERYONE GASPED!

Shanan: Oh wow! I've heard so much about the Houvarakians and they are that strong.

Callistia Sorrentia: That's right. And it's awesome to meet you all.

Poromon: Same here.

Callistia Sorrentia: I was in the area when I saw your ship land here. I figured it would be a good time to join you guys since you are having trouble with Anti-Monitor and some of your enemies.

Nico: How did you know that?

Callistia Sorrentia: The cosmic forces of the universe told me everything that is going on.

Shanan: Houvarakians are said to be one with the very cosmic forces and powers of the entire universe and know everything about it.

Callistia Sorrentia: She's right on that.

Nico: Amazing!

Me: Yep. Me and Callistia met when she and her planet were about to be destroyed by Crocker. He used his newly stolen fairy armor to try and do so. But my arrival and our teamwork made him defenseless and powerless. That was the catalyst that lead to the alliance forming and it was also the reason that he got committed into the nuthouse.

Callistia Sorrentia: It's true.

Jorgen: (Arnold Schwarzenegger accent) I can vouch for that

Nico: When was this?

Me: 16 years ago.

Nico: Oh man!

Lincoln: Whoa man! That jerk Crocker needs to be put down for good!

Me: Yeah he is a mad dog!

Xenia: He sure is.

Callistia Sorrentia: Yeah no kidding. I will gladly help you guys out.

Me: We appreciate it Callistia.

But then...

HOING! SNAP!

Nico got a huge Atomic Wedgie!

Nico: HEY!

Nico pulled his underwear off him!

Nico: Where did that come from?!

May: WHO IS THE WISEGUY!

But then Eli was laughing hysterically!

Eli: (LAUGHING HYSTERICALLY) HEY! STOP IT!

We saw a Goblin Shark Girl tickling him under his arms!

Me: WHOA! You're half Goblin Shark!

Stacy K. Johnson: Stacy K. Johnson A.K.A. Cragg, Shock Trooper of the Tidal Fangs and Mischief Maker at your service.

Nico: I'LL TEACH YOU TO GIVE ME A WEDGIE!

I held Nico back!

Me: Whoa whoa whoa take it easy there Tarzan.

Poromon looked at her clothes. They were purple pants and shoes.

Poromon: Nice pants and shoes.

Stacy K. Johnson: Thanks.

Ymir: What is a Shock Trooper for?

Stacy K. Johnson: Oh they are a soldier specifically trained and equipped for rapid, forceful attacks, often leading the charge in offensive operations.

Nico: Wow that is cool!

Stacy K. Johnson: It sure is.

Me: What were you doing when you got gene-slammed?

Stacy K. Johnson: I was finishing off some of Paradigm's troops.

She was killing numerous plankton gene-slammers left and right. They were tiny gene-slammers but they were easy enough to kill.

She then took a vial of Goblin Shark DNA and injected herself. Then she turned into CRAGG! She rushed in and ate numerous lobster gene-slammers.

FLASHBACK ENDS

Me: WHOA! Deadly! I didn't know Paradigm can make Plankton gene-slammers as well.

Plankton: Well plankton like myself are sea creatures after all.

Me: True.

Stacy K. Johnson: Yep. Also for my hobbies as you saw, I like pulling pranks.

Plankton: Were they nameless foot soldiers?

Stacy K. Johnson: Yes they were.

Me: Too many of them.

Nico: Yep.

Me: Would you like to revert back to normal?

Stacy K. Johnson: I would like that.

I put on my Blind Man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln I was gonna say that!

Lincoln: Sorry Nicole!

Me: Here we go.

I snapped my fingers and she reverted back. She was a girl with green hair, green eyes and had a Goblin Shark on her forehead and had the Rebel Alliance symbol on her Tidal Fangs mark on her arm.

We wrapped her in a blanket and brought her over and her clothes and shoes fell off.

She felt her back.

Stacy K. Johnson: (Groans) Hey my fin!

I showed a mirror and she gasped.

Stacy K. Johnson: I'm human again! Wow!

Me: You sure are.

Stacy K. Johnson: Yeah! You got something on your shirt.

Me: Where?

BOINK!

She flicked my nose!

Me: Very funny!

She was about to fall down

Stacy K. Johnson: WHOA!

I caught her.

Me: There.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and a nature sword and a lightsaber and a blaster.

Stacy K. Johnson: I look great!

Me: You sure do.

She screamed and then out came a pair of green angel wings!

Stacy K. Johnson: Why does my back feel so heavy?

Me: Your wings came in.

She saw that I was right!

Stacy K. Johnson: Wow! My own wings!

Me: Yep.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a dark pink sun and moon on his chest, he has long dark pink hair going down to his shoulders, dark pink eyes, massive pink fairy wings, he has on a dark pink loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Fabian Fairyaira, King of The Fairyairans of Planet Fairyaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Finley Fairyaira, Queen of The Fairyairans of Planet Fairyaira, I've also been to Fairyaira eight years ago as well.

Then, all of the other Googol of Vigintillions of male Fairyairans came to Lincoln.

Fabian Fairyaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Fabian Fairyaira chuckled.

?: Linky, you're here! You got here just in time.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark pink hair, a fairy on her forehead, stomach, right thigh, and right arm, purple eyes, she was dressed in a dark pink two-piece bikini, she has massive pink wings, and she has a staff in her right hand.

Lincoln: (GASPS) Finley Fairyaira, Queen of The Fairyairans of Planet Fairyaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Finley Fairyaira, Queen of The Fairyairans of Planet Fairyaira, she's Lincoln's Guardian Angel from Planet Fairyaira, a planet of eternal beauty and nature enchanted by magic. As Queen of the Fairyairans, Finley reigned supreme, not just in power, but in elegance, beauty, and very powerful knowledge of all fairy magic. A master of nature, beauty, and fairy magic, her power grew stronger with every whisper and heartbeat. Born with divine fairy wings adorned with markings that pulsed with arcane energy, Finley possessed overwhelming mastery over all types of fairy magic, all the powers of nature, the stars, and beauty, and she was also born with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity. When the Infernairans tried to invade The Citadel of Secrets, the heart of the planet where scholars have crafted many books on all types of magic and knowledge, she used her powers and drained them of their energy and power leaving them as withered husks and she left her planet vowing to one day return and finish what they started. When she descended to Earth and arrived in Royal Woods, she sensed Lincoln's infinite potential instantly. She swore to guard him with her life and offered to teach him the Fairy Queen's Path, granting him overwhelming mastery over all types of fairy magic, all the powers of Mother Nature, all the powers of nature, and power absorption and energy draining. Under her guidance, Lincoln awakened the power of the Fairyairans within himself. Her intense training made his already godly strength, invincibility, and immortality even more powerful and divine than ever, and he mastered how to use and cast powerful spells, use the incantations of The Fairyairans, cast wards, use all types of magic, and master the powers of the stars. Plus, she also saw what no other could deny that Lincoln was a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, and so radiant and divine in power that her heart could not resist. Many times, she embraced and kissed Lincoln with smoldering intensity, as he himself returned every embrace, and his tails flicked wildly with joy, deepening their bond even more. She helped Lincoln refine his magical abilities and powers even further, taught him the language of the fairies, and guided him through The Sacred Bond of Fairyaira, a powerful bond and rite that united their souls even more. Finley Fairyaira watched with pride as Lincoln absorbed the Googol of Vintillions of her people, The Fairyairans, The Citadel of Secrets, Fairyaira's molten core, and its twin suns of passion and love. In return, he forged for her a staff laced with the power of the stars and sealed her thanks with a passionate kiss. Lincoln promised her that when he came of age, he would marry her alongside the rest of his celestial harem. As for Lincoln's enemies, she considers them a threat to her dearly beloved husband. She swore to drain them dry of their energy and life force and leave them to be forgotten forever.

Lincoln: And there's something I need to tell you.

Fabian Fairyaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Fabian Fairyaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Fabian Fairyaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Fabian Fairyaira and the other Googol of Vigintillions of male Fairyairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of all types of fairy magic, all the powers of nature, the stars, and beauty, and the immense omnipotent powers of the fairies times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a pink aura with fairies surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Fabian Fairyaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Finley Fairyaira: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with the doctor, he did show us all of what you just told us.

Nico: Wow...!

Finley Fairyaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Finley Fairyaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Finley Fairyaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Finley Fairyaira: That's my special gift to him: Fairyaira's Blessing of Divine Nature Fairy Magic Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Finley Fairyaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Fairyairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Fairyaira to help Rika Nonoka and Ryo unlock their Rainbow Power and take down Vegiemon and Digitamamon.

Me: This had been a long time coming for him.

Nico: I'm gonna tear those two jerks apart for what they've done!

Ripster heard a Pokemon cry.

We saw a Sharpedo.

Ripster gave him apples.

He ate them.

But then something gently wrapped around my face and eyes.

Me: Hey! What the?

I heard it too.

Chimecho: Chime Chime! Chime Chime Chime!

Me: Hey a Chimecho!

I picked it up and held her.

Me: You're a cutie.

Luna's Chimecho: Like me!

Me: Yep.

James: I know how that feels too.

Me: Yep. This must be one of Dark Gale's work.

Sheena: Oh man! This one is Starflare Serenity.

Me: (GASP) The legendary Song of the gods. I've heard stories about her.

Nico: What can she do?

Me: I'll tell you later. Lets help her out. Now Starflare calm down okay?

She wrapped gently around Horsea's face

Horsea: Ooh that feels good.

Me: She sure is gentle.

Horsea: Yeah.

I snapped my fingers and she reverted back. She had blond hair and orange eyes and had orange, purple and yellow angel wings, Chimecho on her forehead and had a sun and music note on her arm.

We wrapped her in a blanket and brought her over.

Me: She's called the Song of The Gods for a reason. She has a divine voice that is so powerful that it can enhance powers of anyone good 100,000,000,000 fold and weaken bad guys to almost 0 power.

Nico: Wow! That is incredible

She woke up to see Horsea's smiling face

Starflare Serenity: (Groans) Huh? A Horsea?

Horsea: You wrapped yourself around me and it was awesome.

Starflare Serenity: Oh man. Yeah I like doing that.

Horsea: I can see that.

Me: You were turned into a Chimecho by Dark Gale.

Starflare Serenity: Oh man! I was doing a concert when it happened.

Me: Oh boy.

Camie: Not a good way to stop a concert.

Starflare Serenity: I know.

Rarity: Lets get you some new clothes darling.

Then, Nico, Super Brother, Lincoln, and I trashed Vegiemon and Digitamamon with really immense godly superhuman strength, and Vegiemon and Digitamamon were really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did, Lincoln, Super Brother, and J.D. also did the same thing damaging them big time, and Nico also joined in as well. Impressive.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Vegiemon and Digitamamon and attacked him with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Then, I held out my left hand and fired 999 massive balls of fire at Vegiemon and Digitamamon, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE JERKS AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Vegiemon and Digitamamon, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at them, and Tyler Maxwell also attacked them with swings of his massive spear and he even shot at them with his machine guns, while Alexander Maxwell slashed at them with his massive greatsword and shot at them with his guns.

Then, Vegiemon and Digitamamon charged at Alexander Maxwell and Tyler Maxwell to beat them to a bloody pulp, but before they got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND SWATTED AWAY THE JERKS LIKE A FLY, AND HE CHARGED AT THEM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, YOU PIECES OF SHIT!

CALEB MAXWELL DEALT A MASSIVE HARD SLASH TO THE JERKS' CHESTS AND THEY WERE REALLY BLEEDING OUT HARD!

BUT, THE DARKEST THING EVER WAS SEEING HIS NEON CRIMSON RED EYES GLOWING EVEN MORE AND THE SCLERA OF HIS EYES TURNING BLACK: CALEB MAXWELL WAS OUT FOR BLOOD, THE DARK ANGEL OF BLOODY VENGEANCE WAS BACK!

Eli: Oh no!

Cage Blunt: (Smirks) He's back! The Dark Angel of Bloody Vengeance is back!

Travis Tackett: (LAUGHS) I knew that wasn't going to last long.

THEN, CALEB MAXWELL PROCEEDED TO ATTACK DEMIDEVIMON BY SLASHING AT HIM WITH HIS MASSIVE GREATSWORD LEAVING BLEEDING AND NASTY SCARS ON HIS BODY, AND HE EVEN SHOT HIM ALL OVER THE PLACE, AND BLOOD WAS BEING SPILLED ALL OVER THE PLACE!

When Caleb was done with his rant, Vegiemon and Digitamamon were literally bleeding from their ears and blood was spurting out of their asses!

Eli: OH MAN!

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around the jerks and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, YOU ASSHOLES!

Lincoln, Nico, and I did one final powerful energy slash that hit Vegiemon and Digitamamon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Vegiemon and Digitamamon were on their last legs and they were really really mangled.

Then, we and the Four Digimon Sovereigns fired massive blasts of energy, and they hit Vegiemon and Digitamamon, and they exploded with incredible power as they hit them, and they were destroyed. We cheered as we holstered our weapons and powered down.

Nico: That should do it.

Me: Those two jerks deserved to die.

Lincoln: They and the other Digimon villains will be condemned to serve The M.O.E. when this is all over once Vypra brings them back. Now, there's one last thing to do.

Then, Lincoln flew into the molten core of Fairyaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the Citadel of Secrets into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Fairyaira's massive twin suns of passion and love and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, everyone was back on Earth Omega and in the gym at Lynn's Table.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Lucky Swiftail: That was pretty awesome.

Suddenly, Lucky Swiftail's long sleeveless white trenchcoat changed into a long long-sleeved white trenchcoat with stars, aura energy, white, golden yellow, and blue heavenly flames, fox fire, foxes, phoenixes, and angels on the coattails and orange fur trim on the bottom of the coattails and on the back is the sigil of The Guardians with a fox, phoenix, and angel surrounding it and surrounded by fox fire.

Lucky Swiftail: Wow.

Lyra Swiftail: That's so amazing.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Gali.

Gali: Another Me? That means who I'm facing is none other than...!

Lincoln: The Man and The Woman. But, this time, Opaline won't be there to save them.

Studio Lot, and not only is Lincoln going to rescue the nine girls, but we're going to be meeting the fourth Warner Sibling that Yuki Frostine mentioned, his name is Blinko Warner, but here's the thing: he's a half-Warner half-Saiyan toon who was created by Mr. Plotz to give The Warner Brothers and Warner Sister a taste of their own medicine, but thanks to the appearance of Lincoln and his Guardian Angels, he turned against Mr. Plotz and sided with Yakko, Wakko, and Dot to deliver payback on Mr. Plotz in another Warner Sibling madness attack. Plus, they found out about his Half-Saiyan traits that Plotz gave him along with the powers of a Road Rover as well, so they decided to help Blinko, and by that, I mean put him through the same training that Lincoln went through, and he grew not only immensely stronger than ever, but he also gained all the powers of Goku, Vegeta, The Saiyans, and The Z-Fighters and combined with the same toon powers, physics, and toon force along with Road Rover powers, that made him a powerful force for good, and when Broly returned because of Sebastian, Blinko destroyed Broly while Yuki sent Sebastian running back to Hell. We're gonna meet him along with Trudy Mink, Tracey Mink and Minerva Mink's red-haired sister who's just as sexy and beautiful as them, and she's also Blinko's girlfriend and future wife! Yeah, you heard right, he popped the question to her which made The Warners, Looney Tunes, Tiny Toons, and the other cast members of Animaniacs to cheer wildly and throw a wild party at The Toons and Humans Town/City.

Plus, we're also going to meet Wilford Wolf, another character from Animaniacs from Moon Over Minerva, his true form's a nerd wolf, but he transforms every full moon into a werewolf becomes taller and more muscular with a well-defined build and long flowing hair, and akin to how Minerva's beauty makes all men swoon over her, Wilford becomes equally if not more handsome, making all women swoon over him, and his glasses disappear but he maintains his blue pants which becomes tattered and bow, and Wilford's eyes are able to glow and his voice also becomes deeper, and he becomes filled with more self-confidence. But, that only happens during the full moon, but Lincoln's going to make sure he permanently becomes a hunk werewolf by biting him and injecting him with his True Alpha Werewolfairan-Vampirairan-Cyborg blood, and it'll cause him to transform into the very being that Lincoln is. Plus, he'd known Lincoln has Minerva in his harem and he knows he'll take good care of her.

And finally, we're going after the next undead evil Akuma, her name is Hydro Demon, the evil undead Akuma of Joyce Crandall from Super Brother's world, she's an evil, greedy, maniacal monster who swore to destroy Royal Woods with a massive tidal wave and create her new Great Lake and fulfill her tourism plan. She was created after she was resurrected by Lord Demonblood after Joyce Crandall from Super Brother's world was killed after her attempt to flood Royal Woods and turn it into another Great Lake for her tourism plan finally backfired and she fell into the waters of Lake Superior and drowned, and she wants revenge on Team Loud Akuma Angel Storm! This time, we're going to use the holy powers of God and the purifying water of the Gods to wipe her out of existence and send her to The Black Abyss forever!

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in Burbank, California, specifically The Warner Bros. Studio Lot, and I know what we're going to do here, not only am I going to rescue the nine girls, but we're going to be meeting the fourth Warner Sibling that Yuki Frostine mentioned.

Me: Awesome. So, what's his name?

Yuki Frostine: His name is Blinko Warner, but here's the thing: he's a half-Warner half-Saiyan toon who was created by Mr. Plotz to give The Warner Brothers and Warner Sister a taste of their own medicine, but thanks to the appearance of Lincoln and his Guardian Angels, he turned against Mr. Plotz and sided with Yakko, Wakko, and Dot to deliver payback on Mr. Plotz in another Warner Sibling madness attack. Plus, they found out about his Half-Saiyan traits that Plotz gave him along with the powers of a Road Rover as well, so we decided to help Blinko, and by that, I mean put him through the same training that Lincoln went through, and he grew not only immensely stronger than ever, but he also gained all the powers of Goku, Vegeta, The Saiyans, and The Z-Fighters and combined with the same toon powers, physics, and toon force of his siblings along with Road Rover powers, that made him a powerful force for good, and when Broly returned because of Sebastian, Blinko destroyed Broly while Yuki sent Sebastian running back to Hell. We're gonna meet him along with Trudy Mink, Tracey Mink and Minerva Mink's red-haired sister who's just as sexy and beautiful as them, and she's also Blinko's girlfriend and future wife! Yeah, you heard right, he popped the question to her which made The Warners, Looney Tunes, Tiny Toons, and the other cast members of Animaniacs to cheer wildly and throw a wild party at The Toons and Humans Town/City.

WE GASPED! Nico glared at Mr. Plotz!

Nico: Plotz, you pulled some stunts before, but this is the pits!

Lincoln: I almost got close to taking him to court, but we decided against that.

Me: Thank goodness you did, but what he did was basically...!

Yakko: We know, he was playing with fire.

?: (Strong Male Voice) And we know how you guys hate it when some nutcase plays with fire.

?: (Female Voice) Especially a mad scientist who always plays with fire.

Suddenly, we saw two figures appear: the first is a male Warner with the black ears, red nose, feet, and long black tail like The Warners, but there were some other physical differences: he was 9'11" in height, he has the same extremely muscular body of a male adult Saiyan with extremely huge and powerful upper and lower body muscles and eight pack abs, he has anime style eyes with blue irises, white sleeveless muscle shirt, and blue jeans: and he had a very strong powerful aura.

And the other is a red-haired version of Minerva who was dressed in red clothes.

Yakko: I knew you'd be here, Blinko.

Blinko Warner: Yakko?! Whoa! Since when did you start going to the gym?! (Sees his harem) And when did you start dating?!

Lincoln: That was our doing.

Blinko Warner: Ah, Team Loud Phoenix Storm, I knew it.

Trudy Mink: Minerva, Tracey.

Minerva Mink: Trudy, looks like we made it in time.

Buster Bunny: Nice to see we got here in time.

Dave Green: You hadn't run into any demons, have you, Ultimate Warner?

Blinko Warner: (Chuckles) Green, you know that any villain who crosses my path winds up getting beaten to a pulp. But, no I hadn't, and I know Vypra has recruited the old enemies of Master Goku and the Z-Fighters, and at least, they're honorable. Unlike Frieza, Cell, and Dr. Gero to name a few.

Nico: And if it makes you feel better, we got rid of Broly a few months ago and this time forever.

Blinko Warner: I heard about it from Yakko, Wakko, and Dot. That monster was nothing but evil to the core. (To Paragus and Nikiya) Forgive me for speaking ill of your son and brother.

Paragus: There's no need, as far as I'm concerned, my former son deserved to die. I disowned him a long time ago when Laney showed me the truth.

Nikiya: But, the alternate one, he's not only more honorable, but he's more compassionate and also protecting of others.

Blinko Warner saw Broly from DBS, and he knew they were telling the truth. Then, we headed inside.

Blinko Warner: So, Lincoln and Yuki told you guys about me.

Me: They sure did.

Blinko Warner: Now, there's another person we need to meet, and he's familiar to Minerva.

We headed to the north and we saw a blue wolf with big glasses and red bowtie and blue baggy pants.

Minerva Mink: Why, that's Wilford Wolf.

Lincoln: I remember him, he's a wolf, but he transforms every full moon from a geek into a werewolf as he becomes taller and more muscular with a well-defined build and long flowing hair, and akin to how your beauty makes all men swoon over you, Minerva, Wilford becomes equally if not more handsome, making all women swoon over him, and his glasses disappear but he maintains his blue pants which becomes tattered and bow, and Wilford's eyes are able to glow and his voice also becomes deeper, and he becomes filled with more self-confidence. But, that only happens during the full moon.

Me: Something tells me you got a plan.

Lincoln: Yep, I'm going to make sure he permanently becomes a hunk werewolf by biting him and injecting him with his True Alpha Werewolfairan-Vampirairan-Cyborg blood, and it'll cause him to transform into the very being that you, Nico, Super Brother, Ataru Moroboshi, and I are.

We then approached Wilford Wolf.

Wilford Wolf: (Nasally Voice) Team Loud Phoenix Storm? What brings you here?

Lincoln: We heard about your condition that you transform every full moon from a geek to a hunk werewolf. What would you say there's a way you could be a permanent hunk werewolf?

Wilford Wolf: (Nasally Voice) But, that's impossi...!(Suddenly stops as he saw me, Nico, Super Brother, Ataru Moroboshi, and Lincoln) Oh, right. If you're sure about this, okay.

Lincoln: Good. But, first.

Lincoln fired a blast of moonlight at Wilford Wolf, and he transformed into his hunk werewolf form as he grew taller and more muscular and his hair grew long and flowing, his glasses disappeared, his pants became tattered, and his eyes glowed as he became filled with self-confidence, and he let out a loud manly howl.

And every girl in the lot went crazy and swooned over him.

Wilford Wolf: (Manlier Voice) Okay, now what do you plan to do next, Lincoln?

Lincoln: You might want to hold still, this is gonna sting.

Suddenly, Lincoln went up to Wilford Wolf, and then...!

CHOMP!

Lincoln bit Wilford Wolf on the right trapezius with his fangs and injected him with True Alpha Werewolfairan-Vampirairan-Cyborg blood that traveled throughout his body.

Wilford Wolf: (Manlier Voice) That's some strong bite you have. (Feeling white hot fire rushing throughout his body) Uh oh, I'm feeling something about to happen.

Suddenly, Wilford Wolf's eyes changed from black to deep blue and they now have golden yellow rings around them and slit pupils, and he was surrounded by a deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels with rainbow protective aura with all of the elements swirling around him and immense holy white aura.

This is indeed very different from when I transform under the full moon.

Lincoln: (Smirks) And it's permanent when you power down. Why don't you go ahead and show your new body off, I saw a group of female girls from Lanaia's college looking at you right now.

Lincoln was right: some of Lanaia's old classmates from her college were looking at the newly transformed Wilford Wolf, and with a confident smirk, Wilford Wolf proceeded to do the bodybuilding poses Lincoln used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back

Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose. That made their noses literally gush out blood like a fountain, and they swarmed around him and they felt every last hard muscle in his body, and Wilford Wolf let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Female Student: (Swooning) So manly...! And so nice and hard.

Then, Wilford Wolf flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and they felt them for herself and the atomic red blush on their face became even more hotter and more intense.

Female Student: And they're also throbbing with such raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

They couldn't help themselves as they continued rubbing his body.

The group of Lanaia's friends could only nod.

Female Student: (Thinking) And he also lets out such a manly wolf roar too? Wilford was a hunk in his werewolf form in Animaniacs, but what Lanaia's brother did to him, now Wilford's become just like Lincoln?! (Smirks) This means he's available, same with that fox cutie, Setsuna.

Suddenly, Wilford Wolf kissed each of them on the lips, and they flew out of here like a rocket!

Nicole: (Smirks) Guess a certain werewolf's got himself more than a few admirers.

Lanaia: And they're from my college, and there's still the girls who made out with Setsuna. They're gonna spread the word about Wilford Wolf along with Setsuna and Lincoln, and then, they're gonna invade The World Tree Estate! Ugh! Those girls are such loudmouths!

Then, Skippy balanced himself on his tail and delivered a hard kick to Hydro Demon, and she screamed in agonizing pain.

Lincoln continued smashing Hydro Demon hard with his extremely massive godly superhuman strength, and she's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked her using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Wilford Wolf went after Hydro Demon, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels at Hydro Demon, and they exploded with incredible power as they hit her. Then, he slashed at her with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed her with his really excessive and immense superhuman strength.

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate with Blinko Warner, Trudy Mink, and Wilford Wolf joining us and are now new members of TLPS.

Super Brother: That's not only another evil undead Akuma destroyed, but we also gained three new members to TLPS.

Lincoln: Yep, and Wilford dealt quite the finishing blow to that greedy shrew.

Wilford Wolf: She deserved it, and Lincoln, I know Minerva has since been in your harem and I know you'll take good care of her, and you live up to your word.

Lincoln: Of course, I'm not letting anything bad happen to Minerva, and if McWolf tries to kidnap her again, well, let's just say he's in for another tickling before I send him flying away back to Montana.

Wilford Wolf: (Smirks) That's all I want to hear.

We were stunned and impressed at the maturity of Wilford Wolf.

Lola: That was surprisingly mature of him to say that.

Me: He took it not only well, but he handled it with maturity.

Nico: You said it.

?: With that kind of maturity added to his good looks especially with what Lincoln did, Wilford will one day have a harem of future wives like him. Especially with what Lanaia's friends are gonna do.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Georgius, Swordsman of The Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Geomancer of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Georgius, Swordsman of The Ice Barrier, and she has an ice greatsword and with her are the nine girls.

Lincoln: (Gasps) Tundra Frostine, Avatar and Gene-Slammer of Georgius, Swordsman of The Ice Barrier.

Tundra Frostine: That's right, and I got the girls away from that shrew! I thought we were done with her!

Super Brother: She's actually from my world and whom I'd killed long ago, but my world's Caleb Maxwell who came back as Lord Demonblood, the evil undead Akuma and leader of the other evil undead Akumas, brought them back and turned them into undead evil Akumas whom my team and I have fought against.

Me: But, so far, we are on the right track.

Caleb Maxwell: But, now we got another problem: Lord Sewage Breath, the undead evil Akuma of Chandler from Super Brother's world is planning on resurrecting my counterpart from that world, and we're gonna be in for one final battle with him.

Lincoln: That is unless we stop the resurrection. (To Tundra Frostine) And it's so good to see you again, Tundra.

Tundra Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Tundra Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Tundra Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Tundra Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Tundra Frostine's waist and hugged her, and Tundra Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tundra: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Tundra Frostine, Avatar and Gene-Slammer of Georgius, Swordsman of The Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier. She's The Ice Swordsman of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Tundra Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Georgius, Swordsman of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Tundra Frostine hated Chandler with a blazing passion, and she swore that if she ever saw that sewage brat trying to kill Lincoln, his family, and his friends again, she would throw him into Antarctica so he'd freeze to death and never be reborn in the next life or ever.

Wilford Wolf: Dark Chandler was a monster, I get that. But, the real monster was the demon who'd turned him into that. Thank goodness

Dark Chase Young's gone forever.

Me: You said it.

Lincoln: After over 1,500 years of immortal terror he'd wrought, he deserved to meet his permanent end for good, and we saw to it he paid the price, and now that you're here, Tundra.

Lincoln with his massive muscular arms still wrapped around Tundra Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit

her.

Tundra Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tundra Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Tundra Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Tundra Frostine.

Tundra Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Tundra Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Tundra Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Tundra Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Tundra Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the nine girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Tundra Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the nine girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Sui Choumai, Rion Hondou, Aira Kazaoka, Sayoko Shinonome, Hotaru Kurebayashi, and Kosuzu Hasumi from Reijuu no Seifuku and Zoey, Rumi, and Mira from KPop Demon Hunters.

Lincoln: Oh whoa, it's Sui Choumai, Rion Hondou, Aira Kazaoka, Sayoko Shinonome, Hotaru Kurebayashi, and Kosuzu Hasumi from Reijuu no Seifuku and Zoey, Rumi, and Mira from KPop Demon Hunters.

Nicole: Uh oh, I think Red and Travis were right to say that, Sui Choumai, Rion Hondou, Aira Kazaoka, Sayoko Shinonome, Hotaru Kurebayashi, and Kosuzu Hasumi are voluptuous. And Zoey, Rumi, and Mira are KPop stars and Demon Hunters.

Ronnie Anne: No way...! Mixing KPop with hunting down demons, that is awesome!

Lincoln: If we run into any demons, we'll be in for quite the adventure. Are you girls okay?

Sui Choumai: Yes, we're okay, thanks to you.

Then, when Sui Choumai and the other eight girls saw who it was that saved them from Hydro Demon, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome Sui Choumai: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white

angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sui Choumai: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sui Choumai, Rion Hondou, Aira Kazaoka, Sayoko Shinonome, Hotaru Kurebayashi, Kosuzu Hasumi, Zoey, Rumi, and Mira with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Joyce Crandall for good.

Lincoln: And we also met Blinko Warner, Trudy Mink, and Wilford Wolf.

Nico: Meeting the fourth Warner Sibling, his girlfriend, and another star from Animaniacs whom you'd bitten and he transformed like you, me, and J.D. Quite the rescue we had.

Me: You said it, but Yakko, Wakko, and Dot are reunited with their sibling, and it'll be perfect, because if we face King Salazar the Pushy in the future. (Smirks) He's in for one rude awakening.

Blinko Warner: You said a mouthful.

Wilford Wolf: Hope you don't mind me breaking his arms and legs.

Lincoln: Not at all.

Nico: By all means, and with that new body you gained, you'll really show him you mean business.

Me: (Smirks) And attract a lot of ladies.

Maria: Big bonus on attracting ladies. Did you see how many girls swooned over Wilford when he turned into his werewolf form? And after Lincoln bit him and injected his True Alpha Werewolfairan-Vampirairan-Cyborg blood into his body and he transformed, he wound up getting even more ladies attracted to him.

Lanaia: And some of them were from my college. Now, they're gonna spread the word about Wilford Wolf being available on the market same with Setsuna, Lincoln, J.D., Nico, Clyde, and Naruto. Those blabbermouths!

Lori: Remember, you've literally dealt with those blabbermouths especially when they saw Lincoln.

Lanaia: How could I forget?

After Lincoln and all of us met Blinko Warner, Trudy Mink, and Wilford Wolf and got rid of Hydro Demon, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Tundra Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Tundra Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also

doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Yuki, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Tundra Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Tundra Frostine: I knew it was only a matter of time before he told

everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, Sheila and Tom came in.

Sheila: Hey, guys, I just got news from the precinct. Apparently, a police officer is brutally beating up criminals and killing them all for enjoyment and not just arresting them.

Me: Is it a rogue cop?

Tom: No, it's not, and here's the bad news: now we got word this police officer is going to come after Lincoln, his siblings, and his Guardian Angels.

Lincoln: Oh God, there's only one person who'd come after me like this again.

Me: Crackhouse Goofy.

Goofy: Not him again. I thought we sent him flying out of here last time he tried to kill Lincoln.

Me: You know he never learns, Goofy.

Sheila: And here's more bad news: we spotted sixteen girls in the vicinity, we got to save them or that cow is going to kill them before he goes after...!

Wilford Wolf put the enormous 35-ton barbell down.

Wilford Wolf: He won't get that far.

Wilford Wolf flew out with really massive and incredible speed, and then, he found the sixteen girls along with Crackhouse Goofy.

Wilford Wolf: Gotcha.

Wilford Wolf charged in and punched Crackhouse Goofy hard in the face breaking his nose and teeth and we saw it on the big screen.

Goofy: Gawrsh, he just joined the team and already, he's really given that guy quite the punch to the face.

Nico: Not so fast, Goofy, the fun's about to begin. Lincoln, you, your siblings, and your Guardian Angels and harem better get into position. When Goofy gives the signal, come on out and be ready to take out the trash!

Lincoln, his family, and his Guardian Angels and harem along with Goofy got into position, and then, we saw Wilford Wolf about to fight Crackhouse Goofy as he put up a massive indestructible diamond barrier to protect the girls.

Wilford Wolf: You have absolutely no shame at all. Killing criminals and all for your own enjoyment and not just arresting them? And on top of that, you'd impersonated a police officer to do? Some of your victims were unfortunate individuals who got into a life of crime due to tragedy and had no one else to turn to, and still, you murdered them in cold blood.

Suddenly, Wilford Wolf's deep blue and light blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels and immense rainbow protective aura with all of the elements swirling around him and immense holy white aura flared up, and we saw some of the souls of those criminals slain: they were blue with a tinge of red, those were those who'd gotten into a life of crime due to circumstances they had no control over and had no one to turn to for help. Then, we saw the souls being purified and sent to Heaven.

Wilford Wolf: And on top of that, you were going to go after Lincoln, his siblings, and his Guardian Angels and harem once more. You live and breathe evil and you leave nothing but chaos in your wake, that is truly unforgiveable.

Wilford Wolf went after Crackhouse Goofy, and he fired extremely powerful blasts of deep blue and light blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, blue wolf fire, wolves, werewolves, phoenixes, and angels at Crackhouse Goofy, and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword, gold-armored wolf claws and wolf claws, and he really trashed him with his really excessive and immense godly superhuman strength.

Nico: Wow, he's really shredding that ugly cow to shreds!

Me: You said it. If it were nighttime and the full moon was out, that would make Wilford even more stronger than ever and he would beat that cow to death, if my curse wasn't keeping him alive.

Then, Wilford Wolf grabbed Crackhouse Goofy by the throat and tossed him right at Goofy who then bashed him hard on the head with his shield and sent him crashing down to the ground.

Goofy: (To Crackhouse Goofy) Now, you've done it. It's bad enough you tried to kill Lincoln, one of my best pals from long ago yet again, but you impersonated a police officer and killed criminals for your own amusement along with arresting them. That's it, you've gone too far! (To Lincoln, the Loud Siblings, family, and Lincoln's Guardian Angels, and Harem) Hey, everyone! (Points to Crackhouse Goofy) This guy tried to kill Lincoln again!

Lincoln, Loud Siblings, Family, and Lincoln's Guardian Angels, and Lincoln's harem: (ENRAGED SCREAM) HE WHAT?! GET HIM!

Max Goof: Yikes! This is getting ugly! But, that was really good alerting them, Dad, even though J.D.'s curse was already teaching him a lesson.

Goofy: No one messes with one of my pals from long ago, Maxie.

When, Lincoln, The Loud Siblings and Family, and Lincoln's Guardian Angels, and Lincoln's Harem were done, Crackhouse Goofy was really mangled up.

Goofy: And by the way, I also happen to be a better father to my son than you'll ever be. Now, to send you flying out of here!

Goofy had his shield ready, and...!

Goofy: CHARGE!

GOOFY CHARGED AT RAMMING SPEED FASTER THAN A BULLET TRAIN, AND...!

BASH!

GOOFY BASHED CRACKHOUSE GOOFY HARD WITH HIS SHIELD AND SENT HIM FLYING OUT OF HERE!

Crackhouse Goofy: I'M BLASTING OFF AGAIN!

TING!

Goofy: That'll teach him. Next time, we'll give him what for.

Mickey Mouse: You said it, pal.

Donald Duck: And the words you said to him, you really got him good.

Minnie Mouse: That's right, that was really amazing work, Goofy.

Daisy Duck: Along with that shield bash that sent him flying out of here like with what happened with Team Rocket. (To Jessie, James, and Meowth) Uh, no offense, guys.

Jessie, James, and Meowth: None taken, Daisy.

They came back in, and Wilford Wolf holstered his massive greatsword on his back and powered down.

Wilford Wolf: That should do it. Now, to check on the girls.

Wilford Wolf put down the barrier and went up to the sixteen girls, and when he saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the sixteen girls are Arima Hinako and Katori Saki from Beach-ku Volley ~Massive to Miniskirt to Sperma~, Kirara Inazuma from Dengeki Nurse, Tamaki Hanotsuki, Shiho Mizunomiya, Natsuka Sengoku, and Ayane Umimori from Kaiju 100%, Azzurra from One Last Salty Kiss, Dovlin from Sailor Moon, Ashley Wolf, Juniper Quinn, Naomi Fairchild, and Queenbee from Arcade Spirits, and Kung Pai and Dr. Emily Shoals from Divekick.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Katori Saki: (Seductive Voice and rubs Wilford Wolf's massive pecs) You too, big, tall, muscular, and handsome.

And with a confident smirk, Wilford Wolf proceeded to do the bodybuilding poses Lincoln used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose. That made their noses literally gush out blood like a fountain, and they swarmed around him and they felt every last hard muscle in his body, and Wilford Wolf let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Kirara Inzauma: And they're also throbbing with such raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

They couldn't help themselves as they continued rubbing his body.

Awesome work.

Wilford Wolf: I wasn't going to let them die, and I also purified the souls of those who went into crime due to unfortunate circumstances and sent them to Heaven.

Me: We saw. That was...really awesome, you avenged their souls and let them rest in peace.

Wilford Wolf: Actually, they're going to be resurrected one day, perhaps around Christmas.

Nico: That means giving them a second chance.

Wilford Wolf: If that monster tries to kill them again, next time, I won't be gentle.

Lincoln: That wasn't gentle, what we saw, that was brutal.

Wilford Wolf continued working out, and when Arima Hinako, Katori Saki, Kirara Inazuma, Tamaki Hanotsuki, Shiho Mizunomiya, Natsuka Sengoku, Ayane Umimori, Azzurra, Dovlin, Ashley Wolf, Juniper Quinn, Naomi Fairchild, Queenbee, Kung Pai, and Dr. Emily Shoals saw Wilford Wolf doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long blue wolf tails even more stronger than ever along with his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large blue angel wings underneath his enormous blue angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Lord Drakkon was first.

Drakkon: (to me) Nico's rescue was on the planet Fairyairia. He battled Digitamamon and Vegiemon

Me: He sure did and let me tell you it was one awesome battle. We found Matt and Joe there and Vegiemon and Digitamamon were working them like slaves! Also Nico had a REALLY NASTY score to settle with Digitamamon because of one nasty reason.

Lord Drakkon: And what is that?

Me: Digitamamon bashed Mimi hard on her head with a powerful headbutt and gave her a scar and it also gave her a concussion.

Lord Drakkon: HE WHAT!? Why that repulsive rotten egg!

Me: I know! I wanted to scramble him too! This was during the Digimon Emperor's reign of terror years ago. Nico still hasn't forgotten that. What he did was enough to make me want to unleash the divine wrath of the Sovereign Digimon on him. You should have seen the scar Mimi had on her head it was nasty! He socked her really good!

Jared: The 4 Sovereign combined their power and fired a deadly blast and it went into Digitamamon's shell and blew him apart from the inside. Killing him.

Lord Drakkon: HOLY CRUD! That was intense! He should know better than to challenge the most powerful Digimon ever.

Jared: I agree there. That rotten egg needed to be put down like a mad dog. Eli finished Vegiemon by slashing him into salad with him lightsaber.

Twilight Sparkle: But regardless we saved Young Matt and Young Joe there and got their debt expunged.

WORLD WAR II ADVENTURE 2

Lewa's day to shine

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a bleak, mist-shrouded world where cursed winds howl endlessly, spectral flames flicker in hollow woods, and headless riders thunder across the cursed moors, and protected by a race of powerful omnipotent Dullahan warrior angels who are the descendants of the Dullahan of Irish myth known for their immense strength, command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Dullahanaira, a bleak, mist-shrouded world where cursed winds howl endlessly, spectral flames flicker in hollow woods, and headless riders thunder across the cursed moors, and protected by a race of powerful omnipotent Dullahan warrior angels who are the descendants of the Dullahan of Irish myth known for their immense strength, command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Dullahanaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Dullahanaira.

Lincoln landed on Planet Dullahanaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Dullahanaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Lamia who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a ghostly blue sun and moon on his chest, long black hair going down to his shoulders, ghostly blue eyes, massive black angel wings, and he has on a crimson red loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Morgan Dullahanaira, King of The Dullahanairans of Planet Dullahaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Morganyss Dullahanaira, Queen of the Dullahanairans of Planet Dullahanaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Dullahan who was tall at 690'11" in height, she has the body of a goddess and large breasts, long black hair adorned with a silver crown forged from the steel of fallen kings, ghostly blue eyes, and enormous midnight black angel wings shrouded in ghostfire and cloaked in sorrow, and she has a ghostfire scythe in hand.

Lincoln: (Smirks) I knew that was you, Morganyss Dullahanaira, Queen of the Dullahanairans of Planet Dullahanaira.

Morganyss Dullahanaira: Why, I wonder what gave me away?

Then, all of the other Googol of Vigintillions of male Dullahanairans came to Lincoln.

Morgan Dullahanaira: That's correct, and this was something Morganyss wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Morgan Dullahanaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Morgan Dullahanaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Morgan Dullahanaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Morgan Dullahanaira and the other Googol of Vigintillions of male Dullhanairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and

the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a ghostly blue aura with spirits and darkness surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Morgan Dullahanaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Morganyss Dullahanaira: But, before he absorbs our planet, the ghostridden citadel of Dullahanaira, its cursed core, and its eternal ghost sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Morganyss Dullahanaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she coiled her serpentine lower body around his waist: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Morganyss Dullahanaira also kissed Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Morganyss Dullahanaira's waist and pinned her to the ground with her legs around his waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four

Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Morganyss Dullahanaira with ghostly blue gems on the gold lightning bolts and ghostly blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four

Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Morganyss Dullahanaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar of dominance, and Morganyss Dullahanaira sleeping and feeling pleasured.

Morganyss Dullahanaira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Morganyss Dullahanaira to his room and he flew deeper and deeper into the planet, and he found the cursed core of Dullahanaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Dullahanaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the ghostridden citadel of Dullahanaira into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Dullahanaira's massive eternal ghost sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he

pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Dullahanaira, a bleak, mist-shrouded world where cursed winds howl endlessly, spectral flames flicker in hollow woods, and headless riders thunder across the cursed moors, and protected by The Dullahanairans, a race of powerful omnipotent Dullahan warrior angels who are the descendants of the Dullahan of Irish myth known for their immense strength, command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, the males who'd spent their lives fighting proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of command over spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legend of The Headless Riders of Irish Folklore?! That's awesome!

Nico: You said it. I heard many legends about Dullahanaira, and no Saiyan warrior would ever head to that cursed place. Dullahanaira is a bleak, mist-shrouded world where cursed winds howl endlessly, spectral flames flicker in hollow woods, and its headless riders thunder across the cursed moors.

Just then, we saw Morganyss Dullahanaira enter and she sat with Lincoln, and that scared Caleb.

Caleb Maxwell: The Dullahan?! The one-man Legion of Doom, The Rider of Deathly Ghostflame and Ruler of The Dead, The Lost, and The Damned! I thought I wouldn't have to see it ever again!

Me: Whoa, and who's the female Dullahan who freaked Caleb out?

Anna Anyanova: This is Morganyss Dullahanaira, Queen of the Dullahanairans of Planet Dullahanaira, she's Lincoln's Guardian Angel from Planet Dullahanaira, a bleak, mist-shrouded world deep in the Forbidden Zone where cursed winds howl endlessly, spectral flames flicker in hollow woods, and headless riders thunder across the cursed moors. She's the Queen of the Dullahanairans, a race of headless warriors bound by death yet overflowing with power beyond mortal comprehension. But, even among her grim kind, Morganyss stood as a true empress of war and vengeance. Headless yet beautiful, Morganyss bore her disembodied head like a divine relic, glowing with blue ghostfire and adorned with a silver crown forged from the steel of fallen kings. With her came the power to command spectral steeds, control deathly flames, teleport through shadows, and sever the souls of the living with her hellforged scythe. Her might included immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of her people multiplied infinitely. She was born with magnificent skeletal angel wings shrouded in ghostfire and cloaked in sorrow, granting her dominion over the dead, the lost, and the cursed. When the Infernairans dared to march into the land of the headless, Morganyss rallied the spectral cavalry, their ghostly horses igniting the skies in unholy flame, and repelled the invasion in a single night. But the prophecy of her people compelled her to leave to find the one soul worthy of bearing the legacy of the Dullahanairans. That soul… was Lincoln Loud. On Earth, Morganyss descended in a storm of spectral fire and haunted silence. She found Lincoln in Royal Woods, immediately sensing his fate and swearing to protect him with blade, flame, and shadow. She trained him in the Dark Arts of the Dullahanairans: the ability to separate soul from body, manipulate ghostfire, summon spectral war steeds, and ride into battle as a one-man Legion of Doom. Under her stern and haunting guidance, Lincoln gained powers of teleportation, soul-slicing, life essence absorption, shadow manipulation, and the ability to exist between life and death. As a result, her training made his immortality and invincibility even more terrifying turning him into the Harbinger of Ghostfire. And she knew, as surely as the death bells toll, that Lincoln was the True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, a celestial warrior whose power and presence even made her burning heart stir. She held her head in one hand, her scythe in the other, and kissed him deeply, leaving glowing blue marks on his lips and chest. He returned her passion with an unbreakable promise. She helped him craft his own ghostflame scythe and guided him to absorb the Googol of Vigintillions of her people, The Dullahanairans, the ghostridden citadel of Dullahanaira, its cursed core, and its eternal ghost sun preserving the pride and power of her people within his immortal soul. She also gave him her blessing, The Right of the Eternal Rider and declared that when he came of age, she would ride beside him forever… as one of his eternal brides. But, as for Lincoln's enemies… she sees them as a disgrace to souls. She vowed to cleave their essence from their bodies, trap their spirits in an iron jack-o'-lantern, and leave it to rot in the cold, haunted graveyards of Dullahanaira where even the crows dare not tread.

WE GASPED!

Me: Oh man!

Nico: I heard about the legends of Morganyss Dullahanaira, any villain who dare to cross her path risk hearing the bell toll, to them, that is the toll of death approaching, and should any villain see her, their soul will be cleaved from their body and sent to Hell, and her training not only gave Lincoln The Dark Arts of the Dullahanairans: the ability to separate soul from body, manipulate ghostfire, summon spectral war steeds, and ride into battle as a one-man Legion of Doom, but under her stern and haunting guidance, Lincoln gained powers of teleportation, soul-slicing, shadow manipulation, and the ability to exist between life and death, but it also made Lincoln's immortality and invincibility even more terrifying, turning him into The Harbinger of Ghostfire.

Nicholette Torrington: Yep, and Morganyss gave him her blessing, The Right of the Eternal Rider and declared that when he came of age, she would ride beside him forever… as one of his eternal brides. So, any villain who crosses her and her Eternal Rider, her Harbinger of Ghostfire, their fate is sealed.

Me: WHOA! Like the coming of the Emissaries of Hell!

Nicholette Torrington: More than that. The Coming of The Emissaries of Hell's Eternal Damnation Upon The Guilty, that's the one thing that'll be etched into the souls of the irredeemable for all eternity.

WE SCREAMED IN TERROR!

Krillin: (Gulps) So, anyone who really gets on Lincoln's bad side...!

Caleb Maxwell: Is ultimately looking at spending all eternity in Hell!

Morganyss Dullahanaira: That is correct, and all that hard training I'd put you through really sharpened you into the very warrior you've

become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Dullahanaira's Blessing of Dark Eternal Rider Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
sets of large white angel wings underneath and
999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9
massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more

and she really felt how much stronger he really is.

Morganyss Dullahanaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Get a room, you two!

Lincoln: Now, there's something that's been on my mind, it was after our adventure in the world that Takeshi and the others came from three years ago.

Lincoln approached Alice Maresato and Zeke.

Lincoln: Alice, I know that what happened to your father was something that really traumatized you, and you went through so much terror because of the zombies and Shido. I know that you've recovered from that traumatizing experience, but..., would you like me to adopt you as my daughter?

Alice Maresato was stunned, but as she looked at Lincoln, she had a smile on her face and tears in her eyes.

Alice Maresato: Yes, I'd like that very much!

Lincoln picked Alice Maresato up and they hugged, and we cheered for them, and Lincoln also patted Zeke on his head.

Shizuka Marikawa: That was a truly amazing thing you did for her, Linky.

Takeshi: What Alice went through, that was really horrible even for a little girl like her.

Me: The murder of her father by those paranoid survivors, I'm willing to bet Shido was behind it.

Nico: Knowing that Nazi piece of crap, there's no doubt he was behind it. But, Lincoln adopting Alice, that'll help her heal even more.

Me: Yep. Hey guys come here.

we went to the phone

Me: Watch this one.

I dialed Crackhouse Goofy's phone.

Me: This is gonna be funny

Crackhouse Goofy: Hello? Ahyuck.

Me: (In Falsetto) (Clears throat) Hello there is this Crackhouse Goofy?

Crackhouse Goofy: Ahyuck that's me.

Me: Good morning to you. This is Semaj Nosdunk and I am doing an international survey. Tell me is your wife's name Clarabelle and is she a big ugly dumb cow? LIGHTHOUSE FOGHORN!

Then...

KRASMASH!

Followed by a house of pizza!

ITALIAN MUSIC PLAYS!

KRASMASH!

Followed by a house made of fruit and healthy snacks!

(HARP PLAYS)

KRASMASH!

He got hit by a house of cheeses!

(SWISS YODEL)

And then...

KRASMASH!

He got hit by a house made of chocolate, marshmallows and graham crackers!

CAMPING MUSIC PLAYS!

He got up from the rubble.

But then...

AIR WHISTLING!

MASSIVE NUMBERS OF CRATES OF EXPLOSIVES CRASHED ONTO HIM AND THEN...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THEY EXPLODED!

SPLAT!

A giant boot house! And then...

THUNDEROUS KRASMASH!

A GIANT CRUISE SHIP!

SHIP HORN!

Then METEORS FELL AND CRASHED ONTO HIM WITH EXPLOSIVE FORCE!

MASSIVE NUMEROUS FIERY EXPLOSIONS!

She was mangled up!

Then...

KROW!

A kid kicked him and sent him flying and he landed on a diving board that is part of THE SUSHIMAKER! Crackhouse Goofy falls off the diving board and lands into a tub of boiling hot lava. He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Minnie falls onto the conveyor belt and it takes him to the rolling wheel with sharp corals on it. Crackhouse Goofy gets rolled on by the sharp corals, leaving his face bruised. Crackhouse Goofy gets pummeled by boxing gloves until he becomes liquid. The liquefied Crackhouse Goofy falls onto a seat. Four robotic arms grab him, stretch him and roll him up into a ball. Crackhouse Goofy is placed into a cannon and it fires him far off into the distance until he hits the high school bell. Crackhouse Goofy falls in front of the front doors just as the high school students march out and trample on top of him.

Then grabbers grabbed him and put him into a supersonic car.

Then the car took off and went fast! And then...

MASSIVELY SUPER DEVASTATING POWERFUL SMASH WITH INTENSE AND INCREDIBLE POWER!

IT SMASHED RIGHT INTO A BRICK WALL AT 500 MILES PER HOUR AND SMASHED HIM INTO A BLOODY PULP PANCAKE!

Me: GEEZZ! He just doesn't learn!

Goofy: (To Crackhouse Goofy) Now, you've done it. It's bad enough you tried to kill J.D., now you tried to kill Lincoln, one of my best pals from long ago. I'm telling! (To The Loud Siblings and Family on his holographic communicator) Hey, everyone! (Points to Crackhouse Goofy) This guy tried to kill Lincoln in the same way he tried to kill J.D.!

Loud Siblings and Family: (ENRAGED SCREAM) HE WHAT?! GET HIM!

THEY POUNCED ON CRACKHOUSE GOOFY AND THEY GOT ENVELOPED IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

Loud Siblings and Family: NO ONE, AND I MEAN, NO ONE HURTS LINCOLN AND GETS AWAY WITH IT! YOU'RE DEAD, YOU FAT COW!

IT WAS AN EXTREMELY FEROCIOUS PRIMEAPE BALLISTIC STYLE FIGHT ON CRACKHOUSE GOOFY AND THE LOUDS WERE FEROCIOUSLY BEATING HIM UP IN A FEROCIOUS FIGHT CLOUD!

Max Goof: Yikes! This is getting ugly! But, that was really good alerting them, Dad, even though J.D.'s curse was already teaching him a lesson.

Goofy: No one messes with one of my pals from long ago, Maxie.

When The Loud Siblings and Family were done, Crackhouse Goofy was really mangled up.

Goofy: And by the way, I also happen to be a better father to my son than you'll ever be. Now, to send you flying out of here!

Goofy had his shield ready, and...!

Goofy: CHARGE!

GOOFY CHARGED AT RAMMING SPEED FASTER THAN A BULLET TRAIN, AND...!

BASH!

GOOFY BASHED CRACKHOUSE GOOFY HARD WITH HIS SHIELD AND SENT HIM FLYING OUT OF HERE!

Crackhouse Goofy: I'M BLASTING OFF AGAIN!

TING!

Me: That was funny!

We went back home.

Kilowattrel flew into Lewa's Room and saw him meditating in a ball of wind.

Lewa powered the ball down.

Kilowattrel: Morning Lewa.

Lewa: Morning Kilowattrel.

Kilowattrel: Time for breakfast.

Lewa: I'll be right down.

He went to the table and saw us laughing.

Lewa: Morning everyone.

Me: Oh morning Lewa.

Lewa: What's so funny?

Me: I pranked Crackhouse Goofy and we beat the snot out of him.

Lewa: Funny!

We gave him fruit and pancakes.

Nico: What the?! (GROWLS) Vademon's at it again! That asshole's gonna try and pull a move that Venn Vexos tried to use on us after we kick his ass.

Me: But, we'll be ready for that. So, where's he at?

Lincoln: He's on the planet of Liliraunearaiya, a planet of eternal beauty and nature that continuously grows more beautiful than ever.

Me: So, that's where he's at, eh? Alright, let's get him!

Lincoln: After we finish breakfast.

Nico: Right.

Caleb Maxwell: He's finished. I'm gonna tear him apart! We'll take care of that idiot!

Shelly: They weren't so tough! J.D.'s transformation really overpowered them both.

Me: So did Eli's skills. But that was the most powerful form I've ever unlocked. My power just keeps evolving.

Hitoshi: I'm glad they were the main targets this time

Gali: I know. On my big day back in 2022, we didn't face them. Not until the battle with Opaline.

Nico: Yeah.

Me: But now that's another one of Opaline's 24 dead.

Gali: And I'm the third member of the Toa to have my big day.

Vakama: Me and Tahu have done ours.

Me: Hey Vierra you know who else is Like Jessie that we know that absolutely hates being called old?

Vierra Voltic: Who is that?

Me: Ursula of the Alpha Trio. She ABSOLUTELY DESPISES being called Old.

Vierra Voltic: REALLY!? Whoa!

Zoey Drake: (LAUGHS) Yeah it's true. She is an old lady!

Ursula (Dinosaur King): (ENRAGED) NO ONE CALLS ME AN OLD LADY AND GETS AWAY WITH IT!

Vierra Voltic: What you got a problem with that grandma?

Nico:…she's not even from Team Rocket

Vierra Voltic: I know. But I just wanted to see if that was true.

Me: Well it is.

Jessie: I was shocked finding out that me and Ursula both have much in common.

Camie: Yeah.

Horsea: You're right about that

Me: Yep.

We had a great time. We then later went to the ship and embarked on the rescue

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14278.4: The U.S.S. Valorous Phoenix is en route to the planet Liliraunearaiya and we are heading there to rescue Young Izzy. This is gonna be something brutal.

Me: I have a feeling Vademon is behind this one.

Qin: Me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green planet.

Maria: We're here.

We arrived on Liliraunearaiya, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Green dense super thick forest jungle planet cover

Me: Wow, so this is Liliraunearaiya, it's so beautiful.

Nico: The planet of the Liliraunearaiyans, descendants of the Liliraune, I remembered the legends of this place.

Eli: Wow! It's magnificent.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Liliraunearaiya, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed.

Horsea looked around.

Horsea: Wow it's so beautiful.

Qin: It sure is.

Nico: Boy this planet is so amazing.

Horsea hopped into Maria's arms

Me: Young Izzy should be here.

Eli: I sense him. He's acting really stupid.

Me: How so?

Eli: Like he was drained of his brain.

Me: Uh oh.

Nico: How stupid are we talking about?

Eli: Beanie the Braindead Bison stupid.

Nico: Oh boy. We better find him.

Eli: He's that way.

He pointed 45 yards north.

We went through a forest. Then we got to a clearing and saw Young Izzy doing weird contortions. We saw him bending and stretching into the letters of the Alphabet.

Young Izzy: A. B. C. D. E.

Me: Okay that can't be good for your muscles or your bones.

Nico: Hey, Izzy. You feeling okay?

Me: Izzy?

Young Izzy: Just being stupid and idiotic.

Me: Okay you are not that stupid Izzy.

Nico looked at Young Izzy for a few seconds before punching him, knocking him out

POW!

He was knocked out.

Me: Nico why did you hit him?

Nico: It was the only way to save him.

He woke up.

Young Izzy: OW! My head!

Nico: Sorry Izzy. Are you okay?

Young Izzy: Yeah but that hurt!

Nico: Oh man! I hope I didn't hit you too hard. You were acting like a stupid braindead idiot.

Me: You ddi all kinds of contortions to look like the letter of the Alphabet.

Young Izzy: Oh man! That explains why my muscles are really sore.

Me: Geez Nico I hope you didn't hit him too hard. With your strength as a Saiyan you can easily kill someone like that.

Nico: Sorry.

Young Kari: You'll be okay Izzy.

Young Tai: We're just glad you're back to normal.

Poromon: Let me massage you

Poromon and the mascots got to work and helped him.

Young Izzy: Ahh! That feels good!

Young Matt: We're glad you're back to normal.

Young T.K.: Same here.

Young Joe: Yep.

Gatomon was getting ready to pounce on Mevya

But then...

LOUD NASTY HUGE DEEP FART!

HE RELEASED A FART INTO HER FACE THAT SMELLED WORSE THAN HIS BURPS AND GATOMON GAGGED AND RETCHED AND THREW UP!

Mevya blew a raspberry!

Me: GOOD GOD! THAT SMELLS HORRIBLE!

Mevya: Sorry.

May: That's nothing. You should have seen what I did to Misty long ago. I released a massive fart and she threw up from the stink.

Misty: (Shudders) THAT WAS THE MOST DISGUSTING thing I've ever smelled!

Gatomon: Come here so I can eat you!

Mevya: Not on your life stinky!

She yowled!

Then...

MASSIVE AND INTENSEY LONG AND DEEP STINKY SUPER FART!

The fart blasted her into a tree and knocked her out.

Nico: What did you eat?!

Mevya: A massive can of beans.

Nico: Figures.

?: Geez that is stinky!

We saw a Blue Shark Girl and she had orange pants and blue shoes.

Winona W. Williams: Winona W. Williams A.K.A. Waveburner of the Tidal Fangs.

Me: Whoa you're half Blue Shark. Wow!

Winona W. Williams: That's right. I'm the Fire & Ice Specialist of the Tidal Fangs. I use Fire and Ice to blast our enemies.

Me: Cool! Pleasure to meet you.

Nico: That's a perfect combo.

Winona W. Williams: It sure is.

Me: What were you doing when you got slammed?

Winona W. Williams: I was getting ready to bomb Paradigm's water supply with ice bombs and then blow up his generators with Fire Bombs.

She got the bombs ready to fire.

She then injected herslf with blue shark DNA and then turned into WAVEBURNER!

She went and blasted the generators.

FLASHBACK ENDS

Winona W. Williams: And that's how it went.

Me: Wow!

Nico: The process started with a literal bang

Me: He sure did.

Qin: Yep.

Me: Do you have any hobbies?

Winona W. Williams: I sure do. I like playing Dungeons & Dragons.

Me: Cool!

Qin: Awesome!

Horsea: Good hobby.

Me: Yep. Would you like to revert back? You can change at will.

Winona W. Williams: I would like that,

Me: Okay.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Me: Here we go!

I snapped my fingers and she doubled over in pain and reverted back. She had blue and red hair and had blue eyes and fire angel wings and had a Blue Shark on her forehead and on her Tidal Fangs symbol on her arm was a flaming snowflake.

We wrapped her in a blanket and brought her over, Her clothes fell off.

Camie: Her clothes are too big for her.

She felt her face.

Winona W. Williams: My face!

I formed a mirror and showed her.

Winona W. Williams: I'm back to normal!

Me: You sure are.

Rarity: Lets get ou some new clothes darling.

The Fashion Brigade gave her new red and blue clothes and a fire and ice sword.

Winona W. WIlliams: I look great!

Me: You sure do.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking male who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a dark pink sun and moon on his chest, he has long green hair going down to his shoulders, green eyes, massive pink fairy wings, he has on a dark pink loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Landon Liliraunearaiya, King of The Liliraunearaiyans of Planet Liliraunearaiya.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angels, Laiaya, Leia, and Lorrina Liliraunearaiya, Queens of The Liliraunearaiyans of Planet Liliraunearaiya, I've also been to Liliraunearaiya eight years ago as well.

Then, all of the other Googol of Vigintillions of male Liliraunearaiyans came to Lincoln.

Landon Liliraunearaiya: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Landon Liliraunearaiya chuckled.

?: (Three girls' voices) Oh wow, Linky, you're here!

Suddenly, we saw three beautiful girl who was tall at 250'11" in height, they each have the body of a goddess and large breasts, tanned skin, long green hair, an orange flower in their hair, green eyes, they were each dressed in a green two-piece bikini, massive green angel wings, and they each have a nature greatsword in their right hand.

Lincoln: (GASPS) Laiaya, Leia, and Lorrina Liliraunearaiya, Queens of The Liliraunearaiyans of Planet Liliraunearaiya.

Me: You know them, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, meet Laiaya, Leia, and Lorrina Liliraunearaiya, Queens of The Liliraunearaiyans of Planet Liliraunearaiya, they're Lincoln's Guardian Angels from Planet Liliraunearaiya, a planet of eternal beauty and nature that continuously grows more beautiful than ever. As Queens of the Liliraunearaiyans, Laiaya, Leia, and Lorrina Liliraunearaiya reigned supreme, not just in power, but in elegance, beauty, and very powerful knowledge of all nature magic. True masters of nature, beauty, and magic, their power grew stronger with every whisper and heartbeat. Born with massive green angel wings adorned with markings that pulsed with arcane energy, The Liliraunearaiya Triplets possess overwhelming mastery over all types of magic, all the powers of nature, and beauty, and they're also born with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity. When a group of Infernairans tried to invade Castle Liliraunearaiya, the heart of the planet where their kingdom is centered, they used their powers and drained them of their energy and power leaving them as withered husks and they left the planet vowing to one day return and finish what they started. When Laiaya, Leia, and Lorrina descended to Earth and arrived in Royal Woods, they sensed Lincoln's infinite potential instantly. They swore to guard him with their life and taught Lincoln The Path of The Liliraune Queen, granting him overwhelming mastery over all types of magic, all the powers of Mother Nature, all the powers of nature, beauty, seduction, and power absorption and energy draining. Under their guidance, Lincoln awakened the power of the Liliraunearaiyans within himself. Their intense training made his already godly strength, invincibility, and immortality even more powerful and divine than ever, and Lincoln mastered how to use and cast powerful spells, use the incantations of The Liliraunearaiyans, cast wards, use all types of magic, and master the powers of nature. Plus, they also saw what no other could deny that Lincoln was a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, and so radiant and divine in power their heart could not resist. Many times, they embraced and kissed Lincoln with smoldering intensity, as he himself returned every embrace, and his tails flicked wildly with joy deepening their bond even more and he always came home glowing with energy and power. They helped Lincoln refine his magical abilities and powers even further, taught him the language of the Liliraune, and guided him through The Sacred Bond of Liliraunearaiya, a powerful bond and rite that united their souls even more. Finley Fairyaira watched with pride as Lincoln absorbed the Googol of Vigintillions of their people, The Liliraunearaiyans, Castle Liliraunearaiya, Liliraunearaiya's core, and its twin suns of passion and love. In return, he forged for them three nature greatswords laced with the power of nature and sealed her thanks with a passionate kiss. Lincoln promised them that when he came of age, he would marry them alongside the rest of his celestial harem. As for Lincoln's enemies, they considers them a threat to their dearly beloved husband, and they swore to drain them dry of their energy and life force and leave them to be forgotten forever.

Lincoln: And there's something I need to tell you.

Landon Liliraunearaiya: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Landon Liliraunearaiya chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Landon Liliraunearaiya: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Landon Liliraunearaiya and the other Googol of Vigintillions of male Liliraunearaiyans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, superhuman endurance, immense omnipotent powers of all types of fairy magic, all the powers of all types of magic, all the powers of nature, and beauty, and the immense omnipotent powers of the fairies times infinity, and the ability to grow stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging

like a really massive wildfire and he has a green aura with Alraune flowers surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Landon Liliraunearaiya: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Laiaya Liliraunearaiya: We knew Lincoln's the infinite-times virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with the doctor, he did show us all of what you just told us.

Nico: Wow...!

Leia Liliraunearaiya: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything Laiaya told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last we saw you.

Suddenly, Lincoln pinned Laiaya, Leia, and Lorrina Liliraunearaiya to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to their faces and kissed them on the lips with intense smoldering passion which they returned as they placed their hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of their trapezius, and one by one, he slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit them, and three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Laiaya, Leia, and Lorrina Liliraunearaiya with green gems on the gold lightning bolts and green crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their neck and rainbow Thunderbird wedding rings on their left pinkies.

He then helped them up and he kept them close to his body as they took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999, massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Laiaya Liliraunearaiya: That's my special gift to him: Liliraunearaiya's Blessing of Divine Liliraune Seductive Nature Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around their waists even more and he brought them closer to his body even more and they really felt how much stronger he really is.

Lorrina Liliraunearaiya: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Liliraunearaiyans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Liliraunearaiya to help Ai & Mako and Kenta unlock their Rainbow Power and take down Vademon.

Me: We sure are.

Kopaka: Wait hear that.

It sounded like crying.

But then...

Rarity: (CRYING HYSTERICALLY)

Lincoln: What's wrong Rarity?

Rarity: (CRYING AND BAWLING HYSTERICALLY) SOMETHING IS MAKING ME CRY DARLINGS!

Nico snapped his fingers.

Rarity: Oh thank you.

Nico: No problem.

Me: Look!

We saw a Sobble. It was crying like you wouldn't believe.

Me: A Sobble! Oh the poor little thing.

Ash: Be careful guys. A Sobble's tears have the same effect as chopping 100 onions.

Me: Whoa! No wonder Rarity cried hard.

Kopaka patted Sobble on the back

Kopaka: There. Feel better?

Sobble: I sure do!

Me: Awesome.

But then...

KRASPLAT!

I got hit in the face with something creamy!

Me: HEY! (Slurps) Yummy! Caramel Swirl Cream!

Nico licked my face.

Me: HEY NICO! You are weird!

Nico: Sorry!

SPLAT!

Nico got hit with something creamy too!

Nico: HEY! (Slurps) OOH! Mint Cream!

Qin: It's from them!

We saw 10 Alcremie!

Chantelle Escargot: (French Accent) Sacre bleu! We got 10 Alcremie!

Me: Alcremie! No wonder!

Nico: Where did they come from?

Me: They must be Dark Gale's work.

Sheena: Yes they are. These are the LeCream sisters. Selene, Olivia, Lenni, Lime, Brenda, Vella, Greta, Ruby, Rhonda and Hayley and they are masters of great desserts and sweets.

Laney: (GASP) (DROOLS LIKE A WATERFALL) THEIR DESSERTS ARE SOME OF THE MOST AWESOME EVER! (SLURPS)

Chantelle Escargot: Oh mon dieu! Everyone in all of France knows zem. Ze LeCream sisters are ze best ever and zey make desserts that are so très magnifique!

Me: I heard all about what they can do.

Lola: Lets go help them out.

Me and Chantelle went over.

Chantelle Escargot: Calmez-vous, mes amis.

Nico: She said calm down my friends in French.

They fired cream at us.

SPLAT!

Horsea: (SLIRPS) Vanilla! Yummy!

May: (SLURPS) Red Velvet! Delicious!

Me: That must be that black and red Alcremie. Keep that one away from my mom! She goes CUCKOO BONKERS for Red Velvet cake!

Nico: I can see why.

Me: Yep.

I snapped my fingers and they reverted back! They were each girls with one color each of the rainbow, had wings for each color, had one color of fruit for cutie marks and had Alcremie of each of the 10 forms on their foreheads.

We wrapped them in blankets and brought them over.

Me: (KISS) MWAH! Cest magnifique!

They woke up.

Selene LeCream: (Groans) What hit me.

Hayley LaCream: I feel like I got hit by a bunch of rolling pins.

Brenda LaCream: No kidding.

Chantelle Escargot: Est-ce que tout va bien?

Olivia LaCream: Chantelle! Good to see you again!

Greta LaCream: Same here.

Chantelle Escargot: Ah you too.

She gave them all French Kisses.

Me: Wow! That's a lot of French kisses.

Marinette: It sure is.

Nico: Boy Chantelle I didn't know you were good friends with the LaCream sisters.

Chantelle Escargot: You never asked Nico.

Me: Also girls you were turned into 10 Alcremie of each form by Dark Gale. And Hayley you were turned into a never seen before one for Red Velvet cake. One of my mother's favorites. She goes cuckoo crazy for it.

Hayley LaCream: I can see why.

Me: Yep.

Olivia LaCream: And oh man. We were getting ready to make the largest ever cake ever. It was called The Rainbow Jewel Eden Cake. It's a Rainbow Layer Cake that looks like a ginormous castle and it is covered inrock candy jewels.

Me: Oh wow!

Laney: (DROOLS) I want to eat that cake!

Mary Knudson: Laney control yourself.

Poromon: You can eat it after me!

WE LAUGHED!

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them amazing clothes. One for each color of the rainbow.

Hayley LaCream: We look amazing.

Olivia LaCream: We sure do.

Me: I can't wait to see how you girls make cakes and desserts.

Lincoln: If that happens, I'll absorb Liliraunearaiya and its' core, Castle Liliraunearaiya, and its twin suns of passion and love and we'll get out of there just in time.

Nico: Couldn't we throw Vademon into the emptiness of space and he detonated harmlessly?

Me: There wouldn't be enough time.

Nico: Fair point.

Me: Yeah. Rhydonium is powerful and highly explosive stuff. You saw what it can do right?

Eli: I remember it all too well.

Nico: This proves Vademon's a fucking coward and he chooses to die the way of a coward. That's it, I hate to do this, but, Caleb, Tyler, Alexander, and Allie Maxwell, when we see him, you guys tear him apart limb from fucking limb.

WE ALL GASPED AT NICO'S ORDER: HE JUST OPENED PANDORA'S BOX!

Travis Tackett: Are you sure about that? You've seen how violent Caleb can get, but him together with his three siblings, that's gonna mean Vademon will be killed by them and Ai & Mako and Kenta won't be able to unlock their Rainbow Power.

Caleb Maxwell: Relax, we won't do much to him.

Cage Blunt puts his left arm around Caleb Maxwell with his left hand on Caleb's left shoulder.

Cage Blunt: (Smirks) Even after all these years, you were never good at telling lies, Caleb.

James Blunt: Cage is right, we always sense whether a mortal is lying or not, and you've never actually told a lie, especially to the cops back when you were alive in the 1980s.

Caleb Maxwell: (Sighs) Okay, fine. I admit it, we're gonna tear his ass apart when we see him.
